INFORMATION OF THE GROUP

The Group is principally engaged in retail chain business in lighting, designer label furniture and household products in Hong Kong and wholesale of tableware, giftware and other trading worldwide.

REASONS FOR AND BENEFITS OF THE RENEWAL OF TENANCY AGREEMENT

Due to nature of its retail business in Hong Kong, the Group has to enter into tenancy agreements for leasing of retail stores from time to time. It would be beneficial to lease the Premises as it will enable the Group to secure its stable operation at the Premises without incurring additional costs and expenses in identifying, renovating and relocating to other retail store and ensure that there will be no disruption to the operations, business and growth of the Group.

The Renewal Terms (including the rental charge) were determined after arm's length negotiations between the parties and with reference to the open market rent of comparable properties in the nearby districts and the rental payment made by the Group under the existing tenancy agreements. The Board considers that the Renewal Terms were entered into on normal commercial terms, in the ordinary and usual course of business of the Group and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

IMPLICATIONS UNDER THE GEM LISTING RULES

In accordance with HKFRS 16 "Lease", the Company recognises the value of the right-of-use assets on its consolidated statement of financial position in connection with the lease of the Premises. Accordingly, the lease transaction is regarded as acquisition of asset by the Group for the purpose of the GEM Listing Rules.
