CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

INTRODUCTION

The purpose of this circular is to provide you with information regarding the proposals for (a) the Issue Mandate and Extension Mandate, (b) the Repurchase Mandate, (c) re-election of the retiring Directors, and (d) the Proposed Amendments, to seek your approval at the AGM in connection with, inter alia, such matters.

ISSUE MANDATE AND EXTENSION MANDATE

At the annual general meeting held on 30 June 2022, the Shareholders of the Company passed an ordinary resolution to grant a new general mandate to the Directors to allot, issue and deal with Shares. Such new general mandate will lapse at the conclusion of the AGM. It is therefore proposed to renew such general mandate at the AGM.

Ordinary resolutions will be proposed at the AGM to grant to the Directors the Issue Mandate and the Extension Mandate. The Issue Mandate will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Issue Mandate by ordinary resolution of the Shareholders in general meeting. Details of the Issue Mandate and the Extension Mandate are set out in ordinary resolutions number 4 and 6 respectively in the Notice of AGM.

As at the Latest Practicable Date, a total of 576,566,055 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 115,313,211 Shares.

REPURCHASE MANDATE

Also at the annual general meeting held on 30 June 2022, the Shareholders passed an ordinary resolution to grant a new general mandate to the Directors to exercise the powers of the Company to repurchase Shares. Such new general mandate will lapse at the conclusion of the AGM. It is therefore proposed to renew such general mandate at the AGM.

An ordinary resolution will be proposed at the AGM to grant to the Directors the Repurchase Mandate, details of which are set out in ordinary resolution number 5 in the Notice of AGM. The Repurchase Mandate will expire at the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

An explanatory statement as required under the GEM Listing Rules, giving certain information regarding the Repurchase Mandate, is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 87 of the Articles of Association, Mr. Chan Nap Kee, Joseph shall retire from office by rotation at the AGM, and being eligible, offered himself for re-election as Director at the AGM.

According to Code provisions B.2.3 of Appendix 15 Corporate Governance Code and Corporate Governance Report of the GEM Listing Rules, if an independent non-executive director serves more than 9 years, his further appointment should be subject to a separate resolution to be approved by shareholders.

As Dr. Wong Yun Kuen and Mr. Liew Swee Yean served for more than 9 years, accordingly, their further appointments should be subject to separate resolutions to be approved by shareholders. Being eligible, Dr. Wong Yun Kuen and Mr. Liew Swee Yean offer themselves for re-election.

Brief biographical details of the retiring Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

PROPOSED AMENDMENTS TO THE MEMORANDUM AND ARTICLES OF ASSOCIATION

To comply with the new GEM Listing Rules requirements regarding the adoption of “Core Standards” for shareholders’ information and protection, the Board proposes to amend the Company’s existing Memorandum and Articles of Association as follows:

- (a) to provide that an annual general meeting of the Company is held in each financial year, rather than calendar year;
- (b) to provide that all members have the right to speak and vote at a general meeting, unless specifically required to abstain from voting by the GEM Listing Rules;
- (c) to provide that an ordinary, rather than special, resolution of members is required to appoint and remove the Company’s auditors;

In addition, to align with the legislative amendments under Cayman Islands law, the Board proposes to amend the Memorandum and Articles of Association to update the reference to the relevant Cayman legislation.

Details of the Proposed Amendments are set out in Appendix III to this circular. The legal advisors to the Company have confirmed that the Proposed Amendments comply with the requirements of the Listing Rules and do not violate Cayman Islands law.

The Proposed Amendments are prepared in the English language. The Chinese translation of the memorandum and articles of association is for reference only. In case there are any inconsistencies between the English version and the Chinese version, the English version shall prevail.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By order of the Board
Kaisun Holdings Limited
CHAN Nap Kee, Joseph
Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide you with requisite information for your consideration of the Repurchase Mandate.

1. GEM LISTING RULES RELATING TO REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. EXERCISE OF THE REPURCHASE MANDATE

Subject to the passing of the resolution granting the Repurchase Mandate and assuming that no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate, on the basis of 576,566,055 Shares in issue at the Latest Practicable Date, could result in up to 57,656,605 Shares being repurchased by the Company during the period up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws to be held; or (iii) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

3. REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws of the Cayman Islands. The law of the Cayman Islands provides that the amount to be repaid in connection with a share repurchase may be paid from the profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the repurchase or out of capital, if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account. The Company may not purchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company's latest published unaudited financial statements for the first quarter ended 31 March 2023) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates (as defined in the GEM Listing Rules), have any present intention, if the Repurchase Mandate is exercised, to sell Shares to the Company or its subsidiaries.

No connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company or has undertaken not to sell any Shares held by him to the Company in the event that the Repurchase Mandate is granted.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date the Substantial Shareholders (as defined in the GEM Listing Rules) and their respective interests in the issued share:

Name of Shareholders	Capacity	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Chan Nap Kee, Joseph	Beneficial Owner (Note 1)	167,263,298	29.01%	32.23%
Yeung Po Yee, Bonita	Interest of spouse (Note 2)	167,263,298	29.01%	32.23%
Zhang Xiongfeng	Beneficial Owner	81,950,000	14.21%	15.79%
Wu Mingqin	Interest of spouse (Note 3)	81,950,000	14.21%	15.79%

Notes:

- As at the latest practicable date, 167,263,298 shares were beneficially owned by Mr. Chan Nap Kee (“Mr. Chan”) representing 29.01% of the issued share capital of the Company. Of these 2,004,000 shares were awarded to Mr. Chan as Director on 30 December 2015 under the Share Award Scheme 2013, 3,081,000 shares were shares awarded to Mr. Chan as Director under Share Award Scheme 2016 on 22 March 2018.

Save as disclosed above, the Directors were not aware of any other person (other than the directors and the chief executives of the Company) who, as at latest practicable date, had, or was deemed to have, interests or short positions in the Shares or underlying Shares, which would fall to be disclosed to the Company and the Stock Exchange under provisions of Divisions 2 & 3 of Part XV of the SFO.

On the above basis, the exercise of the Repurchase Mandate in full may give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code for the Substantial Shareholders to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.
