CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Main Board. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE

The Board believes that good corporate governance plays a vital part in maintaining the success of the Company. The Board and the senior management are dedicated to establishing and maintaining a high level of corporate governance. Various measures have been adopted to enhance the management efficiency of the Company and thus to protect the interest of the shareholders of the Company.

During the Period, the Company had applied the principles and complied with all the code provisions of the Corporate Governance Code (the “CG Code”) contained in Appendix 15 to the GEM Listing Rules except for code provision A.2.1 of the CG Code that the roles of chairman and chief executive officer should be separate and should not be performed by the same individual. The division of responsibilities between the chairman and chief executive officer should be clearly established and set out in writing.

During the Period, Mr. Sun has been the Chairman and the CEO. The Board believes that vesting the roles of both Chairman and CEO in the same person provides the Company with strong and consistent leadership, and allows for effective and efficient planning and implementation of business decisions and strategies.

遵守企業管治守則

董事會相信，良好的企業管治乃維持本公司成功之重要部分。董事會及高級管理層致力於建立和維持高水平的企業管治，並已採取各項措施，加強本公司的管理效率以保障本公司股東的權益。

於本期間內，孫先生一直兼任主席及行政總裁。董事會認為，主席和行政總裁的角色由同一人擔任，可為本公司提供強而有力且貫徹一致的領導，並可有效及高效率地計劃及執行業務決策及策略。

The Company has considered the issue of balance of power of authority on the Board and believes the structure of the Company, including strong independent elements in the Board, delegation of authorities to the management, supervision by the Board and Board committees, is sufficient to address the potential issue on power concentration. Furthermore, decisions of the Board are made by way of majority votes. The Board will regularly review the effectiveness of this structure to ensure that it is appropriate to the Group's circumstances.
