VOLUNTARY ANNOUNCEMENT CRYPTOCURRENCY MARKET DATA RELEASE

This announcement is published by TradeGo FinTech Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) on a voluntary basis. The purpose of this announcement is to keep the shareholders of the Company (the “**Shareholders**”) and potential investors informed of the latest business development of the Group.

The board (“**the Board**”) of directors of the Company (the “**Directors**”) is pleased to announce that the Group released cryptocurrency market data through the international version of its integrated trading software, TradeMart (“**TradeMart**”), on June 9 2023, following extensive research and testing. Users of TradeMart can now access real-time market data on major cryptocurrencies. This release is compliant with relevant regulatory requirements and is currently only available to non-mainland users, displaying only real-time buy and sell orders and not allowing transactions. The management of the Group believes that the market data release can enable users to access more comprehensive and timely information, and aims to expand the provision of cryptocurrency market data and software system services by leveraging our existing customer base. The Group will closely monitor the regulatory policies of the Securities and Futures Commission of Hong Kong and develop our cryptocurrency-related business with a prudent approach. In the future, the Group will continue to increase its research and development investment and promote product upgrades to constantly enhance its core competitiveness.
