(Incorporated in the Cayman Islands with limited liability)

(Stock Code: 8489)

PROFIT WARNING

This announcement is made by Grand Power Logistics Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of The Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the unaudited consolidated management accounts prepared for the three months ended 31 March 2023 (“**Q12023**”) and the preliminary assessment of the latest information currently available to the Board, the Group is expected to record (i) a revenue of approximately HK\$117.0 million for Q12023, as compared to a revenue of approximately HK\$180.6 million for the three months ended 31 March 2022 (the “**Q12022**”), representing a decrease of approximately 35.2%; (ii) a gross profit of approximately HK\$6.1 million for Q12023, as compared to a gross profit of approximately HK\$12.9 million for Q12022, representing a decrease of approximately 52.6%; and (iii) a net loss ranging from approximately HK\$5 million to approximately HK\$8 million for Q12023, as compared to a net profit of approximately HK\$1.6 million for Q12022, representing a decrease ranging from approximately 413.3% to approximately 601.3%.

The expected substantial decrease in revenue and gross profit and the turning from net profit to net loss were mainly attributable to (i) the widened contraction of the economy in Hong Kong during Q12023; (ii) the overall decrease in demand for the freight services of the Group which was affected by the decrease in volume of Hong Kong’s total exports of goods in the face of the difficult economic environment; (iii) the continuous high freight costs despite the easing in supply chain disruptions that were built up over the pandemic and the reduced port congestion level in Q12023, and the inability of the Group to transfer the surging logistics costs to its customers; and (iv) the increase in the administrative and other operating expenses of the Group.

The information contained in this announcement is solely based on the preliminary assessment by the Board upon its review of the unaudited consolidated management accounts of the Group and the latest information currently available to the Board which have not been reviewed by the Company's auditor or audit committee. The financial results of the Group for Q12023 will only be ascertained after all the relevant results and accounting treatments have been finalized. Shareholders and potential investors of the Company are advised to refer to the details of the Company's first quarterly results announcement for Q12023 which will be published on or around 10 May 2023.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
