INSIDE INFORMATION PROFIT WARNING

This announcement is made by Takbo Group Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the nine months ended 30 September 2021, the Group is expected that the unaudited net profit for the nine months ended 30 September 2021 will decrease significantly by approximately 60% as compared with that of approximately HK\$27.3 million for the nine months ended 30 September 2020. Such significant decrease was mainly due to (i) the significant reduction in sales orders of hand sanitiser resulting from the keen competition and over-supply of the disinfectant products in the global markets; and (ii) the increase in shipping and freight cost due to non-stop demand for ocean freight under ongoing COVID-19 pandemic-related delay and closure.

The Company is still in the process of finalising the third quarterly financial results of the Group for the nine months ended 30 September 2021. The information contained in this announcement is only a preliminary assessment by the Board, based on the unaudited consolidated management accounts of the Group and other information currently available to the Company, which have not been reviewed or audited by the Company’s auditors, and have not been verified by the audit committee of the Company. The Shareholders and potential investors of the Company are advised to read the third quarterly results announcement of the Company for the nine months ended 30 September 2021, which is expected to be published on 9 November 2021.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
