**PROFIT WARNING**

This announcement is made by Sinofortune Financial Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of the Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders and potential investors of the Company that, based on the information currently available to the Board, the Group is expected to record a loss of approximately HK\$13.5 million for the six months ended 30 June 2022 (the “**Reporting Period**”) as compared to the loss of approximately HK\$9.7 million as recorded in the corresponding period in 2021. The loss is mainly due to the decrease in the selling price of the motor vehicles sold by the Group during the Reporting Period. The Group, with the aim to push up the sales under the widespread preventive and control measures under COVID-19 in the PRC, has lowered the selling price of its motor vehicles. Although the sale volume of the motor vehicles was increased, the profits under this business segment had not improved during the Reporting Period. The Board still remains optimistic to the business performance under the segment of sales of motor vehicles and takes the view that the business performance under this segment will be improved steadily in the latter half of 2022 if the epidemic can be controlled and ease off.

As the Company is still in the process of finalizing its consolidated financial statements for the Reporting Period, the information contained in this announcement is only based on the preliminary assessment by the Board, with reference to the management accounts and the information currently available which are subject to finalization and adjustments, and has not been reviewed by the audit committee nor the auditors of the Company. Further details of the Group's financial results and performance for the Group's Reporting Period will be disclosed in the results announcement for the Reporting Period in accordance with the requirements of the GEM Listing Rules, which is expected to be published before mid August 2022.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
