# **NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**

## **1. GENERAL INFORMATION**

Shanxi Changcheng Microlight Equipment Co. Ltd. was incorporated in the Mainland of the People's Republic of China (the "**PRC**") on 10 November 2000 as a joint stock limited company. The Company's H shares are listed on the GEM of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**").

## **2. GOING CONCERN BASIS**

As at 30 September 2022, the Group had net current liabilities and net liabilities of approximately RMB228,058,000 and RMB128,683,000 respectively. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern and therefore the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

In addition, the directors of the Company have been taking steps to improve the liquidity position of the Group. These steps include (i) negotiating and implementing debts restructuring plan with shareholders, borrowers and banker; (ii) negotiating and implementing loan interest reduction plan with shareholders and borrowers and (iii) seeking financial support from shareholders and borrowers.

Provided that these measures can successfully improve the liquidity position of the Group, the directors of the Company are satisfied that the Group will be able to meet its financial obligations as and when they fall due for the foreseeable future. Accordingly, the third quarterly financial statements have been prepared on a going concern basis. Should the Group be unable to operate as a going concern, adjustments would have to be made to write down the value of assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities. The effect of these adjustments has not been reflected in the third quarterly financial statements.

### **3. BASIS OF PREPARATION**

The unaudited condensed consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”) (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”) and accounting principles generally accepted in Hong Kong. The unaudited condensed consolidated financial statements also comply with the applicable disclosure requirements of the Hong Kong Companies Ordinance and the applicable disclosure provisions of the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “**GEM Listing Rules**”).

The principal accounting policies and methods of computation used in the preparation of these unaudited consolidated financial statements are consistent with those adopted in the preparation of the annual report of the Company for the year ended 31 December 2021.

These unaudited condensed consolidated financial statements do not include all the information and disclosures required in the annual report and should be read in conjunction with the annual report of the Group for the year ended 31 December 2021.

The unaudited consolidated financial statements are presented in Renminbi (“**RMB**”) and all values are rounded to the nearest thousand except when otherwise indicated.

### **4. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS**

In the current period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the HKICPA that are relevant to its operations and effective for its accounting year beginning on 1 January 2022. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group’s accounting policies, presentation of the Group’s financial statements and amounts reported for the current period and prior year.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The application of these new HKFRSs will not have material impact on the financial statements of the Group.
