GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

MANAGEMENT DISCUSSION AND ANALYSIS

FINANCIAL AND BUSINESS REVIEW

During the nine months ended 30 September 2023, the Group is principally engaged in (i) financial services business including securities brokerage services, provision of corporate finance advisory services, asset management business and money lending services; (ii) corporate consulting business including company secretarial services, accounting and financial reporting services and management consulting services; and (iii) digital business and entertainment operations that leverages blockchain, artificial intelligence, and immersive interaction technologies to create value and protection to individuals, creators, artists, businesses and brand owners, and offers various opportunities within the entertainment sector, including the organisation/production of and investment in concerts, events and festivals.

Since the performance of the trading business was unsatisfactory for the past years, on 23 September 2022, the Group disposed of the trading business to an independent third party. Upon the disposal, the Group ceased to have any interest in the trading business. The disposal allowed the Group to reallocate more resources on the remaining businesses.

For the nine months ended 30 September 2023, the Group's continuing operations recorded revenue of approximately HK\$7.3 million (nine months ended 30 September 2022: approximately HK\$15.5 million). Loss for the period attributable to owners of the Company was approximately HK\$21.2 million (nine months ended 30 September 2022: approximately HK\$16.7 million). The increase in loss was mainly attributable to (i) the decline in revenue of approximately HK\$8.0 million in financial services business resulted from the termination of asset management services by a private equity fund during the nine months ended 30 September 2023 and the decrease in number of corporate finance advisory engagements and advisory fee in average under a keen competitive environment in corporate finance sector; and (ii) the decrease in overall operating costs of approximately HK\$2.6 million to maintain the Group's competitiveness. Basic and diluted loss per share for continuing operations was approximately HK\$3.71 cents (nine months ended 30 September 2022: approximately HK\$3.72 cents).

Financial services business

The revenue for the nine months ended 30 September 2023 of the financial services business was approximately HK\$2.9 million (nine months ended 30 September 2022: approximately HK\$10.9 million) and a segment loss of approximately HK\$1.0 million (nine months ended 30 September 2022: segment profit of approximately HK\$5.2 million). The decline in revenue was mainly attributable to (i) the termination of asset management services by a private equity fund during the period; and (ii) the slight decrease in revenue in corporate finance advisory business due to a keen competitive environment across the corporate finance sector which significantly lowered the advisory fee in average.

FINANCIAL AND BUSINESS REVIEW (Continued)

Financial services business (Continued)

The Group's money lending business was conducted through its wholly-owned subsidiary, Merdeka Credit Limited, to grant loans to individuals and enterprises. The Group strived to adhere to a set of comprehensive policy and procedural manual in respect of loan approval, loan renewal, loan recovery, loan compliance, monitoring and anti-money laundering.

As at 30 September 2023, the Group had loans receivable with gross principal amount of approximately HK\$5.2 million (31 December 2022: approximately HK\$4.7 million). The Group recorded interest income from loans receivable of approximately HK\$0.4 million for the nine months ended 30 September 2023 (nine months ended 30 September 2022: approximately HK\$0.5 million).

During the nine months ended 30 September 2023, the Group granted 2 loans to an individual and an enterprise, all of them are independent third parties. As at 30 September 2023, 5 loans were outstanding, with terms ranging from 6 months to 29 months, interest rate ranging from 8% to 15% per annum and with no collaterals. As at 30 September 2023, the principal amount outstanding from the four largest borrowers of the Group together amounted to approximately HK\$5.2 million (representing 100.0% to the total loans receivable of the Group) while the principal amount outstanding from the largest borrower amounted to approximately HK\$2.0 million (representing approximately 38.5% to the total loans receivable of the Group).

The Group has adopted a credit policy to manage its money lending business which includes compliance with all applicable laws and regulations, credit assessment on potential borrower and his/its assets, the credibility of the potential borrower, the necessity in obtaining collaterals and determination of suitable interest rate to reflect the risk level of the provision of loan.

The Group has performed background and credit risk assessment on the potential borrowers before granting the loans by (a) global searching on their identity and background; (b) reviewing and assessing their financial information; and (c) performing an assessment on their creditability.

The Group also assesses and decides the necessity and the value of security/collateral for granting of each loan, whether to an individual or enterprise, on a case by case basis considering factors, including but not limited to, the repayment history, results of public search towards the borrower, the value and location of the assets owned by the borrower and the financial condition of the borrower.

In order to monitor the risks associated with loans receivable, subsequent repayment record of each loan receivable will be closely monitored and periodic reviews on loan portfolio will be conducted by the Group. In the event of failure to repay interest or principal amount by the due date, the Group will issue overdue payment reminders to the relevant borrower, instruct its legal advisers to issue demand letters for loans overdue for a longer period of time, negotiate with the borrower for the repayment or settlement of the loan and/or commences legal actions against the borrower.

FINANCIAL AND BUSINESS REVIEW (Continued)

Corporate consulting business

The performance of corporate consulting business remained stable that it recorded a revenue of approximately HK\$3.1 million (nine months ended 30 September 2022: approximately HK\$3.8 million) and recorded a segment profit of approximately HK\$2.1 million (nine months ended 30 September 2022: approximately HK\$1.6 million) during the nine months ended 30 September 2023. The slight drop in revenue for corporate consulting business was mainly attributable to the reduction of number of company secretarial clients.

Digital business

Upon the completion of the acquisition of NOIZChain on 4 July 2022, the Group has been diversified into the business area harnessing blockchain, artificial intelligence, and immersive interaction technologies to create value and protection to individuals, creators, artists and brand owners. The revenue for the nine months ended 30 September 2023 of digital business was approximately HK\$1.2 million (nine months ended 30 September 2022: approximately HK\$0.8 million) and a segment loss of approximately HK\$2.5 million (nine months ended 30 September 2022: approximately HK\$1.1 million). Some of the projects of digital business have been postponed due to the slump of the market sentiment as caused by the collapse of FTX (a global cryptocurrency exchange platform), Silicon Valley Bank and Signature Bank (both being crypto-friendly U.S. banks) in early 2023 and JPEX, the most recent case, in Hong Kong.

Financial assets at fair value through profit or loss

As at 30 September 2023, the Group managed a listed security investment with fair value of approximately HK\$0.4 million (31 December 2022: approximately HK\$0.3 million). DIRECTORS' INTERESTS IN COMPETING BUSINESS

Ms. Tsang Kwai Ping, an executive Director, is a director of Bridgeharbour (HK) Management Service Company Limited (“**BMSCL**”), a company incorporated in Hong Kong with limited liability which is principally engaged in the provision of company secretarial services for non-listed Hong Kong companies in Hong Kong. The business of BMSCL competes or is likely to compete, either directly or indirectly of the company secretarial services business of the Group. To safeguard the Group’s interest, Ms. Tsang has irrevocably and unconditionally provided the Company an undertaking in accordance with the terms and conditions under outside interests and non-competition undertaking set out in her service agreement.

As the Board is independent of the board of the aforesaid company and maintains three independent non-executive Directors, the Group operates its businesses independently of, and at arm’s length from, the businesses of the aforesaid company.

For the nine months ended 30 September 2023, save as disclosed above, no other Directors or their respective associates (as defined in the GEM Listing Rules) had any interest in a business which competes or is likely to compete, either directly or indirectly, with the business of the Group.

REQUIRED STANDARD FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has not adopted a code of conduct nor established written guidelines regarding the securities transactions by the Directors and relevant employees of the Company but has applied the principles of the required standard of dealings set out in rules 5.48 to 5.67 of the GEM Listing Rules (the “**Required Standard of Dealings**”).

All Directors have confirmed, following the specific enquiry by the Company, that they have complied with the Required Standard of Dealings throughout the period and up to the date of this report.

PURCHASE, SALE OR REDEMPTION OF THE LISTED SECURITIES

Neither the Company, nor any of its subsidiaries has purchased, sold or redeemed any of the Company’s listed securities during the period for the nine months ended 30 September 2023.

COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE

Throughout the period ended 30 September 2023, to the best knowledge of the Board, the Company has applied the principles and complied with all the applicable code provisions set out in the Corporate Governance Code in Appendix 15 of the GEM Listing Rules (the “**CG Code**”) except for the deviation as mentioned below.

Code Provision C.2.1

Pursuant to the code provision C.2.1 of the CG Code stipulates that the roles of chairman and chief executive should be separate and should not be performed by the same individual.

Mr. Wong Hin Shek currently assumes the roles of both the Chairman and the Chief Executive Officer. This is at variance with code provision C.2.1 of the CG Code, which provides that the roles of chairman and chief executive should be separate and should not be performed by the same individual. The Board considered that the powers and authorities have not been concentrated due to no separation of the positions of the Chairman and the Chief Executive Officer as all major decisions of the Company have been made in consultation with the Board and appropriate Board committees, as well as senior management. In addition, there are three independent non-executive Directors offering their experience, expertise, independent advice and views from different perspectives. Therefore, the Board is of the view that there are adequate balance of power and safeguards in place. The Board will regularly review the effectiveness of the structure of the Board to ensure that it is appropriate to the Group’s circumstances.

AUDIT COMMITTEE

The Company has established the audit committee (the “**Audit Committee**”) in accordance with the GEM Listing Rules with terms of reference aligned with the provision of the CG Code as set out in Appendix 15 to the GEM Listing Rules.

The main duties of the Audit Committee include: (i) reviewing the quarterly, half-yearly and annual results of the Group; (ii) reviewing the risk management and internal control systems, the effectiveness of the internal audit function of the Group; (iii) ensuring the objectivity and credibility of the Company’s financial reporting and internal control procedures as well as to maintain an appropriate relationship with the external auditor of the Company; and (iv) reviewing and investigation of reports of the whistleblowing policy and systems.

As at the date of this report, the Audit Committee comprises of three independent non-executive Directors, namely Ms. Ng Ka Sim, Casina, Mr. Wong Wing Kit and Ms. Yeung Mo Sheung, Ann, with at least one of whom has professional qualifications or accounting or related financial management expertise as required in rule 5.05(2) of the GEM Listing Rules.

AUDIT COMMITTEE (Continued)

The Audit Committee has reviewed with the senior management of the Company the unaudited condensed consolidated third quarterly results of the Group for the nine months ended 30 September 2023 and this report, and was of the opinion that such results and this report had complied with the applicable accounting standards, the requirements under the GEM Listing Rules and other applicable legal requirements and that adequate disclosures had been made.
