The Board wishes to inform the shareholders of the Company and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2025, the Group is expected to record an unaudited net profit for the year ended 31 March 2025 of not less than HKD50 million, as compared to a net profit of approximately HKD7.3 million for the year ended 31 March 2024.

The Board is of the view that the increase is mainly due to (i) the increased contribution from the Group’s business of financial services with operations licensed under the SFO; (ii) the recovery of the Hong Kong capital market and increase in activity in the new stock market; and (iii) the overall revenue of SaaS services increased.

The information contained in this announcement is based on a preliminary assessment by the Board based on information currently available including the unaudited consolidated management accounts of the Group for the year ended 31 March 2025, which have not been confirmed, reviewed or audited by the auditors or the Audit Committee of the Company.
