CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully

On behalf of the Board

Shenglong Splendecor International Limited

Sheng Yingming

Chairman, Executive Director and Chief Executive Officer

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with the requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

On the basis that 500,000,000 Shares are in issue as at the Latest Practicable Date and no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate could result in up to 50,000,000 Shares being repurchased by the Company during the period from the passing of resolution numbered 5 set out in the AGM Notice up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting revoking, varying and renewing the Repurchase Mandate, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share.

3. FUNDING AND EFFECT OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Memorandum of Association, the Articles, the Companies Act and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Act, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2023, being the date of its latest published audited financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands.

The Company confirms that the explanatory statement set out in this Appendix contains the information required under Rule 13.08 of the GEM Listing Rules and that neither the explanatory statement nor the proposed share repurchase has any unusual features.

5. INTENTION TO SELL SHARES

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, in the event that the proposal on the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

6. TAKEOVERS CODE CONSEQUENCE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code.

As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by the Directors, the following Shareholders were interested or deemed to be interested in 5% or more of the issued Shares:

Name of Shareholder	Capacity/Nature of interest	Number of Shares held	Approximate percentage of shareholding	Approximate percentage of shareholding if Repurchase Mandate is exercised in full
Mr. Sheng Yingming (Note 1)	Beneficial owner and interest in controlled corporation	322,760,000 Shares	64.55%	71.72%
Bright Commerce Investment Limited (“Bright Commerce”) (Note 1)	Beneficial interest	239,950,000 Shares	47.99%	53.32%
Ms. Chen Deqin (Note 2)	Interest of spouse	322,760,000 Shares	64.55%	71.72%

Notes:

- (1) Bright Commerce, wholly-owned by Mr. Sheng Yingming, held 239,950,000 Shares. Mr. Sheng Yingming is deemed or taken to be interested in all the Shares held by Bright Commerce for the purpose of the SFO.
- (2) Ms. Chen Deqin is the spouse of Mr. Sheng Yingming. She is deemed, or taken to be, interested in all Shares in which Mr. Sheng Yingming is interested for the purposes of the SFO.

To the best knowledge and belief of the Directors, as at the Latest Practicable Date, Mr. Sheng Yingming and Ms. Chen Deqin were interested in 322,760,000 Shares, representing approximately 64.55% of the issued share capital of the Company.

In the event that the Directors exercise in full the Repurchase Mandate, Mr. Sheng Yingming and Ms. Chen Deqin’s interest in the Company will be increased to approximately 71.72% of the issued share capital of the Company, and Bright Commerce’s interest in the Company will be increased to approximately 53.32% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase in the interest of the Company will neither (i) give rise to an obligation to make a Mandatory General Offer nor (ii) result in less than 25% of the issued Shares being held by the public.

The Directors have no present intention to repurchase Shares to an extent that will trigger any of the obligations under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which may arise under the Takeovers Code as a consequence of any repurchase of Shares under the Repurchase Mandate.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

7. SHARE PURCHASED BY THE COMPANY
