NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Grand Power Logistics Group Limited (the “**Company**”, together with its subsidiaries are collectively referred to as the “**Group**”) was incorporated in the Cayman Islands as an exempted company with limited liability on 29 March 2018 under the Companies Act of the Cayman Islands. The shares of the Company were listed on GEM of the Stock Exchange on 13 January 2021 (the “**Listing**” or “**Listing Date**”). The address of the Company’s registered office is Cricket Square, Hutchins Drive, P. O. Box 2681, Grand Cayman KY1-1111, Cayman Islands. The Company’s principal place of business in Hong Kong and the Group’s headquarter is situated at Unit 611, 6/F, Tower 1 Harbour Centre, 1 Hok Cheung Street, Hung Hom, Kowloon, Hong Kong.

The Company is an investment holding company and its subsidiaries are principally engaged in the provision of air-freight and ocean-freight forwarding services as an integrated logistics services provider.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Group’s unaudited condensed consolidated financial statements for the nine months ended 30 September 2023 (the “**Condensed Consolidated Financial Statements**”) have been prepared in accordance with the Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”) and the applicable disclosure requirements of the GEM Listing Rules.

The accounting policies adopted in preparing the Condensed Consolidated Financial Statements are consistent with those adopted in preparing the annual report of the Company for the year ended 31 December 2022 except for the new and revised HKFRSs issued by the HKICPA that are effective for the current accounting period of the Group. At the date of authorisation of the Condensed Consolidated Financial Statements, the Group has not early adopted the new and revised HKFRSs that have been issued but are not yet effective for the current period.

HKFRSs as at 30 September 2023

HKICPA has issued the following revised HKFRSs, which are effective for the financial year ending 31 December 2023:

The accounting policies adopted in the preparation of the interim condensed consolidated financial information are consistent with those applied in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2022, except for the adoption of the following revised HKFRSs for the first time for the current period's financial information.

HKFRS 17	Insurance Contracts
Amendments to HKAS 8	Definition of Accounting Estimates
Amendments to HKAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction
Amendments to HKAS 12	International Tax Reform — Pillar Two Model Rules

Except as described below, the application of the new and amendments to HKFRSs in the current interim period has had no material impact on the Group's financial positions and performance for the current and prior periods and/or on the disclosures set out in this unaudited condensed consolidated interim financial information.

Amends to HKAS 8 "Definition of Accounting Estimates"

The amendments define accounting estimates as "monetary amounts in financial statements that are subject to measurement uncertainty". An accounting policy may require items in financial statements to be measured in a way that involves measurement uncertainty. In such a case, an entity develops an accounting estimate to achieve the objective set out by the accounting policy. The amendments to HKAS 8 clarify the distinction between changes in accounting estimates, and changes in accounting policies and the correction of errors.

The application of the amendments in the current period had no material impact on the interim financial information.

Impacts on application of Amendments to HKAS 1 and HKFRS Practice Statement 2 “Disclosure of Accounting Policies”

In addition, the Group will apply Amendments to HKAS 1 and HKFRS Practice Statement 2 Disclosure of Accounting Policies which are mandatorily effective for the Group’s annual period beginning on 1 January 2023 for the preparation of the Group’s consolidated financial statements for the year ending 31 December 2023.

HKAS 1 is amended to replace all instances of the term “significant accounting policies” with “material accounting policy information”. Accounting policy information is material if, when considered together with other information included in an entity’s financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements.

The amendments also clarify that accounting policy information may be material because of the nature of the related transactions, other events or conditions, even if the amounts are immaterial. However, not all accounting policy information relating to material transactions, other events or conditions is itself material. If an entity chooses to disclose immaterial accounting policy information, such information must not obscure material accounting policy information.

HKFRS Practice Statement 2 Making Materiality Judgements (the “**Practice Statement**”) is also amended to illustrate how an entity applies the “four-step materiality process” to accounting policy disclosures and to judge whether information about an accounting policy is material to its financial statements. Guidance and examples are added to the Practice Statement.

The application of the amendments in the current period had no material impact on the interim financial information but is expected to affect the disclosures of the Group’s accounting policies in the Group’s annual consolidated financial statements for the year ending 31 December 2023.

The application of the amendments to HKFRSs has had no material impact on the Group's financial performance and position for the current and prior periods and/or on the disclosures set out in the Condensed Consolidated Financial Statements.

The preparation of the Condensed Consolidated Financial Statements required the management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses on a year to date basis. Actual results may differ from these estimates.

The Condensed Consolidated Financial Statements have not been audited by the Company's auditors but have been reviewed by the audit committee of the Company (the "Audit Committee").

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS AND FINANCIAL REVIEW

The Group is a long-established freight forwarder headquartered in Hong Kong, with sales force in Hong Kong and six regional offices in the People's Republic of China (the "PRC"), including Shanghai, Shenzhen, Guangzhou, Xiamen, Tianjin and Suzhou, focusing on the market in Hong Kong, the PRC and Macau.

The Group is principally engaged in providing air and ocean export and import freight forwarding services, which involve arranging shipments upon receipt of booking instructions from its customers, obtaining cargo space from cargo space suppliers (including airlines, shipping liners and other freight forwarders) and preparing the relevant documentations (such as customs clearance from the origin of consignment). The Group also arranges ancillary logistics services to its air freight forwarding services, including cargo pick up, cargo handling at ports and local transportation and warehousing related services (such as repackaging, labelling, palletising, customs clearance and warehousing) to meet the requirements of its customers.

REVENUE

The Group derives its revenue from two business segments, namely air freight forwarding services and ocean freight forwarding services, which include both import and export of goods. For Q32023, the Group recorded a revenue of approximately HK\$529.8 million (Q32022: approximately HK\$517.8 million), representing an increase of approximately 2.3% as compared with that of Q32022.

The table below sets forth the breakdown of the Group's revenue by business segment for the periods indicated:

	Q32023 (Unaudited)		Q32022 (Unaudited)	
	HK\$'000	%	HK\$'000	%
Air freight forwarding	520,292	98.2	444,299	85.8
Ocean freight forwarding	9,460	1.8	73,475	14.2
	529,752	100.0	517,774	100.0

Air freight forwarding

The Group's business focus is the provision of air freight export services from the PRC, Hong Kong and Macau to over 120 countries in Europe, Asia, North America and other regions (including South America, Oceania and Africa).

The Group's revenue from air freight forwarding segment increased by approximately 17.1% to approximately HK\$520.3 million for Q32023 (Q32022: approximately HK\$444.3 million). Such increase was primarily because of an increase in demand for the chartered aircraft freight forwarding services of the Group during Q32023.

Ocean freight forwarding

The Group's revenue from ocean freight forwarding segment decreased by approximately 87.1% to approximately HK\$9.5 million for Q32023 (Q32022: approximately HK\$73.5 million), primarily because of the absence of orders during Q32023 from a key customer, who had contributed a large volume of shipments in the same period last year.

Cost of services

The Group's cost of services mainly include the cost of cargo spaces, security charge, terminal charge and fuel surcharge was approximately HK\$499.5 million for Q32023 (Q32022: approximately HK\$495.6 million).

Gross profit and gross profit margin

The Group's gross profit increased by approximately 36.5% to approximately HK\$30.3 million for Q32023 (Q32022: approximately HK\$22.2 million), which was primarily due to the increase in revenue coupled with a stable cost of services. The Group's gross profit margin also increased from approximately 4.3% for Q32022 to approximately 5.7% for Q32023.

Administrative and other operating expenses

The Group's administrative and other operating expenses primarily comprise staff costs, entertainment and travelling expenses, depreciation, office expenses, rent and rates, legal and professional fees, bank charges, internet and computer expenses and others such as storage charges.

The Group's administrative and other operating expenses increased by approximately 12.3% to approximately HK\$34.8 million for Q32023 (Q32022: approximately HK\$31.0 million), which was mainly attributable to the increase in expenses for business development with suppliers and customers after the full resumption of normal operations and travel between Hong Kong and PRC.

Loss for the period

Due to the above factors, despite the continuous improvement during Q32023, the Group still recorded a net loss of approximately HK\$5.5 million for Q32023 (Q32022: approximately HK\$8.8 million).

OUTLOOK AND PROSPECTS

The freight forwarding industry will continue to face changes due to various challenges such as war, geopolitics, inflation, overcapacity, workforce transformation, and new policies and regulations during the second half of 2023. All these changes are driving reconfiguration, reshoring, and digitalization in the industry. However, they also pose challenges such as a decline in global freight prices, geopolitical risks, rising costs, and a shortage of depot space for goods. The Group will need to develop innovative solutions to remain competitive, such as exploring new supply chain routes, optimizing operations, and adopting digital technologies. Looking forward, with the aim of further developing its business and continuing its growth, the Group will continue to implement the following strategies:

- strengthen the Group's market position in Hong Kong and the PRC by purchasing more cargo spaces in order to cater for its customers' demand;
- expand the Group's reach to potential customers in the PRC; and
- continue to improve the Group's ability to obtain cargo spaces through closer collaboration with airlines.

CORPORATE GOVERNANCE CODE

During Q32023, the Company had applied the principles and complied with all applicable code provisions of the Corporate Governance Code (the “**CG Code**”) as set out in Appendix 15 to the GEM Listing Rules, save and except the deviation below:

Chairman and Chief Executive Officer

Pursuant to paragraph C.2.1 of the CG Code, the roles of chairman and chief executive should be separate and should not be performed by the same individual. The roles of chairman and chief executive officer of the Company are currently both performed by Mr. Chiu. The Board believes that having Mr. Chiu acting as both the chairman and chief executive officer will provide a strong and consistent leadership to the Group and allow for more effective strategic planning and management of the Group. Further, in view of Mr. Chiu's experience in the industry, personal profile and role in the Group and the historical development of the Group, the Board believes that it is to the benefit of the Group and its business prospects that Mr. Chiu continues to act as both the chairman and chief executive officer. The Board considers that the balance of power and authority of the present arrangement will not be impaired as the Board comprises six other experienced and high-caliber individuals including one other executive Director, two non-executive Directors and three independent non-executive Directors, who would be able to offer advice from various perspectives. In addition, for major decisions of the Group, the Company will consult appropriate Board committees and senior management. Considering the present size and the scope of business of the Group, the Board considers that it is not in the best interest of the Company and the Shareholders as a whole to separate the roles of the chairman and the chief executive officer, because such separation would render the decision-making process of the Company less efficient than the current structure. Therefore, the Directors consider that the present arrangement is beneficial to and in the interest of the Company and the Shareholders as a whole and the deviation from paragraph C.2.1 of the CG Code is appropriate in such circumstances.

In order to maintain good corporate governance and to fully comply with paragraph C.2.1 of the CG Code, the Board will regularly review the need to appoint different individuals to perform the roles of chairman of the Board and chief executive separately.

CODE OF CONDUCT FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has adopted the code of conduct for securities transactions by Directors on terms no less exacting than the required standard of dealings as set out in the Model Code. Pursuant to rule 5.66 of the Model Code, the Directors have also requested any employee of the Company or director or employee of a subsidiary of the Company who, because of his office or employment in the Company or a subsidiary, is likely to possess inside information in relation to the securities of the Company, not to deal in securities of the Company when he would be prohibited from dealings by the Model Code as if he was a Director.

The Company had made specific enquiries to all Directors, whom had confirmed that they had complied with the required standards of dealings set out in the Model Code during Q32023. In addition, the Company was not aware of any non-compliance of the Model Code by the senior management of the Group during Q32023.
