PROFIT WARNING

This announcement is made by Amasse Capital Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the three months ended 31 December 2020, the Company is expected to record a consolidated net loss of approximately HK\$1.0 million for the three months ended 31 December 2020 as compared to the consolidated net profit of the Company for the corresponding period in 2019, which is mainly attributable to decrease in consolidated revenue of the Company as a result of the decrease of the corporate finance advisory transactions handled by the Group. The Board considers that the decreased consolidated revenue was caused by the negative impact as a result of the novel coronavirus pandemic and the slowing down of corporate business activities.

As the Company is still in the process of finalising the first quarterly results of the Group for the three months ended 31 December 2020, the information contained in this announcement is only based on the preliminary assessment on the information currently available to the management of the Company instead of any figures or information that have been audited or reviewed by the auditors of the Company or the audit committee of the Company. The first quarterly results of the Group for the three months ended 31 December 2020 are expected to be published on or before 27 January 2021 in compliance with the GEM Listing Rules

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
