The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors of the Company that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the three months ended 30 June 2023 (the “**Period**”) and information currently available to the Board, the Group is expected to record a loss before taxation not exceeding HK\$8 million for the Period (as compared to a loss before taxation of approximately HK\$3 million for the respective Period in 2022 (the “**Previous Period**”)).

The increase in loss was mainly attributable to the effects of (i) a decrease in turnover due to the slower than expected recovery of global trading following the COVID-19 Pandemic, as well as drops in demand for cargo spaces because of the global economic downturn; (ii) the unit costs of air and sea cargo spaces remained at a high level; and (iii) an increase in storage costs when compared with the Previous Period.

The information contained in this announcement is only based on the preliminary assessment made by the Board on the Group’s unaudited consolidated management accounts for the Period and the information currently available to the Board, which has not been confirmed or reviewed by the Company’s auditor or the audit committee of the Company. As the Company is still in the process of finalising the unaudited consolidated results of the Group for the Period, the above information may be subject to necessary adjustments.

Shareholders and potential investors are advised to read carefully the first quarterly results announcement of the Group for the Period, which is expected to be published on 14 August 2023.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
