PROFIT WARNING

This announcement is made by JTF International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules).

The board of directors (“**Board**”) of the Company wishes to announce that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the two months ended 28 February 2022 and other information currently available, the Group is expected to record a substantial decrease in turnover from approximately RMB433,465,000 for the three months ended 31 March 2021 to around approximately RMB250,000,000 to RMB300,000,000 for the three months ending 31 March 2022. The decrease was mainly attributable to (i) the outbreak of the COVID-19 Omicron variant in various cities in China since late 2021 which led to disruption to traffic and economic activities; and (ii) the drastic price surge in international oil price caused by the political crisis between Russia and Ukraine since late 2021, as a result of which oil market participants in general became more conservative and prudent in the trading of oils. Gross profit ratio is also expected to decrease from 5.9% to around approximate 3.0% for the same reason. Therefore, the Group is expected to record a substantial decrease in profit or even a slight loss for the three months ending 31 March 2022.

The information contained in this announcement is only based on the management’s preliminary assessment after reviewing information currently available to the Group, including the unaudited consolidated management accounts of the Group for the two months ended 28 February 2022 which has not been finalised. Therefore the actual results of the Group for the three months ending 31 March 2022 may differ from the information contained in this announcement. Details of the Group’s quarterly results for the three months ending 31 March 2022 will be announced in May 2022 according to the GEM Listing Rules.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
