INSIDE INFORMATION – PROFIT WARNING

This announcement is made by GET Holdings Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (“**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review and analysis of the latest available unaudited financial information of the Group, the Group is expected to record a net loss of approximately HK\$7.9 million for the nine months ended 30 September 2023 (“**2023 Third Quarterly Period**”) which is similar to the net loss of approximately HK\$7.9 million for the nine months ended 30 September 2022 (“**2022 Third Quarterly Period**”). The expected loss for the 2023 Third Quarterly Period was primarily the combined effects of (i) segment profit of the software business of the Group of approximately HK\$3.4 million (2022 Third Quarterly Period: segment profit of approximately HK\$12.9 million) of which the decrease in profit was primarily attributable to the decrease in revenue in that segment due to the fierce competition in the software industry and the impairment loss on goodwill of approximately HK\$4.0 million (2022 Third Quarterly Period: nil); (ii) segment loss of the securities investment business of the Group of approximately HK\$3.5 million (2022 Third Quarterly Period: loss of approximately HK\$8.1 million); (iii) segment profit of the corporate management solutions and information technology contract services business of the Group of approximately HK\$0.46 million (2022 Third Quarterly Period: profit of approximately HK\$1.5 million) of which the decrease in profit was primarily attributable to the keen competition in the I.T. market; (iv) segment loss of the business-to-customer online sales platform and business-to-business product trading business of the Group of approximately HK\$0.19 million (2022 Third Quarterly Period: loss of approximately HK\$3.9 million) of which the decrease in loss was primarily attributable to the scaling down of this business segment since the second half of 2022; (v) interest income of approximately HK\$1.3 million (2022 Third Quarterly Period: approximately HK\$73,000); and (vi) off-set by other corporate expenses of approximately HK\$8.6 million (2022 Third Quarterly Period: approximately HK\$8.6 million).
