PROFIT WARNING

This announcement is made by Life Concepts Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2025, the Group expects that the net loss for the six months ended 30 September 2025 approximately HK\$5.0 million, as compared to the net loss of the Group for the six months ended 30 September 2024 of approximately HK\$2.5 million. The Board considers that the increase in loss was mainly attributable to the increase in imputed interest derived from the interest free loans from former directors, a director and related parties. The imputed interest has no cash impact to the Group.

The Company is still in the course of finalizing its consolidated financial results of the Group for the six months ended 30 September 2025. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and the information currently available to the Board. The actual financial results of the Group may be different from what is disclosed in this announcement. Such information has neither been confirmed nor audited by the Company’s auditors or audit committee of the Board and may be subject to change. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the six months ended 30 September 2025 when it is published.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
