PROFIT WARNING

This announcement is made by Coolpoint Innonism Holding Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) in accordance with Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2022 and assessment of the information currently available, the Group is expected to incur a net loss and total comprehensive expense between HK\$6.0 million and HK\$7.0 million attributable to the owners of the Company for the six months ended 30 September 2022 (the “**Period**”). As compared with a net loss and total comprehensive expense of approximately HK\$3.2 million for the six months ended 30 September 2021, the deterioration of the Group’s performance was mainly attributable to an increase in the provision for impairment loss of contract assets for the Period.

The Company is still in the process of finalising the unaudited consolidated results of the Group for the six months ended 30 September 2022. The information contained in this announcement is only based on a preliminary assessment made by the Board on the unaudited consolidated management accounts of the Group with reference to the information currently available to the Board and such information has not been reviewed by the auditors of the Company or the audit committee of the Board and may be subject to adjustments where necessary. The finalised unaudited consolidated results of the Group for the six months ended 30 September 2022 are expected to be published on 3 November 2022.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
