POSITIVE PROFIT ALERT

This announcement is made by UBoT Holding Limited (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the information currently available to the Group, the Group is expected to record a profit for the period of approximately HK\$5.3 million for the six months ended 30 June 2025 as compared to a loss for the period of approximately HK\$9.5 million for the six months ended 30 June 2024.

The Board considered that the net profit for the six months ended 30 June 2025 was mainly attributable to (i) the increase in sales of tray and tray related products as compared to the corresponding period in 2024, arising from the revival of demand for tray and tray related products in 2025 from the less favourable market conditions in 2024, (ii) the increase in sales of carrier tape and reel products as compared to the corresponding period in 2024 and (iii) the fact that the Company did not record one-off listing expenses during the six months ended 30 June 2025 as compared to the corresponding period in 2024.

The information contained in this announcement is based solely on the preliminary review and assessment by the Board with reference to the management accounts for the six months ended 30 June 2025 along with information currently available to the Company, which have not been audited or reviewed by the auditor or the audit committee of the Company and may be subject to adjustments. Further details of the Group’s financial results and performance will be disclosed in the interim results announcement of the Company for the six months ended 30 June 2025 expected to be published on 26 August 2025 in accordance with the GEM Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
