THE PLACING AGREEMENT

The principal terms of the Placing Agreement are set out below:

Date: 20 November 2024 (after trading hours of the Stock Exchange)

Parties: (i) the Company, as the issuer; and
(ii) Yuet Sheung International Securities Limited, as the Placing Agent

To the best knowledge, information and belief of the Directors, having made all reasonable enquiries, the Placing Agent and its ultimate beneficial owner(s) are Independent Third Parties.

Pursuant to the terms and conditions of the Placing Agreement, the Company has conditionally agreed to place through the Placing Agent, on a best effort basis, up to 210,000,000 Placing Shares at the Placing Price of HK\$0.055 per Placing Share to the Placee(s) who and whose ultimate beneficial owner(s) shall be Independent Third Party(ies).

Placing commission

Subject to the Completion, the Company shall pay to the Placing Agent a placing commission equivalent to 3.0% of the aggregate Placing Price of the Placing Shares successfully placed by the Placing Agent. The placing commission was negotiated on an arm's length basis between the Company and the Placing Agent and determined with reference to, amongst other things, the prevailing commission rate charged by other placing agents and the size of the Placing. The Directors consider that the terms of the Placing, including the placing commission, are fair and reasonable based on the current market conditions and the Placing is in the interests of the Company and the Shareholders as a whole.

Placee(s)

The Placing Shares will be placed on a best effort basis to not less than six Placees, who and whose ultimate beneficial owner(s) (where applicable) will be Independent Third Party(ies). It is expected that none of the Placees will become a substantial Shareholder (as defined in the GEM Listing Rules) immediately after Completion.

Number of Placing Shares

Assuming that there will be no change in the issued share capital of the Company between the date of this announcement and Completion, the maximum number of Placing Shares of 210,000,000 Shares represents 20% of the existing issued share capital of the Company as at the date of this announcement and approximately 16.67% of the issued share capital of the Company as enlarged by the allotment and issue of the Placing Shares. The nominal value of the maximum number of Placing Shares under the Placing will be HK\$2,100,000.

Placing Price

The Placing Price of HK\$0.055 per Placing Share represents (i) a discount of approximately 9.84% to the closing price of HK\$0.061 per Share as quoted on the Stock Exchange on the date of the Placing Agreement; and (ii) a discount of approximately 15.38% to the average of the closing prices per Share of approximately HK\$0.065 as quoted on the Stock Exchange for the last five consecutive trading days immediately preceding the date of the Placing Agreement.

The Placing Price was determined and negotiated on an arm's length basis between the Company and the Placing Agent with reference to the historical and prevailing market prices of the Shares as well as the historical performances and present financial position of the Group. Given the current market conditions and the size of the Placing Shares involved, the Directors consider that the Placing Price is fair and reasonable, on normal commercial terms and the Placing is in the interests of the Company and the Shareholders as a whole.

Ranking of Placing Shares

The Placing Shares shall rank *pari passu* in all respects among themselves and with the existing issued Shares on the date of allotment and issue of the Placing Shares.

GENERAL MANDATE TO ALLOT AND ISSUE THE PLACING SHARES

The Placing Shares will be allotted and issued under the General Mandate granted to the Directors at the annual general meeting of the Company held on 11 June 2024, subject to the limit of up to 20% of the total number of issued Shares as at 11 June 2024.

Under the General Mandate, the Company is authorised to allot and issue up to 210,000,000 new Shares. Up to the date of this announcement, no Share has been allotted and issued under the General Mandate. The maximum of 210,000,000 Placing Shares to be allotted and issued will utilise 100% of the General Mandate. Accordingly, the allotment and issue of the Placing Shares is not subject to further approval of the Shareholders.

REASONS FOR THE PLACING AND USE OF PROCEEDS

The Group is principally engaged in performing repair, maintenance, alteration and addition works, new construction works and corrosion protection works in Hong Kong.

Subject to Completion and assuming all the Placing Shares are successfully placed by the Placing Agent, the maximum gross proceeds from the Placing will be HK\$11,550,000 and the net proceeds, after the deduction of the placing commission and other related expenses, are estimated to be approximately HK\$11,204,000, representing a net issue price of approximately HK\$0.053 per Placing Share. On such basis, the maximum net price raised per Placing Share upon Completion will be approximately HK\$0.053. The net proceeds from the Placing are intended to be used (i) as to approximately HK\$2,000,000 for the repayment of bank borrowings; and (ii) as to approximately HK\$9,204,000 for the general working capital of the Group. In the event that the Placing Shares are not placed in full, the net proceeds of the Placing will be utilised in proportion to the above uses.

The Board considers that the Placing represents a good opportunity to raise additional funds to strengthen the financial position of the Group and provide funding to the Group to finance its working capital needs and to meet its financial obligations. It will also widen the Company's shareholder base and should improve the liquidity of the Shares. In view of the above, the Directors (including the independent non-executive Directors) consider that the terms of the Placing Agreement are fair and reasonable and the Placing is in the interests of the Company and the Shareholders as a whole.
