As at the date of this announcement, the authorized share capital of the Company is HK\$100,000,000 divided into 500,000,000 Existing Shares with par value of HK\$0.2 each, of which 211,524,720 Existing Shares have been issued and are fully paid or credited as fully paid. Upon the Share Consolidation becoming effective but prior to the Capital Reduction becoming effective, and assuming there will be no change in the number of Existing Shares in issue from the date of this announcement to the effective date of the Share Consolidation, the authorized share capital of the Company will become HK\$100,000,000 divided into 62,500,000 Consolidated Shares with par value of HK\$1.6 each, of which 26,440,590 Consolidated Shares (which are fully paid or credited as fully paid) will be in issue.

- (i) the Capital Reduction whereby (a) any fractional Consolidated Share in the issued share capital of the Company arising from the Share Consolidation will be cancelled, and (b) the par value of each issued Consolidated Share will be reduced from HK\$1.6 to HK\$0.01 by cancelling the paid-up capital to the extent of HK\$1.59 per issued Consolidated Share, so that following such reduction, each issued Consolidated Share shall become one Adjusted Share with par value of HK\$0.01 each;
- (ii) the credit arising from the Capital Reduction will be applied towards offsetting the accumulated losses of the Company as at the effective date of the Capital Reduction, thereby reducing the accumulated losses of the Company. The balance of the credit (if any) will be transferred to a distributable reserve account of the Company and be applied for such purposes as permitted by all applicable laws and the memorandum and articles of association of the Company and as the Board considers appropriate; and
- (iii) immediately following the Capital Reduction becoming effective, each authorized but unissued Consolidated Share will be subdivided into one hundred sixty (160) authorized but unissued Adjusted Shares with par value of HK\$0.01 each.

As at the date of this announcement, 211,524,720 Existing Shares have been issued and are fully paid or credited as fully paid. Assuming no further Existing Shares or (as the case may be) Consolidated Shares will be issued or repurchased from the date of this announcement up to and including the date of which the Share Consolidation, the Capital Reduction and the Sub-division shall become effective, the authorised share capital of the Company shall be HK\$100,000,000 divided into 10,000,000,000 Adjusted Shares with par value of HK\$0.01 each, of which 26,440,590 Adjusted Shares will be in issue and fully paid or credited as fully paid.

The Capital Reduction and the Sub-division are conditional upon fulfillment of the conditions contained in the section headed “Conditions of the Capital Reduction and the Sub-division” in this announcement.

CHANGE IN BOARD LOT SIZE

The Board announces that the board lot size for trading in the Existing Shares on the Stock Exchange will be changed from 4,000 Existing Shares to 10,000 Consolidated Shares subject to the Share Consolidation becoming effective. After the Change in Board Lot Size becoming effective, Shareholders may submit their existing share certificates in board lot of 4,000 Existing Shares each to the Share Registrar in exchange for new share certificates in board lot of 10,000 Consolidated Shares each at the expense of the Company.

PROPOSED RIGHTS ISSUE

The Board proposes, subject to, amongst others, the Share Consolidation and the Change in Board Lot Size becoming effective, to implement the Rights Issue on the basis of four (4) Rights Shares for every one (1) Adjusted Share held on the Record Date at the Subscription Price of HK\$0.29 per Rights Share, to raise gross proceeds of approximately HK\$30.7 million before expenses (assuming no other change in the number of Shares in issue save for the Share Consolidation on or before the Record Date), by way of the Rights Issue of up to 105,762,360 Rights Shares to the Qualifying Shareholders.

The Company will provisionally allot to the Qualifying Shareholders four (4) Rights Shares in nil-paid form for every one (1) Adjusted Share in issue and held on the Record Date. The Rights Issue is only available to the Qualifying Shareholders and will not be available to the Excluded Shareholders. There will be no excess application arrangements in relation to the Rights Issue.

The estimated net proceeds (after the deduction of the costs and expenses relating to the Rights Issue) will be approximately HK\$29.5 million (assuming no further issue of new Share(s) and no repurchase of Share(s) by the Company on or before the Record Date), if fully subscribed. The Company intends to apply the net proceeds from the Rights Issue for (i) the repayment of other borrowings owed by the Group; (ii) the payment of rental expenses and management fees under its existing lease commitments; (iii) the payment of salaries of the Group's employees; and (iv) working capital for the existing business.

Subject to the fulfilment of the conditions of the Rights Issue, the Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares.

THE PLACING AGREEMENT

GEM LISTING RULES IMPLICATIONS

As such, Mr. Yao Ruhe and his respective associates shall abstain from voting in favour of the resolution(s) to approve the Rights Issue and the transactions contemplated thereunder at the EGM. As at the date of this announcement, Mr. Yao Ruhe, who is the executive Director of the Company, hold 400,000 Existing Shares, representing approximately 0.19% of the existing issued share capital of the Company.

The Company has not conducted any rights issue, open offer or specific mandate placings within the 12-month period immediately preceding the date of this announcement, or prior to such 12-month period where dealing in respect of the Shares issued pursuant thereto commenced within such 12-month period, nor has it issued any bonus securities, warrants or other convertible securities as part of any rights issue, open offer and/or specific mandate placings within such 12-month period.

The Rights Issue does not result in a theoretical dilution effect of 25% or more. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 10.44A of the GEM Listing Rules.

ESTABLISHMENT OF INDEPENDENT BOARD COMMITTEE

The Independent Board Committee comprising all the independent non-executive Directors has been established to provide recommendations to the Independent Shareholders in connection with the Rights Issue. Merdeka Corporate Finance Limited has been appointed to advise the Independent Board Committee and the Independent Shareholders as to whether the terms of the Rights Issue are fair and reasonable, in the interests of the Independent Shareholders as a whole, and to advise the Independent Shareholders on how to vote.

WARNING OF THE RISKS OF DEALINGS IN THE SHARES AND NIL-PAID RIGHTS SHARES

The Rights Issue is subject to the fulfilment of conditions including, among other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully-paid forms. Please refer to the section headed “Conditions of the Rights Issue” in this announcement. Shareholders and potential investors of the Company should note that if the conditions to the Rights Issue are not satisfied, the Rights Issue will not proceed.

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares.

Any dealings in the Shares from the date of this announcement up to the date on which all the conditions of the Rights Issue are fulfilled, and any Shareholders dealing in the Rights Shares in nil-paid form will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed. Any Shareholders or other persons contemplating any dealings in the Shares or Rights Shares in their nil-paid form are recommended to consult their professional advisers.

PROPOSED SHARE CONSOLIDATION

As at the date of this announcement, the authorized share capital of the Company is HK\$100,000,000 divided into 500,000,000 Existing Shares with par value of HK\$0.2 each, of which 211,524,720 Existing Shares have been issued and are fully paid or credited as fully paid. The Board proposes to implement the Share Consolidation on the basis that every eight (8) issued and unissued Existing Shares with par value of HK\$0.2 each be consolidated into one (1) Consolidated Share with par value of HK\$1.6 each.

Effect of the Share Consolidation

Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction becoming effective, and assuming there will be no change in the number of Existing Shares in issue from the date of this announcement to the effective date of the Share Consolidation, the authorized share capital of the Company will become HK\$100,000,000 divided into 62,500,000 Consolidated Shares with par value of HK\$1.6 each, of which 26,440,590 Consolidated Shares (which are fully paid or credited as fully paid) will be in issue.

Upon the Share Consolidation becoming effective, all the Consolidated Shares will rank *pari passu* in all respects with each other.

The implementation of the Share Consolidation will not alter the underlying assets, business operation, management or financial position of the Group and the interests and rights of the Shareholders, save that any fractional Consolidated Shares will not be allocated to Shareholders who may otherwise be entitled thereto.

Conditions of the Share Consolidation

The Share Consolidation is conditional on the following conditions being fulfilled:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Consolidation;
- (ii) the GEM Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with the relevant procedures and requirements under the applicable laws of the Cayman Islands and the GEM Listing Rules to effect the Share Consolidation.

Subject to the fulfilment of the conditions of the Share Consolidation, the effective date of the Share Consolidation is expected to be on Friday, 14 February 2025, being one clear Business Day immediately after the date of the EGM.

As at the date of this announcement, none of the above conditions has been fulfilled.

Fractional entitlement to the Consolidated Shares

Any fractional Consolidated Share arising from the Share Consolidation, if any, will be aggregated and, if possible, sold for the benefit of the Company and will not be allocated to the Shareholders otherwise entitled thereto. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Shareholders who are concerned about losing out on any fractional entitlement are recommended to consult their licensed securities dealer, bank manager, solicitor, professional accountant or other professional advisers the possibility of buying or selling the Shares in a number sufficient to make up an entitlement to receive a whole number of Consolidated Shares.

Odd lots arrangements and matching services

In order to alleviate the difficulties arising from the existence of odd lots of the Consolidated Shares arising from the Share Consolidation, the Company will procure an arrangement with an agent to stand in the market to provide matching services for sale and purchase of odd lots of the Consolidated Shares on a best effort basis. Further details in respect of the odd lots arrangements will be set out in the circular to be issued by the Company.

Holders of odd lots of the Consolidated Shares should note that successful matching of the sale and purchase of odd lots of the Consolidated Shares are not warranted. Any Shareholder who is in any doubt about the odd lots arrangements is recommended to consult his/her/its own professional advisers.

Exchange of share certificates for Consolidated Shares

Subject to the Share Consolidation having become effective, Shareholders may, during the specified period from Friday, 14 February 2025 to Monday, 24 March 2025 (both days inclusive), submit the existing share certificates for the Existing Shares to the Share Registrar, Union Registrars Limited, at Suites 3301–04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong, in exchange, at the expense of the Company, for new share certificates for the Consolidated Shares.

Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Consolidated Shares at the expense of the Shareholders on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Consolidated Shares (whichever is higher) but are not acceptable for trading, settlement and registration purposes.

The new share certificates for the Consolidated Shares will be issued in orange colour in order to distinguish them from the existing share certificates in red colour.

Listing and dealings

Application will be made to the GEM Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

The Consolidated Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid. Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

None of the Existing Shares or any debt securities of the Company are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

CHANGE IN BOARD LOT SIZE

The Existing Shares are currently traded on the Stock Exchange in board lot size of 4,000 Existing Shares. The Board proposes to change the board lot size for trading from 4,000 Existing Shares to 10,000 Consolidated Shares per board lot upon the Share Consolidation becoming effective.

Based on the closing price of HK\$0.047 per Existing Share (equivalent to the theoretical closing price of HK\$0.376 per Consolidated Share) as at the date of this announcement, (i) the value per board lot of 4,000 Existing Shares is HK\$188; (ii) the value of each board lot of 4,000 Consolidated Shares would be HK\$1,504 assuming the Share Consolidation becoming effective; and (iii) the estimated value per board lot of 10,000 Consolidated Shares would be HK\$3,760.

The Change in Board Lot Size will not result in any change in the relative rights of the Shareholders.

REASONS FOR THE SHARE CONSOLIDATION AND CHANGE IN BOARD LOT SIZE

Pursuant to Rule 17.76 of the GEM Listing Rules, where the market price of the share approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the listed issuer to either change the trading method or to proceed with a consolidation or splitting of the Existing Shares. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (and updated in September 2024) has further stated that (i) market price of the share at a level less than HK\$0.10 each will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules; and (ii) taking into account that the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

In view of the recent trading price of the Shares at a level below HK\$0.10 and the value per board lot being substantially less than HK\$2,000, the Board considers that upon the Share Consolidation becoming effective, the share price of the Company would be adjusted to HK\$0.376 per Consolidated Share (based on the closing price of HK\$0.047 per Existing Share as at the date of this announcement); and with a board lot size of 10,000 Consolidated Shares, the new board lot value would be HK\$3,760, which would enable the Company to comply with the trading requirements under the GEM Listing Rules. Further, it is expected that the Share Consolidation will increase the nominal value of the Shares. Accordingly, the Share Consolidation will bring about a corresponding upward adjustment in the trading price per board lot of the Consolidated Shares on the Stock Exchange, which will reduce the overall transaction and handling costs of dealings in the Consolidated Shares. As a result, the Share Consolidation would not only enable the Company to comply with the trading requirements under the GEM Listing Rules, but would also attract more investors and hence broaden the Shareholder base.

The Share Consolidation and the Change in Board Lot Size will not have any material adverse effect on the financial position of the Company nor result in change in the relative rights of the Shareholders and are in the interests of the Company and the Shareholders as a whole.

PROPOSED CAPITAL REDUCTION AND THE SUB-DIVISION

The Board further proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Sub-division be implemented in the following manner:

- (i) the Capital Reduction whereby (a) any fractional Consolidated Share in the issued share capital of the Company arising from the Share Consolidation will be cancelled, and (b) the par value of each issued Consolidated Share will be reduced from HK\$1.6 to HK\$0.01 by cancelling the paid-up capital to the extent of HK\$1.59 per issued Consolidated Share, so that following such reduction, each issued Consolidated Share shall become one Adjusted Share with par value of HK\$0.01 each;
- (ii) the credit arising from the Capital Reduction will be applied towards offsetting the accumulated losses of the Company as at the effective date of the Capital Reduction, thereby reducing the accumulated losses of the Company. The balance of the credit (if any) will be transferred to a distributable reserve account of the Company and be applied for such purposes as permitted by all applicable laws and the memorandum and articles of association of the Company and as the Board considers appropriate;
- (iii) immediately following the Capital Reduction becoming effective, each authorized but unissued Consolidated Share will be subdivided into one hundred sixty (160) authorized but unissued Adjusted Shares with par value of HK\$0.01 each; and
- (iv) each of the Adjusted Shares arising from the Capital Reduction and the Sub-division shall rank *pari passu* in all respects with each other and will have rights and privileges and be subject to the restrictions contained in the memorandum and articles of association of the Company.

Conditions of the Capital Reduction and the Sub-division

The Capital Reduction and the Sub-division are conditional on the following conditions being fulfilled:

- (i) the Share Consolidation being approved at the EGM and becoming effective;
- (ii) the Shareholders' approval by way of special resolution at the EGM to be convened and held to consider and, if thought fit, approve, among other things, the Capital Reduction and the Sub-division;
- (iii) an order being made by the Court confirming the Capital Reduction;
- (iv) compliance with any conditions which the Court may impose in relation to the Capital Reduction;
- (v) registration by the Registrar of Companies of the Cayman Islands of a copy of the order of the Court confirming the Capital Reduction and the minutes approved by the Court containing the particulars required under the Companies Act with respect to the Capital Reduction; and

- (vi) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Adjusted Shares arising from the Capital Reduction and the Sub-division.

The Capital Reduction and the Sub-division will become effective when the conditions mentioned above are fulfilled. Upon the approval by the Shareholders of the Capital Reduction and the Sub-division at the EGM, the legal advisors to the Company (as to the Cayman Islands law) will apply to the Court for hearing date(s) to confirm the Capital Reduction and a further announcement will be made by the Company as soon as practicable after the Court hearing date(s) is confirmed.

As at the date of this announcement, none of the above conditions have been fulfilled.

Effects of the Capital Reduction and Sub-division

As at the date of this announcement, 211,524,720 Existing Shares have been issued and are fully paid or credited as fully paid. Assuming no further Existing Shares or (as the case may be) Consolidated Shares will be issued or repurchased from the date of this announcement up to and including the date of which the Share Consolidation, the Capital Reduction and the Sub-division shall become effective, the authorized share capital of the Company shall be HK\$100,000,000 divided into 10,000,000,000 Adjusted Shares with par value of HK\$0.01 each, of which 26,440,590 Adjusted Shares will be in issue and fully paid or credited as fully paid.

Assuming that the par value of each of the 26,440,590 issued Consolidated Shares will be reduced from HK\$1.6 to HK\$0.01 per issued Adjusted Share by cancelling the paid up share capital to the extent of HK\$1.59 per issued Consolidated Share by way of a reduction of capital, so as to form issued Adjusted Shares with par value of HK\$0.01 each, the Company's existing issued share capital of HK\$42,304,944 will be reduced by HK\$42,040,538.1 to HK\$264,405.9. The proposed Capital Reduction and Sub-division (assuming the Share Consolidation becomes effective) will enable the par value of the Shares to be reduced from HK\$1.6 to HK\$0.01 each. The credit arising from the Capital Reduction will be applied towards offsetting the accumulated losses of the Company as at the effective date of the Capital Reduction, thereby reducing the accumulated losses of the Company. The balance of credit (if any) will be transferred to the distributable reserve account of the Company and be applied for such purposes as permitted by all applicable laws and the memorandum and articles of association of the Company and as the Board considers appropriate.

The Board is of the opinion that the proposed Capital Reduction will give greater flexibility to the Company to declare dividends and/or to undertake any corporate exercise which requires the use of distributable reserves in the future, subject to the Company's performance and when the Board considers that it is appropriate to do so in the future.

Since the Shares were trading below par value for a period of time, the Board considers that the Capital Reduction and Sub-division will enable the nominal or par value of the Shares to be reduced from HK\$1.6 to HK\$0.01 each.

As such, the Directors are of the view that the Capital Reduction and the Sub-division are in the best interests of the Company and its Shareholders as a whole.

Save for applying the credit arising from the Capital Reduction towards offsetting the accumulated losses of the Company and the expenses to be incurred in relation to the Capital Reduction and the Sub-division, the Directors consider that the Capital Reduction and the Sub-division will have no effect on the underlying assets, business operations, management or financial position of the Company or the proportional interests of the Shareholders in the Company.

As at the date of this announcement, the Company has no intention to carry out other corporate action or arrangement, including share consolidation, share sub-division and capital reduction, in the next 12 months.

Assuming there will be no change in the issued share capital of the Company from the date of this announcement up to the date on which the Capital Reorganisation become effective, the share capital structure of the Company (i) as at the date of this announcement; (ii) immediately after the Share Consolidation becoming effective; and (iii) immediately upon the Capital Reduction and the Sub-division becoming effective are summarised as follows:

	As at the date of this announcement	Immediately after the Share Consolidation becoming effective but prior to the Capital Reduction and Sub-division	Immediately after the Capital Reduction and the Sub-division becoming effective
Par value	HK\$0.2 per Existing Share	HK\$1.6 per Consolidated Share	HK\$0.01 per Adjusted Share
Amount of the authorized share capital	HK\$100,000,000	HK\$100,000,000	HK\$100,000,000
Number of authorized Shares	500,000,000	62,500,000	10,000,000,000
Amount of issued share capital	HK\$42,304,944	HK\$42,304,944	HK\$264,405.9
Number of issued Shares	211,524,720	26,440,590	26,440,590

Other than the expenses to be incurred in relation to the Share Consolidation, the Capital Reduction and the Sub-division, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional Consolidated Shares will not be allocated to the Shareholders who may otherwise be entitled. The Directors are of the view that the Capital Reorganisation will not have any material adverse effect on the financial position of the Group and is in the interest of the Company and the Shareholders as a whole.

Listing of and dealings in the Adjusted Shares

Application will be made to the GEM Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Adjusted Shares arising from the Capital Reduction and the Sub-division.

The Adjusted Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid. Subject to the granting of the listing of, and permission to deal in, the Adjusted Shares on the Stock Exchange, the Adjusted Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Adjusted Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

None of the share capital or debt securities of the Company is listed or dealt in on any other stock exchange other than the Stock Exchange and no such listing or permission to deal is being or is proposed to be sought.

Reasons for the Capital Reduction and Sub-division

The proposed Capital Reduction and the Sub-division (assuming the Share Consolidation becomes effective) will enable the par value of the Consolidated Shares to be reduced from HK\$1.6 to HK\$0.01 each. The credit arising from the Capital Reduction will be applied towards offsetting the accumulated losses of the Company as at the effective date of the Capital Reduction, thereby reducing the accumulated losses of the Company. The balance of credit (if any) will be transferred to the distributable reserve account of the Company and be applied for such purposes as permitted by all applicable laws and the memorandum and articles of association of the Company and as the Board considers appropriate.

The Directors are of the opinion that the proposed Capital Reduction and the Sub-division will:

- (i) give greater flexibility to the Company to declare dividends and/or to undertake any corporate exercise which requires the use of distributable reserves in the future, subject to the Company's performance and when the Board considers that it is appropriate to do so in the future; and
- (ii) enable the nominal or par value of the Shares to be reduced from HK\$1.6 (assuming the Share Consolidation becomes effective) to a lower level of HK\$0.01 each, thus giving greater flexibility to the Company to issue Adjusted Shares in the future given that the Company is not permitted, without order of the Court, to issue new Shares below their nominal or par value.

Exchange of share certificates for the Adjusted Shares

As the Court hearing date(s) has yet to be fixed, the effective date of the Capital Reduction is not ascertainable at present. Should the Capital Reduction and the Sub-division become effective, Shareholders may submit existing share certificates for the Existing Shares and/or Consolidated Shares to the Share Registrar, Union Registrars Limited, at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong for exchange, at the expense of the Company, within one month from the effective date of the Capital Reduction and the Sub-division, for share certificates for the Adjusted Shares.

Details of such free exchange of share certificates will be announced as soon as the Court hearing date(s) and the effective date of the Capital Reduction and the Sub-division are ascertained.

Thereafter, all existing share certificates of the Existing Shares and/or the Consolidated Shares will continue to be good evidence of title to the Adjusted Shares, and may be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares and/or the Consolidated Shares submitted for cancellation or each new share certificate issued for the Adjusted Shares, whichever is higher, but will not be accepted for delivery, trading and settlement purposes.

The new share certificates for the Adjusted Shares will be issued in pink in order to distinguish them from the existing share certificates of the Existing Shares in red and the share certificates of the Consolidated Shares in orange.

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event the Rights Issue is not fully subscribed, any Rights Shares not taken up by the Qualifying Shareholders will be placed to independent placees under the Compensatory Arrangements. Any Unsubscribed Rights Shares or ES Unsold Rights Shares remain not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There is no minimum amount to be raised under the Rights Issue.

As the Rights Issue will proceed on a non-underwritten basis, the Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s) may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken up, the application of any Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not trigger an obligation on part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance to the note to Rule 10.26(2) of the GEM Listing Rules.

Subscription Price

The Subscription Price for the Rights Shares is HK\$0.29 per Rights Share, payable in full upon acceptance of the relevant provisional allotment of Rights Shares and, where applicable, when a renouncee of any provisional allotment of the Rights Shares or a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 22.9% to the theoretical closing price of HK\$0.376 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the closing price of HK\$0.047 per Existing Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 5.5% to the theoretical ex-rights price of approximately HK\$0.307 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the closing price of HK\$0.045 per Existing Share as quoted on the Stock Exchange on the Last Trading Day;
- (iii) a discount of approximately 23.5% to the theoretical closing price of HK\$0.3792 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the average closing price of HK\$0.0474 per Existing Share as quoted on the Stock Exchange for the five consecutive trading days prior to and excluding the Last Trading Day;
- (iv) a discount of approximately 23.0% to the theoretical closing price of approximately HK\$0.3768 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the average closing price of approximately HK\$0.0471 per Existing Share as quoted on the Stock Exchange for the 10 consecutive trading days prior to and excluding the Last Trading Day;
- (v) a theoretical dilution effect (as defined under Rule 10.44A of the GEM Listing Rules) represented by a discount of approximately 18.8%, represented by the theoretical diluted price of approximately HK\$0.308 per Consolidated Share to the theoretical benchmarked price of HK\$0.3792 per Consolidated Share (after taking into account the effect of the Share Consolidation) (as defined under Rule 10.44A of the GEM Listing Rules, taking into account the closing price on the Last Trading Day of HK\$0.047 per Share and the average of the closing prices of the Existing Shares as quoted on the Stock Exchange for the five previous consecutive trading days prior to the date of this announcement of approximately HK\$0.0474 per Share).

The Subscription Price was determined by the Company with reference to, among other things, (i) the market price of the Shares under the prevailing market conditions; (ii) the current business performance and financial position of the Group; (iii) the amount of funds and capital needs; and (iv) the reasons for the Rights Issue as set out in the section headed “REASONS FOR THE RIGHTS ISSUE AND USE OF PROCEEDS” in this announcement. All Qualifying Shareholders are entitled to subscribe for the Rights Shares in the same proportion to his/her/its existing shareholding in the Company held on the Record Date so as to maintain their proportionate interests in the Company and participate in the future growth of the Group. The Directors are of the view that the Subscription Price of the Rights Issue are fair and reasonable and in the interests of the Company and the Shareholders.

The Directors (excluding the members of the Independent Board Committee, whose opinion will be provided after taking into account the advice of the independent financial adviser) consider that the terms of the Rights Issue, including the Subscription Price, are fair, reasonable and in the interests of the Company and the Shareholders as a whole.

Basis of provisional allotments

The basis of the provisional allotment shall be four (4) Rights Shares for every one (1) Adjusted Share held by the Qualifying Shareholders as at the close of business on the Record Date.

The PAL relating to the Rights Shares will be enclosed with the Prospectus entitling the Qualifying Shareholders to whom it is addressed to subscribe for the Rights Shares as shown therein. Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by lodging a duly completed PAL and a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Share Registrar on or before the Latest Time for Acceptance.

Qualifying Shareholders

The Rights Issue is only available to the Qualifying Shareholders. To qualify for the Rights Issue, a Shareholder must be registered as a member of the Company as at the close of business on the Record Date and not be an Excluded Shareholder. In order to be registered as members of the Company prior to the close of business on the Record Date, all transfer documents of the Adjusted Shares (together with the relevant share certificate(s)) must be lodged with the Share Registrar, Union Registrars Limited at Suites 3301-04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong, for registration no later than 4:00 p.m. (Hong Kong time) on Wednesday, 18 June 2025.

It is expected that the last day of dealings in the Adjusted Shares on a cum-rights basis for the Rights Issue is Monday, 16 June 2025, and the Adjusted Shares will be dealt with on an ex-rights basis from Tuesday, 17 June 2025.

Subject to the Share Consolidation, the Capital Reduction and the Sub-division having become effective, the passing of the resolution to approve the Rights Issue by the Independent Shareholders at the EGM and the registration of the Prospectus Documents in accordance with the applicable laws and regulations, the Company will despatch the Prospectus Documents to the Qualifying Shareholders on the Prospectus Posting Date and will despatch the Prospectus (without the PAL(s)) to the Excluded Shareholders for their information only.

The Qualifying Shareholders who take up their pro-rata entitlement in full will not experience any dilution to their interests in the Company. **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

Rights of Overseas Shareholders (if any)

The Prospectus Documents are not intended to be registered under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Company will comply with Rule 17.41(1) of the GEM Listing Rules and make enquiries regarding the feasibility of extending the offer of the Rights Shares to Overseas Shareholders, if any. If, based on the legal opinions to be provided by the legal advisers to

the Company, the Directors consider that it is necessary or expedient not to offer the Rights Shares to the Overseas Shareholders on account either of the legal restrictions under the laws of the place(s) of their registered address(es) or the requirements of the relevant regulatory body(ies) or stock exchange(s) in such place(s), the Rights Issue will not be extended to such Overseas Shareholders.

The Company will send the Prospectus to the Excluded Shareholders (if any) for their information only, but will not send any PAL to them.

Arrangements will be made for the Rights Shares, which would otherwise have been provisionally allotted to the Excluded Shareholders, to be sold in the market in their nil-paid form during the period from 9:00 a.m. on Monday, 30 June 2025 to 4:00 p.m. on Tuesday, 8 July 2025 if a premium (net of expenses) can be obtained. The proceeds from such sale, less expenses, of more than HK\$100 will be paid on pro-rata basis to the relevant Excluded Shareholders.

In view of administrative costs, the Company will retain individual amounts of HK\$100 or less for its own benefit. Any unsold Rights Shares, which would otherwise have been provisionally allotted to the Excluded Shareholders in nil-paid form, will be placed by the Placing Agent at the price at least equal to the Subscription Price under the Placing Arrangement together with the Unsubscribed Rights Shares. Any Unsubscribed Rights Shares and the ES Unsold Rights Shares remain not placed after completion of the Placing Arrangement will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. For the nil-paid Rights Shares that were sold as described above and the buyer of such nil-paid Rights Shares who will not take up the entitlement, such Unsubscribed Rights Shares will be subject to the Compensatory Arrangements.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue. Accordingly, Overseas Shareholders should exercise caution when dealing in the securities of the Company.

The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the Shares.

Status of Rights Shares

The Rights Shares, when allotted and fully paid, will rank pari passu in all respects with the Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions, which are declared, made or paid, on or after the record date of which is after the date of allotment of the Rights Shares in their fully-paid form. Dealings in the Rights Shares in both their nil-paid and fully-paid forms will be subject to payment of stamp duty, Stock Exchange trading fee, SFC transaction levy, AFRC transaction levy or any other applicable fees and charges in Hong Kong.

Fractions of the Rights Shares

On the basis of provisional allotment of four (4) Rights Shares for every one (1) Adjusted Share held by the Qualifying Shareholders on the Record Date, no fractional entitlements to the Rights Shares will arise under the Rights Issue.

Procedures in respect of the Unsubscribed Rights Shares and the ES Unsold Rights Shares, and the Compensatory Arrangements

Pursuant to GEM Listing Rule 10.31(1)(b) of the GEM Listing Rules, the Company must make arrangements to dispose of the Unsubscribed Rights Shares and the ES Unsold Rights Shares by offering the Unsubscribed Rights Shares and the ES Unsold Rights Shares to independent places for the benefit of the Shareholders to whom they were offered by way of the rights. There will be no excess application arrangements in relation to the Rights Issue as stipulated under GEM Listing Rule 10.31(1)(a) of the GEM Listing Rules.

The Company therefore appointed the Placing Agent to place the Unsubscribed Rights Shares and the ES Unsold Rights Shares after the Latest Time for Acceptance to independent places on a best effort basis, and any premium over the Subscription Price for those Rights Shares that is realised will be paid to the No Action Shareholders and Excluded Shareholders on a pro-rata basis. The Placing Agent will, on a best effort basis, procure, by not later than 5:00 p.m., on Wednesday, 23 July 2025, acquirers for all (or as many as possible) of those Unsubscribed Rights Shares and the ES Unsold Rights Shares at a price not less than the Subscription Price.

Net Gain (if any) will be paid (without interest) on pro-rata basis (on the basis of all Unsubscribed Rights Shares and ES Unsold Rights Shares) to the No Action Shareholders and the Excluded Shareholders (but rounded down to the nearest cent) as set out below:

- (i) where the nil-paid rights are, at the time they lapse, represented by a PAL, to the person whose name and address appeared on the PAL (unless that person is covered by (iii) below);
- (ii) where the nil-paid rights are, at the time they lapse, registered in the name of HKSCC Nominees Limited, to the beneficial holders (via their respective CCASS participants) as the holder of those nil-paid rights in CCASS (unless that person is covered by (iii) below);
- (iii) if the Rights Issue is extended to the Overseas Shareholders and where an entitlement to the Rights Shares was not taken up by such Overseas Shareholders, to that Overseas Shareholders.

It is proposed that Net Gain to any of the No Action Shareholder(s) mentioned in (i) to (iii) above which is in an amount of HK\$100 or more will be paid to them in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefit. Shareholders and the Excluded Shareholders may or may not receive any Net Gain.

THE PLACING AGREEMENT

On 20 December 2024 (after trading hours), the Company and the Placing Agent entered into the Placing Agreement, pursuant to which the Placing Agent has conditionally agreed to procure Placee(s), on a best effort basis, to subscribe for the Unsubscribed Rights Shares and the ES Unsold Rights Shares. Details of the Placing Agreement are as follows:

Date: 20 December 2024 (after trading hours)

Issuer: The Company

Placing Agent: Sorrento Securities Limited, a licensed corporation to carry out Type 1 (dealing in securities) and Type 4 (advising on securities) regulated activities under the SFO, was appointed as the Placing Agent to procure, on a best effort basis, Placees to subscribe for the Unsubscribed Rights Shares and the ES Unsold Rights Shares.

The Placing Agent confirmed that it is independent of and not connected with the Company and its connected persons or any of their respective associates.

Placing price of the Unsubscribed Rights Shares and/or and the ES Unsold Rights Shares: The placing price of the Unsubscribed Rights Shares and/or the ES Unsold Rights Shares shall be not less than the Subscription Price. The final price determination is depended on the demand and market conditions of the Unsubscribed Rights Shares and/or the ES Unsold Rights Shares during the process of placement.

Commission: 1.5% of the amount which is equal to the Placing Price multiplied by the Unsubscribed Rights Shares and ES Unsold Rights Shares that have been successfully placed by the Placing Agent pursuant to the terms of the Placing Agreement.

The commission is not payable by the Company to the Placing Agent if the Placing Agreement has not become unconditional or is otherwise terminated in accordance with its terms.

Placing price of each of the Unsubscribed Rights Share and/or the ES Unsold Rights Share (as the case maybe): The placing price of each of the Unsubscribed Rights Shares and/or the ES Unsold Rights Share (as the case maybe) shall be at least equal to the Subscription Price.

The final price determination is depended on the demand and market conditions of the Unsubscribed Rights Shares and the ES Unsold Rights Share during the process of placement.

Placees:

The Unsubscribed Rights Shares and the ES Unsold Rights Shares are expected to be placed to the Placee(s) who and whose ultimate beneficial owner(s) shall not be the Shareholder(s) and shall be the Independent Third Party(ies).

Ranking of Unsubscribed Rights Shares and the ES Unsold Rights Shares:

Unsubscribed Rights Shares and the ES Unsold Rights Shares (when placed, allotted, issued and fully paid) shall rank pari passu in all respects among themselves and with the Shares then in issue.

Conditions Precedent:

The obligations of the Placing Agent and the Company under the Placing Agreement are conditional upon, among others, the following conditions being fulfilled (or being waived by the Placing Agent in writing, if applicable):

- (i) the Listing Committee of the Stock Exchange having granted the listing of, and the permission to deal in, the Rights Shares;
- (ii) none of the representations, warranties or undertakings contained in the Placing Agreement being or having become untrue, inaccurate or misleading in any material respect at any time before the completion, and no fact or circumstance having arisen and nothing having been done or omitted to be done which would render any of such undertakings, representations or warranties untrue or inaccurate in any material respect if it was repeated as at the time of completion; and
- (iii) the Placing Agreement not having been terminated in accordance with the provisions thereof. The Placing Agent may, in its absolute discretion, waive the fulfillment of all or any or any part of the conditions precedent to the Placing Agreement (other than those set out in paragraph (i) above) by notice in writing to the Company.

Termination:

The Placing Arrangement shall end on Wednesday, 23 July 2025 or any other date by mutual written agreement between the Placing Agent and the Company.

The engagement of the Placing Agent may also be terminated by Placing Agent in case of force majeure resulting in the Company and the Placing Agent being unable to fulfill its duties and responsibilities under the engagement. However, if during the course of the engagement it has come to the Placing Agent's knowledge that there is any material adverse change in the business and operational environment in the Company which, in the sole opinion of the Placing Agent, may make it inadvisable to continue the engagement, the Placing Agent shall have the right to terminate the engagement by written notice to the Company with immediate effect.

Placing Completion:

Completion is expected to take place within five Business Days after publication of an announcement by the Company of the number of the Unsubscribed Rights Shares and the ES Unsold Rights Shares under the Compensatory Arrangements and upon fulfilment or waiver (as the case may be) of the conditions precedent to the Placing Agreement or such other date as the Company and the Placing Agent may agree in writing.

The Company shall use its best endeavours to procure the fulfilment of such conditions precedent to the Placing Agreement by the Long Stop Date. If any of the conditions precedent to the Placing Agreement have not been fulfilled by the Long Stop Date or become incapable of being fulfilled (subject to the Placing Agent not exercising its rights to waive or extend the time for fulfilment of such conditions), then the Placing will lapse and all rights, obligations and liabilities of the Company and the Placing Agent in relation to the Placing shall cease and determine, save in respect of any accrued rights or obligations under the Placing Agreement or antecedent breach thereof.

The Placing Agent confirmed that it is independent of and not connected with the Company and its connected person and not a connected person of the Company. The engagement between the Company and the Placing Agent for the Unsubscribed Rights Shares (including the commission payable) was determined after arm's length negotiation between the Company and the Placing Agent and is on normal commercial terms with reference to the market comparables, the existing financial position of the Group, the size of the Rights Issue, and the current and expected market condition. The Directors consider that the terms of Placing Agreement for the Unsubscribed Rights Shares (including the commission payable) are on normal commercial terms.

Given that the Compensatory Arrangements would provide (i) a distribution channel of the Unsubscribed Rights Shares and the ES Unsold Rights Shares to the Company; (ii) an additional channel of participation in the Rights Issue for independent Qualifying Shareholders; and (iii) a compensatory mechanism for No Action Shareholders, the Directors consider that the Compensatory Arrangements are fair and reasonable and would provide adequate safeguard to protect the interest of the Company's minority Shareholders.

Application for listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms to be issued and allotted pursuant to the Rights Issue. The nil-paid Rights Shares shall have the same board lot size as the Shares, i.e. 10,000 Rights Shares in one board lot. No part of the share capital of the Company is listed or dealt in or on which listing or permission to deal in is being or is proposed to be sought on any other stock exchange.

Rights Shares will be eligible for admission in CCASS

Subject to the granting of the approval for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from their respective commencement dates of dealings on the Stock Exchange or such other dates as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbrokers or other professional advisers for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Stamp duty and other applicable fees

Dealings in the Rights Shares in both their nil-paid and fully-paid forms will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy, AFRC transaction levy or any other applicable fees and charges in Hong Kong.

Taxation

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the nil-paid Rights Shares or the Rights Shares and, regarding the Excluded Shareholders, their receipt of the net proceeds, if any, from sale of the nil-paid Rights Shares on their behalf.

Share certificates and refund cheques for the Rights Issue

Subject to the fulfillment of the conditions of the Rights Issue, share certificates for all fully paid Rights Shares are expected to be posted on Friday, 25 July 2025 by ordinary post to the allottees, at their own risk, to their registered addresses. Each Shareholder will receive one share certificate for all allotted Shares. If the Rights Issue is terminated, refund cheques are expected to be posted on Friday, 25 July 2025 by ordinary post to the applicants, at their own risk, to their registered addresses.

Conditions of the Rights Issue

The Rights Issue is conditional upon:

- (i) the passing by the Shareholders (or the Independent Shareholders, as the case may be) at the EGM of the necessary resolution(s) to approve the Share Consolidation, the Capital Reduction and the Sub-division and the Rights Issue, and the transactions contemplated thereunder (including but not limited to the allotment and issue of the Rights Shares) by no later than the Prospectus Posting Date;
- (ii) the Share Consolidation, the Capital Reduction and the Sub-division and the Change in Board Lot Size becoming effective;
- (iii) the GEM Listing Committee of the Stock Exchange granting or agreeing to grant and not having withdrawn or revoked the listing of, and permission to deal in, all the Rights Shares (in their nil-paid and fully-paid forms);
- (iv) the delivery to the Stock Exchange and the filing and registration with the Registrar of Companies in Hong Kong respectively one duly certified copy of each of the Prospectus and the PALs (and all other documents required to be attached thereto) in compliance with the Companies (WUMP) Ordinance and the GEM Listing Rules by no later than the Prospectus Posting Date;
- (v) the posting of the Prospectus Documents to Qualifying Shareholders and the posting of the Prospectus and the Overseas Letter, if any, to the Excluded Shareholders for information purpose only explaining the circumstances in which they are not permitted to participate in the Rights Issue by the Prospectus Posting Date; and
- (vi) the Placing Agreement not being terminated.

The Company shall use all reasonable endeavours to procure the fulfilment of all the above conditions by the respective dates specified above.

As the proposed Rights Issue is subject to the above conditions, it may or may not proceed.

WARNING OF THE RISKS OF DEALING IN SHARES AND RIGHTS SHARES

REASONS FOR THE RIGHTS ISSUE AND USE OF PROCEEDS

The Group is principally engaged in the sale of baby and children garments.

As set out in the annual report of the Company for the year ended 31 March 2024, the cash and bank balances of Group was approximately HK\$4.4 million as at 31 March 2024. As at 31 March 2024, the Group's liabilities mainly comprised of trade payables of approximately HK\$20.1 million, accruals and other payables of approximately HK\$10.4 million and loans and other borrowings of approximately HK\$11.7 million.

Due to the threat of the COVID-19, the Group has recorded a decline in revenue from approximately HK\$78.4 million for the year ended 31 March 2023 to HK\$69.8 million for the year ended 31 March 2024. The Group has also recorded a net loss for two consecutive years of approximately HK\$6.0 million and HK\$4.1 million for the year ended 31 March 2023 and 2024 respectively. The Group expects future adverse economic conditions would continue to negatively affect the Group's financial position and performance. As such the Group will continue to monitor the development and the volatile market conditions. In the current abnormal business conditions, the Group is conscious about the importance of liquidity in the Group's ongoing operations and managing cash flow is a very critical aspect during a period of crisis. Given that the net cash generated in operating activities for the year ended 31 March 2024 was only approximately HK\$4.2 million, the Board foresee the Group's forthcoming cash level might be further strained when the Group conducts its business activities. As a low cash level would not be ideal for the Group's business operations the Group is considering actions to increase liquidity with a view to strengthen the competitive edge of the Group over the competitors in the industry and will put efforts to evaluate any good investment opportunities should they arise, such as the feasibility of further enhancement to carry out the sale of baby and children garments business.

Having considered volatile market conditions on the Group's business and financial position, the cash level of the Group, as well as the estimated working capital required for the Group's daily operation, the Board considers that the Rights Issue represents an opportunity for the Company to strengthen its capital structure without incurring debt financing cost, improve the financial position, and provide additional financial resources for capturing suitable business expansion and investment opportunities as they arise.

It is estimated that the Company will raise up to approximately HK\$30.7 million from the Rights Issue and the relevant expenses would be approximately HK\$1.2 million, which includes placing commission and professional fees payable to financial advisers, legal advisers, financial printer and other parties involved in the Rights Issue. The estimated net proceeds from the Rights Issue will accordingly be approximately HK\$29.5 million (equivalent to a net price of approximately HK\$0.28 per Rights Share). In line with the aforesaid business objectives, the Company intends to utilise the net proceeds from the Rights Issue as follows:

- (i) approximately HK\$11.7 million for the repayment of the Group's other borrowings;
- (ii) approximately HK\$6.0 million for the payment of rental expenses and management fee for the next 12 months;
- (iii) approximately HK\$6.0 million for the payment of salaries of the Group's employees for the next 12 months; and
- (iv) approximately HK\$5.8 million for the working capital for the existing business.

Repayment of the Group's other borrowings

As at 31 March 2024, the Group's cash and bank balances amounted to HK\$4.4 million, while its current liabilities stood at HK\$42.6 million. The borrowings totalled HK\$11.7 million are repayable on demand, of which HK\$8.4 million are interest bearing at 4% and HK\$3.3 million are interest bearing at 5%. As such, the Company has genuine funding needs. The interest expenses of such borrowings of the Group will place burden on the Group. It is the intention of the Company to reduce the gearing and interest expenses.

Payment of rental expenses and management fee for the next 12 months

As at the date of this announcement, the Group rents an office and a warehouse in Hong Kong and 3 department store counters in Hong Kong. The monthly rental expenses and management fee for the office, warehouse and department store are approximately HK\$0.5 million. As such, the Group intends to apply approximately HK\$6.0 million from the Rights Issue for the payment of rental expense and management fee for the next 12 months.

Payment of salaries of the Group's employees for the next 12 months

As at the date of this announcement, the Group has 32 staffs. Taking into account of the staff costs for the 34 staffs of approximately HK\$6.1 million for the year ended 31 March 2024, the Group intends to apply approximately HK\$6.0 million from the Rights Issue for the payment of salaries of the Group's employees for the next 12 months.

Working capital for the existing business

The Group is principally engaged in sale of baby and children garment. However, our revenue declined during the year ended 31 March 2024 due to the drop of birth rate in Hong Kong. In order to retain our customers, avoid causing disruption to the delivery schedule required by other customers, keep good relationships with the customers in long run and maintain the ability in capture potential new contracts, the Group would like to keep a healthy cash flow level in order to make payments on time for the corresponding cost of the services, even if there is any delay in payments made by the customers. As such, the Group intends to apply approximately HK\$5.8 million from the Rights Issue for the working capital for the existing business and to repay part of the trade and other payables in order to improve the liquidity of the Group and satisfy certain repayment of current debts of the Group as and when they fall due.

The Board considers that the Rights Issue provides a good opportunity for the Group to strengthen its capital base and to enhance its financial position, while at the same time the Rights Issue will enable all Qualifying Shareholders to participate in the future development of the Company on equal terms. Since the Rights Issue will allow the Qualifying Shareholders to maintain their respective pro rata shareholdings in the Company and therefore avoid dilution, the Board considers that it is in the interests of the Company and the Shareholders as a whole to raise capital through the Rights Issue.

If the Rights Issue is undersubscribed, the above use of proceeds will be adjusted by the Company accordingly and the net proceeds from the Rights Issue will be applied by the Company in the following order of priority:

- (i) for repayment of the Group's other borrowings;
- (ii) for payment of rental expenses and management fee for the next 12 months;
- (iii) for payment of salaries of the Group's employees for the next 6 months; and
- (iv) for the working capital for the existing business.

As at the Latest Practicable Date, save for the Rights Issue, the Board has no intention or plan to conduct other equity fund raising activities in the next 12 months. However, if the net proceeds from the Rights Issue cannot satisfy the upcoming financing needs, the Board does not rule out the possibility that the Company may conduct further equity fund raising exercises to support the business operations of the Group. The Company will make further announcement in this regard in accordance with the GEM Listing Rules as and when appropriate.

Alternative fund-raising methods considered

The Directors have considered other financing alternatives including (i) other debt financing, and (ii) equity fund raising such as placement of new Shares and open offer. The Board considers that fund raising through the Rights Issue is in the interests of the Company and the Shareholders as a whole, for the reasons as follows:

- (i) The Board considers that the Rights Issue would give the Qualifying Shareholders the opportunity to maintain their respective prorated shareholding interest in the Company and provide an opportunity to all Qualifying Shareholders to participate in the growth of the Company in proportion to their shareholdings. Although those Qualifying Shareholders who do not take up the Rights Shares to which they are entitled and Excluded Shareholders may make their shareholdings diluted, the Rights Issue requires the Independent Shareholders' approval so that the Independent Shareholders are given an opportunity to decide whether the Company shall proceed to the Rights Issue by voting for or against at the EGM to approve the Rights Issue;
- (ii) as for other debt financing, as at the date of this announcement, the Group has attempted to obtain other loan financing from independent third parties, but the interest rate offered is generally over 20% per annum;
- (iii) as for placement of new Shares, it would lead to immediate dilution in the shareholding interest of existing Shareholders without offering them the opportunity to participate in the enlarged capital base of the Company; and
- (iv) as for open offer, similar to a rights issue, it also offers qualifying shareholders to participate, but it does not allow the trading of rights entitlements in the open market.

As such, the Directors consider that equity financing does not involve recurring interest expense and the financing process is usually simpler and quicker than negotiating bank borrowings, and therefore would allow the Group to react promptly to market conditions and business opportunities.

FUND RAISING ACTIVITIES INVOLVING ISSUE OF SECURITIES IN THE PAST 12 MONTHS

The Company has not conducted any fund raising activities involving issue of its securities in the past 12 months immediately preceding the date of this announcement.

GEM LISTING RULES IMPLICATIONS
