The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the three months ended 31 March 2022 (the “**Period**”) and other information currently available, the Group is expected to record a consolidated net loss of not less than approximately HK\$5.0 million for the Period as compared to a consolidated net loss of approximately HK\$2.6 million in the corresponding period in 2021.

Based on the information currently available to the Board, such expected increase in the net loss was mainly attributable to, among other things, the increase in the impairment loss on assets held for sale of not less than approximately HK\$4.0 million, the effect of which is partially offset by the increase in gross profit of approximately HK\$1.4 million.
