## INTERIM RESULTS ANNOUNCEMENT

# CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2025

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

This announcement, for which the directors (the "Directors") of DLC Asia Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### BUSINESS REVIEW AND OUTLOOK

The Group is an interdealer broker in Hong Kong providing derivatives brokerage services to the professional investors (as defined under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the "SFO")) (the "Professional Investors") through its wholly-owned subsidiary, De Riva, which is a licensed corporation under the SFO and a HKFE Exchange Participant. De Riva is licensed by the Securities and Futures Commission of Hong Kong (the "SFC") to carry out type 1 (dealing in securities) and type 2 (dealing in futures contracts) regulated activities in Hong Kong for Professional Investors without providing any margin financing services. Under the licensing condition, De Riva can only provide services to Professional Investors.

The principal business of the Group is derivatives brokerage, which involves matching and/or executing and settling derivatives trade orders for the customers. When the customers place a trade order, it usually involves a combination of futures and options and other derivatives products, which are typically viewed as a single product by the customers in the derivatives market. During the period under review, the Group derived all of its revenue from commission income for derivatives brokerage services provided to the customers.

For the six months ended 30 September 2025, the trade orders involved listed derivatives products which were either executed on Hong Kong Exchanges and Clearing Limited (the "HKEx"), or the Singapore Exchange (the "SGX") or the Eurex Exchange (the "EUREX"), and non-listed derivatives products which were all executed over-the-counter ("OTC"). The Group has, through De Riva, entered into arrangements with a number of execution brokers to provide derivative services for SGX listed derivatives as De Riva does not have the relevant trading rights. Hence, De Riva acted as an agent to arrange for and match up trade orders without providing any execution, settlement or clearing services, and trading parties are directly responsible for all risks involved in the OTC transactions.

For the six months ended 30 September 2025, the revenue was approximately HK\$17.0 million, representing a decrease of approximately 36.3% when compared with the revenue of approximately HK\$26.7 million of the corresponding period in 2024.

There have been no material changes to the business and likely future development of the Group since the publication of the annual report of the Company for the year ended 31 March 2025.
