GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to you for your consideration of the Repurchase Mandate.

1. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

The GEM Listing Rules prohibit a company from knowingly purchasing securities on the Stock Exchange from a “connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective associates and a connected person is prohibited from knowingly selling his/her/its securities to the Company.

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, no connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 89,600,000 fully paid Shares.

Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to a maximum of 8,960,000 Shares, representing 10% of the issued Shares as at the Latest Practicable Date during the period up to (i) the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, or any applicable law of the Cayman Islands to be held; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

3. REASONS FOR THE REPURCHASE

The Directors have no present intention to repurchase any Share but consider that the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company’s available cash flow or working capital facilities which will be funds legally available under the Cayman Islands law and the memorandum and Articles of Association of the Company and the GEM Listing Rules for such purpose.

5. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital or gearing position of the Company compared with that as at 31 December 2023, being the date of its latest published audited consolidated accounts. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

6. SHARE PRICES

During each of the previous 12 months, the highest and lowest prices at which the Shares have been traded on the Stock Exchange were as follows:

	Share Prices

September	0.25	0.212
October	0.213	0.117

February	0.208	0.141
March	0.172	0.14
April (up to the Latest Practicable Date)	0.245	0.157

7. DIRECTORS AND THEIR ASSOCIATES

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

8. CONFIRMATIONS BY THE DIRECTORS AND THE COMPANY

The Directors have confirmed that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and applicable laws of the Cayman Islands, and in accordance with the regulations set out in the memorandum and Article of Association of the Company.

The Company has confirmed that neither the explanatory statement nor the Repurchase Mandate has any unusual features.

9. EFFECT OF TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholders, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, the following Shareholder is interested in more than 10% of the Shares then in issue:

Name of Shareholder	Number of Shares held	Approximate percentage of existing shareholding	Approximate shareholding percentage if the Repurchase Mandate is exercised in full
Lee Chun Wai	13,879,000	15.49%	17.21%

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximate the respective percentages shown in the last column of the table above.

The Directors confirm that the Repurchase Mandate will not be exercised to the extent as may result in a public shareholding of less than such prescribed minimum percentage.

As at the Latest Practicable Date, the existing public float of the Company is approximately 84.51%. In the event that the Repurchase Mandate is exercised in full from the public market and no further Shares are issued during the repurchase period, the public float of the Company will be dropped to approximately 82.79%.
