CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The primary purpose of this circular is to provide you with information regarding the resolutions to be proposed at the AGM and to give you notice of the AGM. Resolutions to be proposed at the AGM include but not limited to ordinary resolutions relating to the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate, and the Reappointment and Election of Directors.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the last annual general meeting (“AGM”) of the Company held on 2 July 2021, general mandate was granted to the Directors to issue new Shares and repurchase Shares. The said general mandate will expire at the conclusion of the forthcoming AGM. The Board shall review the market situation from time to time and exercise the general mandate to issue Shares for fund raising activities if and when appropriate. The Board believes that the exercise of the general mandate to issue Shares (Issue Mandate) is in the best interests of the Company and the Shareholders as a whole by maintaining the financial flexibility for the future business development of the Group. Resolutions set out as the ordinary resolution numbers 5 and 6 in the Notice will be proposed at the AGM to grant fresh mandates to the Directors: (i) to allot, issue and deal with Shares of up to 20% of the total number of Shares in issue as at the date of passing resolution granting the Issue Mandate as resolution number 5 set out in the Notice. Based on 3,836,982,257 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are repurchased after the Latest Practicable Date and up to the date of the AGM, the Directors will be able to allot, issue and deal with up to a total of 767,396,451 Shares if the Issue Mandate is granted at the AGM; and (ii) to repurchase Shares not exceeding 10% of the total number of Shares in issue as at the date of passing of resolution number 6 set out in the Notice granting the Repurchase Mandate. Based on 3,836,982,257 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are repurchased after the Latest Practicable Date and up to the date of the AGM, the Directors will be able to repurchase for up to a total of 383,698,225 fully paid Shares if the Repurchase Mandate is granted at the AGM.

The Issue Mandate and the Repurchase Mandate will remain in effect until whichever is the earliest of (i) the date of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting is required to be held by the Articles of Association or the Companies Ordinance or the GEM Listing Rules; and (iii) the date upon which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting. In addition, a separate ordinary resolution will further be proposed for extending the Issue Mandate authorising the Directors to the effect that any Shares repurchased under the Repurchase Mandate will be added to the total number of Shares which may be allotted and issued under the Issue Mandate. An explanatory statement required under Rule 13.08 of the GEM Listing Rules to be sent to the Shareholders in connection with the Repurchase Mandate is set out in the Appendix I to this circular. The explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant proposed ordinary resolution for the grant of the Repurchase Mandate at the AGM.

REAPPOINTMENT AND ELECTION OF DIRECTORS

Pursuant to Article 83(3) of the Company’s Articles, any Director appointed by the Board to fill a casual vacancy shall hold office until the first AGM of the Company after his appointment and be subject to reappointment and election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following AGM of the Company and shall then be eligible for reappointment and election. As such, Mr. Yang Changchun, Mr. Chan Shiu Chung and Mr. Qian Jie will be eligible and offer themselves for reappointment and election at the forthcoming AGM.

By virtue of articles 84(1) of the Company’s Articles, one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation at each AGM, provided that every Director shall be subject to retirement at an AGM at least once every three years.

The biographical details of the Directors proposed to be reappointed and elected at the AGM are set out in the Appendix II to this circular.

LETTER FROM THE BOARD

ANNUAL GENERAL MEETING

At the AGM, ordinary resolutions will be proposed to approve, among other matters, the following:

- (a) the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; and
- (b) the reappointment and election of Directors.

Whether or not you are able to attend the AGM in person, you are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon as soon as possible and in any event not later than 48 hours before the time for the AGM or any adjournment thereof to the branch share registrar of the Company in Hong Kong, Tricor Standard Limited, at 54th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong. Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjournment thereof should you so wish.

Pursuant to Rule 17.47 (4) of the GEM Listing Rules, all the resolutions proposed to be approved at a general meeting must be taken by poll. An announcement will be made by the Company after the AGM on the results of the AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this circular is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this circular misleading; and (3) all opinions expressed in this circular have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

RECOMMENDATION

The Directors believe that the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the reappointment and election of Directors are in the best interests of the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders.

LETTER FROM THE BOARD

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position that as at 31 December 2021, being the date of its latest published audited financial statements, however, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse impact on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

Accordingly, the Directors recommend the Shareholders to vote in favour of the ordinary resolutions approving the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the reappointment and election of Directors at the AGM.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board
Polyard Petroleum International Group Limited
LAI Chun Liang
Chairman

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

This Appendix I serves as an explanatory statement required to be sent to all Shareholders pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules in connection with the Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on GEM to repurchase their shares on the GEM and any other stock exchange on which the securities of the company are listed and such exchange as recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at Latest Practicable Date, there were a total of 3,836,982,257 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 383,698,225 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share.

4. FUNDING AND EFFECT OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate will be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

5. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Hong Kong Code on Takeovers and Mergers ("Takeovers Code"). As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by the Directors, Mr. Lam Nam and Silver Star Enterprises Holdings Inc. together control 55.68% interest in the issued Share. Silver Star Enterprises Holdings Inc. is wholly owned by Mr. Lam Nam. Mr. He Rongguo and Guoxiang Holdings (Hong Kong) Limited together controls 12.25% interest in the issued Share. Guoxiang Holdings (Hong Kong) Limited is wholly owned by Mr. He Rongguo. East Asia Oil Engineering Group Limited controls 6.79% interest in the issued Share.

Assuming Mr. Lam Nam, Silver Star Enterprises Holdings Inc., Mr. He Rongguo, Guoxiang Holdings (Hong Kong) Limited and East Asia Oil Engineering Group Limited will not dispose of their interests in the Shares nor will they acquire additional Shares, if the Repurchase Mandate was exercised in full, the percentage shareholding of Mr. Lam Nam and Silver Star Enterprises Holdings Inc. would be increased to approximately 61.86% interest in the issued Share, the percentage shareholding of Mr. He Rongguo and Guoxiang Holdings (Hong Kong) Limited would be increased to approximately 13.62% interest in the issued Share, the percentage shareholding of East Asia Oil Engineering Group Limited would be increased to approximately 7.55% interest in the issued Share. The total percentage shareholding of Mr. Lam Nam, Silver Star Enterprises Holdings Inc., Mr. He Rongguo, Guoxiang Holdings (Hong Kong) Limited and East Asia Oil Engineering Group Limited would be increased to approximately 83.03%.

On the basis of the shareholding interests of Mr. Lam Nam, Silver Star Enterprises Holdings Inc., Mr. He Rongguo, Guoxiang Holdings (Hong Kong) Limited and East Asia Oil Engineering Group Limited in the Company, an exercise of the Repurchase Mandate in full would not result in it becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. In the view of this, an exercise of the Repurchase Mandate in full would not result in them becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. Save as disclosed above, the Directors are not aware of any consequence which may arise under the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

Save as disclosed above, the Directors are not aware of any consequences, which may arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25% of the total number of Shares in issue.

6. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on GEM or otherwise) in the six months immediately preceding the Latest Practicable Date.

7. UNDERTAKING OF DIRECTORS

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

8. INTENTION TO SELL SHARES

None of the Directors nor to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

9. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:
