CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATE AND REPURCHASE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the General Mandate (including the extended General Mandate) and the Repurchase Mandate.

General Mandate

At the AGM, an ordinary resolution will be proposed such that the Directors be given an unconditional general mandate (i.e. the General Mandate) to allot, issue and deal with unissued Shares or underlying shares of the Company (other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate amount of up to 20% of the number of the issued Shares as at the date of granting of the General Mandate.

In addition, a separate ordinary resolution will further be proposed for extending the General Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 239,341,329 Shares in issue. Subject to the passing of the resolutions for the approval of the General Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with a maximum of 47,868,265 Shares.

LETTER FROM THE BOARD

Repurchase Mandate

At the AGM, an ordinary resolution will also be proposed such that the Directors be given an unconditional general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the number of the issued Shares as at the date of granting of the Repurchase Mandate.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 23,934,132 Shares.

An explanatory statement in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

The Nomination Committee has recommended to the Board on re-election of the abovementioned Directors who are due to retire at the AGM.

RECOMMENDATION

The Directors (including all the independent non-executive Directors) consider the proposed grant of the General Mandate (including the extended General Mandate) and the Repurchase Mandate and the proposed re-election of retiring Directors are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

GENERAL

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on any resolutions to be proposed at the AGM.

Yours faithfully

For and on behalf of the Board

China Information Technology Development Limited

Wong King Shiu, Daniel

Chairman and Chief Executive Officer

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company and the Shareholders. Trading conditions on the Stock Exchange have sometimes been volatile in recent years. At any time in the future when Shares are trading at a discount to their underlying value, the ability of the Company to repurchase Shares will be beneficial to the Shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company and thereby resulting in an increase in net assets and/or earnings per Share of the Company. Such repurchases will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 239,341,329 fully paid Shares.

Subject to the passing of the proposed resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 23,934,132 fully paid Shares, representing approximately 10% of the number of the issued Shares as at the date of passing of the resolution.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association and the applicable laws and regulations of the Cayman Islands. The Company may not purchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or which would result in the Company's gearing levels increasing to a degree which in the opinion of the Directors from time to time would be inappropriate for the Company.

5. EFFECT OF THE TAKEOVERS CODE

If as a result of a share repurchase, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory offer for Shares under Rule 26 of the Takeovers Code, according to Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, Discover Wide Investments Limited, a company incorporated in British Virgin Islands together with its beneficial owner, Mr. Wong Kui Shing, Danny, the former executive Director of the Company, were interested in 17,665,476 Shares, representing approximately 7.38% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the shareholding of Discover Wide Investments Limited and its Associates in the Company would be increased to approximately 8.20% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

As at the Latest Practicable Date, Mr. Zhang Rong, together with Corporate Advisory Limited, a company incorporated in British Virgin Islands, wholly-owned by Mr. Zhang Rong, were interested in 37,801,333 Shares, representing 15.79% of the issued share capital of the Company. In any event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the shareholding of Mr. Zhang Rong in the Company would be increased to approximately 17.55% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Directors have no present intention to buy back the Shares to the extent it will trigger the obligations under the Takeovers Code for any Shareholder or group of Shareholders to make a mandatory offer.

Saved as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares pursuant to the Repurchase Mandate.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close Associates have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any Core Connected Persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the laws of the Cayman Islands.

7. MARKET PRICES OF SHARES

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve calendar months immediately prior to the Latest Practicable Date were as follows:
