XINYI ELECTRIC STORAGE HOLDINGS LIMITED

信義儲電控股有限公司

(Incorporated in the Cayman Islands with limited liability)

(Stock code: 08328)

PROFIT WARNING FOR THE SIX MONTHS ENDED 30 JUNE 2023

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Xinyi Electric Storage Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2) of The Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the inside information provisions (the “**Inside Information Provisions**”) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

Following a preliminary review of the currently available information which includes, but without limitation to, the unaudited consolidated management accounts of the Group for the six months ended 30 June 2023, the Board wishes to inform the shareholders (the “**Shareholders**”) and the prospective investors of the Company that the amount of the unaudited consolidated profit attributable to owners of the Company (the “**Net Profit**”) for the six months ended 30 June 2023 (the “**2023-1H**”) is expected to decrease significantly by 35% to 45% to the range between HK\$12.0 million and HK\$14.2 million, as compared to the Net Profit of HK\$21.8 million for the six months ended 30 June 2022. The decrease in the Net Profit during the 2023-1H was primarily due to the following:

- (a) decreases in the overall gross profit margin, which was mainly attributable to the increasing sales of industrial and commercial energy storage products and the low gross profit margin for certain projects undertaken in respect of the provision of engineering, procurement and construction (EPC) services for photovoltaic power stations and

(b) increases in the finance costs because of the increasing use of the banking facilities for business expansion.

The Company is in the process of finalising the unaudited consolidated interim results of the Group for the 2023-1H. Hence, the information disclosed in this announcement represents a preliminary assessment by the Board based on the currently available information which includes, but without limitation to, the unaudited consolidated management accounts of the Group for the 2023-1H. The unaudited consolidated interim results of the Group for the 2023-1H may change following the review by the Board. The information set forth in this announcement has not been reviewed by the external auditors of the Company or the audit committee of the Board.

The Board expects that the announcement of the unaudited consolidated interim results of the Group for the 2023-1H will be published by the middle of August 2023 in full compliance with the requirements under the GEM Listing Rules.

Shareholders and prospective investors of the Company are advised to exercise caution when dealing in the shares of the Company.
