INSIDE INFORMATION EXPECTED SIGNIFICANT DECREASE IN LOSS

This announcement is made by Sinopharm Tech Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on information that is currently available to the management of the Company and the preliminary review of the Group’s unaudited consolidated management accounts, the Group is expected to record the loss attributable to equity holders of the Company for the year ended 30 June 2023 to decrease in the range between 80% and 90%, as compared with the loss attributable to equity holders of the Company of approximately HK\$88.0 million for the year ended 30 June 2022. The significant decrease in loss was mainly attributable to, among other things, (i) gain on disposal of locked-up shares related to profit guarantee; (ii) gain on settlement of loans by shares issued; (iii) less impairment losses on goodwill; and (iv) the company having strengthened its efforts in cost control, resulting in less administrative and operating expenses.

The Company is in the process of finalising the annual results of the Group for the year ended 30 June 2023. The information contained in this announcement is compiled based on the preliminary assessment by the management of the Company on the unaudited consolidated management accounts of the Group for the year ended 30 June 2023, which have not been

reviewed by the auditor or the audit committee of the Company. The annual results of the Group for the year ended 30 June 2023 are expected to be announced on 29 September 2023.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
