NEGATIVE PROFIT ALERT FOR THE SIX MONTHS ENDED 30 JUNE 2025

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Xinyi Electric Storage Holdings Limited (the “**Company**”, which together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10(2) of The Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

Following a preliminary review by the Board of the currently available information, which includes, but without limitation to, the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the “**1H2025**”), the Board wishes to inform the shareholders (the “**Shareholders**”) and the prospective investors of the Company that the amount of the unaudited consolidated profit attributable to owners of the Company (the “**Net Profit**”) for the 1H2025 is expected to decrease significantly by 60% to 80%, as compared to the amount of the Net Profit of HK\$12.3 million for the six months ended 30 June 2024. The expected decrease in the amount of the Net Profit for the 1H2025 is primarily attributable to the following factors:

- (1) the decrease in the amount of revenue and gross profit from the engineering, procurement and construction services for photovoltaic power stations as a result of the decrease in average selling price in Mainland China market and the decrease in installation volume in Canadian market following the suspension of Canadian federal government subsidy applications at the national level; and

- (2) the decrease in the amount of revenue and gross profit from the photovoltaic films, which was primarily due to the market oversupply of the photovoltaic film products and the corresponding decrease in the average selling price. In response, the Group has implemented a more prudent sales strategy and tighter control of the order scale.

The information in this announcement is based on the information currently available to the Board. Hence, the information in this announcement is subject to change or adjustment following further review by the Board. The information in this announcement has not been reviewed by the external auditors of the Company or the audit committee of the Board.

The Board expects that the announcement of the unaudited consolidated interim results of the Group for the 1H2025 will be published by end of August 2025 in compliance with the requirements under the GEM Listing Rules.

Shareholders and prospective investors of the Company are advised to exercise caution when dealing in the shares of the Company.
