## CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Yours faithfully,

WLS Holdings Limited  
Yang Hui  
*Executive Director*

*The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the grant of the Repurchase Mandate.*

#### 1. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the grant of the Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, result in an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

#### 2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 14,367,101,072 Shares.

Subject to the passing of the ordinary resolution set out in resolution numbered 4 of the notice of the AGM in respect of the grant of the Repurchase Mandate and assuming that the total number of issued Shares remains the same at 14,367,101,072 Shares from the Latest Practicable Date up to the date of passing such resolution, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to 1,436,710,107 Shares, representing 10% of the total issued Shares as at the date of the AGM.

#### 3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of continuance and the Bye-laws, the laws of the Bermuda and/or any other applicable laws, as the case may be.

#### 4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 30 April 2024) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## 5. TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, the Directors are not aware of any Shareholder or a group of Shareholders who was interested in more than 5% shares of the Company and no Shareholder or a group of Shareholder acting in concert become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such extent that will result in the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

## 6. GENERAL

None of the Directors or, to the best of their knowledge after having made all reasonable enquiries, any of their respective close associates have any present intention to sell any Shares to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of Bermuda.

## 7. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which the Shares were traded on the Stock Exchange in the last 12 months were as follows:
