The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 (the "**Current Period**"), and the information currently available to the Board, the Group is expected to record a net profit ranging from RMB7.0 million to RMB10.0 million for the Current Period, as compared to a net profit of approximately RMB18.8 million for the six months ended 30 June 2024.
