Unless otherwise defined herein, capitalized terms used in this announcement shall have the same meaning as those defined in the Announcements.

RESUMPTION GUIDANCE

On 15 July 2025, the Company received a letter from the Stock Exchange (the "**Letter**") setting out the guidance for the resumption of trading in the Shares on the Stock Exchange (the "**Resumption Guidance**"). Pursuant to the Resumption Guidance, the Company shall:

(a) demonstrate its compliance with GEM Listing Rule 17.26; and

The Letter also states that the Company must meet all resumption guidance, remedy the issues causing its trading suspension and fully comply with the GEM Listing Rules to the Stock Exchange's satisfaction before trading in its securities is allowed to resume. For this purpose, the Company has the primary responsibility to devise its action plan for resumption. Whilst the Company may seek the Stock Exchange's guidance on its resumption plan, its resumption plan is not subject to the Stock Exchange's prior approval before implementation. The Stock Exchange also indicated that it may modify or supplement the Resumption Guidance if the Company's situation changes.

Further guidance

Under Rule 9.14A(1) of the GEM Listing Rules, the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 12 months. In the case of the Company, the 12-month period expires on 8 July 2026. If the Company fails to remedy the issues causing its trading suspension, fulfil the Resumption Guidance and fully comply with the GEM Listing Rules to the Stock Exchange's satisfaction and resume trading in its Shares by 8 July 2026, the Listing Division will recommend the GEM Listing Committee to proceed with the cancellation of the Company's listing. Under Rules 9.01, 9.04, 9.14 and 9.15 of the GEM Listing Rules, the Stock Exchange also has the right to impose a shorter specific remedial period or to cancel the listing of the Company immediately, where appropriate.

The Resumption Guidance further stated that the Company must also comply with the GEM Listing Rules and all applicable laws and regulations in Hong Kong and its place of incorporation before resumption.

While trading is suspended, the Company is also reminded of its obligations under the Listing Rules including, but not limited to, the following:

(a) keep the duration of any trading suspension to the shortest possible period as required under GEM Listing Rule 9.09;

(b) comply with its continuing obligations under the GEM Listing Rules at all times, for example, those applying to notifiable and/or connected transactions under Chapters 19 and 20 of the GEM Listing Rules and publication of periodic financial results and reports and, if they are not available, management accounts under Chapter 18 of the GEM Listing Rules;

(c) announce inside information required to be disclosed under Part XIVA of the Securities and Futures Ordinance; and

    (i) its business operations;

    (ii) its resumption plan with details of actions that it has taken and intends to take to remedy the issues causing its trading suspension, fulfill the resumption guidance and fully comply with the GEM Listing Rules and resume trading. The resumption plan should be accompanied with a clear timeframe in respect of each stage of work under the plan with a view that the resumption guidance can be fulfilled and trading can resume as soon as practicable and, in any event before the 12-month period expires;

    (iii) the progress of implementing its resumption plan; and

    (iv) details of any material change to the resumption plan and, in the case of delay, the reasons and impact of such delay.

The Company must announce the first quarterly update on or before 8 October 2025 and every 3 months from that date until resumption or cancellation of listing (whichever is earlier).

The Resumption Guidance further stated that it is the Company's primary responsibility to devise its own resumption plan with a timetable setting out the actions that it considers appropriate to fulfil the resumption guidance and comply with the GEM Listing Rules, work according to the plan, and announce quarterly updates. Whilst the Company may seek the Stock Exchange's guidance on its resumption plan, its resumption plan is not subject to the Stock Exchange's prior approval before implementation.

When the Company considers that it has fulfilled the resumption guidance, remedied the issues causing its trading suspension and fully complied with the GEM Listing Rules, it should request the Stock Exchange's confirmation that this is the case and provide the Stock Exchange with sufficient supporting information for assessment.

The Company is taking appropriate steps to resolve the issues causing its trading suspension and to fully comply with the GEM Listing Rules to the Stock Exchange's satisfaction, and will seek to resume trading in its shares as soon as possible.
