PROFIT WARNING

This announcement is made by Atlinks Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on a preliminary assessment of the latest unaudited consolidated management accounts of the Company for the six months ended 30 June 2022 and the information currently available to the Board, the Group is expected to record a net loss of not less than EUR0.6 million for the six months ended 30 June 2022 as compared to a net profit of EUR0.5 million for the same period in 2021. The loss was mainly attributable to (i) material shortages which impacted the capability to fulfill customer demand which negatively affected margins; and (ii) the effect of depreciation in Euros against USD.

The Company is currently in the process of finalising the interim results of the Group for the six months ended 30 June 2022. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to it. Such information, including the unaudited consolidated management accounts of the Group for the period, are subject to finalisation and other potential adjustments, if any, and have not been audited or reviewed by the Company’s auditor or reviewed by the audit committee of the Company. Details of the Group’s financial performance for the six months ended 30 June 2022 will be disclosed in the forthcoming interim results announcement, which is expected to be published in August 2022.

Shareholders and potential investors of the Company should exercise caution when dealing in the securities of the Company.
