Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of existing share certificates held by such holder.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares arising from the Share Consolidation, the Company will appoint a securities firm as an agent to provide a matching service, on a best efforts basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular of the Company to be despatched to the Shareholders.

Exchange of share certificates

Subject to the Share Consolidation having become effective, Shareholders may, during the period from 9:00 a.m. on 8 December 2025 to 4:30 p.m. on 16 January 2026 (both days inclusive), submit the existing share certificates in green colour for the Existing Shares to the Registrar in Hong Kong, Tricor Investor Services Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, to exchange, at the expense of the Company, for new share certificates for the Consolidated Shares in red colour. Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Consolidated Shares at the expense of the Shareholders on payment of a fee of HK$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Consolidated Shares (whichever the number of share certificate cancelled/issued is higher) but are not acceptable for delivery, trading and settlement purposes.

REASONS FOR THE PROPOSED SHARE CONSOLIDATION

Pursuant to Rule 17.76 of the GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK$0.01 or HK$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. Further, pursuant to the "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in September 2024, (i) market price of the Shares at a level less than HK$0.10 will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected board lot value per board lot should be greater than HK$2,000.

As the Existing Shares have been trading below HK$1.0 since April 2021, the board lot value per board lot has fallen below HK$2,000 for over four years. As such, the Board proposes to implement the Share Consolidation in order to comply with the trading requirements of the GEM Listing Rules.

Based on the closing price of the Existing Shares of HK$0.41 as at the date of this announcement and the current board lot size of 2,000 Existing Shares, the board lot value of the Existing Shares is HK$820. The Share Consolidation will increase the value of each board lot. After the Share Consolidation having become effective, and based on the closing price of the Existing Shares of HK$0.41 (equivalent to HK$2.05 per Consolidated Share) as at the date of this announcement, the expected market board lot value of 2,000 Consolidated Shares will be HK$4,100. As such, the Board considers that the Share Consolidation will enable the Company to comply with the trading requirements under the GEM Listing Rules in the long run and will reduce the overall transaction and handling costs of dealing in the Shares as a proportion of the market value of each board lot, since most of the banks/ securities houses will charge a minimum transaction costs for each securities trade.

Further, the Group has been actively reviewing from different levels and ways to enrich the development strategy of corporate sustainability and optimisation to create value. The Board believes that the Share Consolidation will make investing in the Consolidated Shares more attractive to a broader range of institutional and professional investors in order to optimise the Shareholder base and improve the value of the Shares in the long run. When deciding to invest in any particular company, institutional and professional investors tend to consider, among other factors, the stability of the share price performance and how it compares with its peers in a particular sector. Therefore, the Company believes that an upward adjustment in the trading price of the Consolidated Shares will make investing in the Consolidated Shares more attractive to a broader range of institutional and professional investors, and that the corporate image and profile of the Company would be uplifted.

The Board believes the Share Consolidation will not have any material adverse effect on the financial position of the Company nor result in change in the relative rights of the Shareholders and is in the interests of the Company and the Shareholders as a whole.

EQUITY FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS

The Company has not conducted any equity fund-raising activity in the past 12 months immediately preceding the date of this announcement.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may affect the trading in the Shares, and the Company does not have any concrete plan to conduct any fund-raising activities in the next 12 months. However, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fund-raising exercises when suitable fund-raising and/or investment opportunities arise in order to support future development of the Group. The Directors will carefully consider the likely impact on the Shareholders before they will proceed on any fundraising exercises. The Company will make further announcement in this regard in accordance with the GEM Listing Rules as and when appropriate.
