CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

The Repurchase Mandate will enable the Directors to repurchase the shares of the Company on the Stock Exchange up to a maximum of 10% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing the relevant ordinary resolution on the Annual General Meeting.

As at the Latest Practicable Date, there were a total of 172,800,000 Shares in issue. Subject to the passing of the proposed resolution granting the Repurchase Mandate and assuming that no Shares will be issued or repurchased prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 17,280,000 Shares.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles of Association, the Companies Act, other applicable laws of the Cayman Islands and the GEM Listing Rules. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Under the Companies Act, repurchases by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of capital.

5. GENERAL

There might be a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the most recent published audited accounts, in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the twelve calendar months immediately preceding (and including) the Latest Practicable Date are as follows:

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Cayman Islands and in accordance with the regulations set out in the memorandum of association of the Company and the Articles of Association.

8. CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention to sell any shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell shares to the Company, or has any such connected person undertaken not to do so, in the event that the grant of Repurchase Mandate to the Directors is approved by the Shareholders.

9. THE TAKEOVERS CODE

If on exercise of the power of repurchase shares of the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, there is no Shareholder that is interested in more than 10% of the Shares in issue.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that it would give rise to an obligation to make a mandatory offer under the Takeover Code or result in the number of shares of the Company in hands of public falling below the prescribed minimum percentage of 25%. The Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

10. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding (and including) the Latest Practicable Date.
