PROFIT WARNING

This announcement is made by Baiying Holdings Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

Based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2021 and the information currently available to the board (the “**Board**”) of directors (the “**Directors**”) of the Company, the Board wishes to inform the shareholders of the Company and potential investors that:

The Group is expected to record a loss attributable to the shareholders of the Company in the range between approximately RMB6.5 million to RMB7.5 million for the year ended 31 December 2021, as compared to the profit of approximately RMB6.3 million for the year ended 31 December 2020.

The expected loss is mainly attributed to: i) the prolonged disposal of non-performing assets and an increase in the risk of recoverability of items due to the pandemic, resulting in an increase in impairment provision; and ii) an decrease in the fair value of the financial assets measured at fair value through profit or loss during the year.

As the Company is still in the process of finalising the annual results of the Group for the year ended 31 December 2021, the information contained in this announcement is only based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the Company’s auditors. The above information may be subject to further adjustments upon final review by the Board and the Company’s auditors. Shareholders and potential investors are advised to refer to the details in the annual results of the Group for the year ended 31 December 2021, which is expected to be published in late March 2022 in accordance with the GEM Listing Rules.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.

By order of the Board
