## **INTRODUCTION**

References are made to the announcements issued by the Company dated 13 December 2022 and 23 February 2023 in relation to the possible transfer of listing of the Shares from GEM to the Main Board pursuant to Chapter 9A of the Main Board Listing Rules.

This announcement is made by the Company pursuant to Rules 9.26 and 17.10(2)(a) of the GEM Listing Rules and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the SFO.

The Board is pleased to announce that on 31 May 2023, the Company submitted a formal application to the Stock Exchange in respect of the Proposed Transfer of Listing pursuant to Chapter 9A of the Main Board Listing Rules. The Proposed Transfer of Listing will not involve any issue of new Shares by the Company.

## **REASONS FOR THE PROPOSED TRANSFER OF LISTING**

The Shares have been listed and traded on GEM since 13 July 2020.

Since the GEM Listing, the Group has achieved business growth in its revenue and profit. The Directors consider that since listing on the Main Board is subject to more stringent profit and market capitalisation requirements, investors generally perceive Main Board issuers with a higher premium status. Therefore, the listing of the Shares on the Main Board would further promote the Group's corporate profile and recognition among public investors, and would increase the attractiveness of its Shares to investors, broaden the Group's investor base and enhance the trading liquidity of the Shares. Furthermore, obtaining a listing status on the Main Board will further strengthen the Group's position in the industry and enhance the Group's competitive strengths in retaining staff, attracting customers and suppliers, and exploring new business opportunities. Therefore, the Directors believe that the Transfer of Listing will be beneficial to the future growth, financing flexibility and business development of the Group which will create a long-term value to the Shareholders.

In light of the above, the Directors are of the view that the Proposed Transfer of Listing is in the interests of the Company and the Shareholders as a whole.

## **CONDITIONS OF THE PROPOSED TRANSFER OF LISTING**

The Proposed Transfer of Listing is conditional upon, among others:

- (i) the Company's fulfilment of all the applicable requirements for listing on the Main Board as stipulated in the Main Board Listing Rules;
- (ii) the Stock Exchange granting approval for the listing of, and permission to deal in all Shares in issue on the Main Board; and

(iii) all other relevant approvals or consents required or in connection with the implementation of the Proposed Transfer of Listing having been obtained, and the fulfilment of all conditions which may be attached to such approvals or consents, if any.

## **NO CHANGE IN PRINCIPAL BUSINESS**

The Group primarily engages in the design and development, manufacturing and sales of disposable plastic food storage containers, and to a lesser extent, operating of e-commerce business by offering daily necessities and other household goods. With a view of diversifying its business and broadening its revenue stream, the Group has expanded into the e-commerce industry with the completion of acquisition of Youpinhui Enterprise in June 2022, which has built the foundation for the establishment of its “Yihe Tianxia (易和天下)” app platform in July 2022. “Yihe Tianxia” is an online shopping platform which offers daily necessities, beauty and skin care products, household appliances, domestic special agricultural products and other products, and is available on Android and iOS mobile terminals. The Directors consider that the Group’s pursuit of new business opportunities would not have a material impact on its disposable plastic food storage container business, being the Group’s principal business. The Directors are of the view that despite these new business pursuits, there has been no change in the principal business of the Group since the GEM Listing and up to the date of this announcement. As at the date of this announcement, the Board has no plans to change the nature of the principal business of the Group up to and following the Proposed Transfer of Listing.

## **NO CHANGE IN CONTROL**

At the time of the GEM Listing, Prize Investment owned 301,500,000 Shares, being 50.25% of the then entire issued share capital of the Company. Prize Investment was wholly owned by Mr. Xu at the time of the GEM Listing. As at the date of this announcement, (i) Prize Investment owns 301,500,000 Shares, representing approximately 40.28% of the entire issued share capital of the Company and remains wholly owned by Mr. Xu; and (ii) Mr. Xu, through Prize Investment and his own shareholding in the Company, is interested in 375,982,760 Shares, representing approximately 50.23% of the entire issued share capital of the Company.
