The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2022 (the “**Period**”) and information currently available to the Board, the Group is expected to record a net loss of not more than RMB25 million for the Period (the six months ended 30 June 2021: net profit RMB5.4 million). The expected loss was mainly due to: (i) the decrease in revenue generated from traditional offline media advertising services which has higher profit margin as some of the major customers that were affected by the COVID-19 pandemic had substantially reduced their traditional offline media advertising budget during the Period; (ii) increase in impairment loss of the trade receivables with slow collection, and (iii) increase in staff costs and rental expense as the Group continued to expand the service capabilities for live-streaming e-commerce business.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available and the unaudited consolidated management accounts of the Group, which have not been audited by the auditor of the Company or reviewed by the audit committee of the Company.
