REASONS FOR THE PLACING AND USE OF PROCEEDS

The Group is principally involved in (i) the sale of home furniture and accessories; (ii) rental of home furniture and accessories; and (iii) project and hospitality services, which typically involve designing, styling, decorating and furnishing commercial or residential properties such as hotels, serviced apartments and showflats.

Assuming the maximum number of the Placing Shares is placed under the Placing Agreement, the gross proceeds from the Placing will be approximately HK$11.6 million, and the net proceeds will be approximately HK$11.4 million (after deduction of commission and other expenses of the Placing), representing a net issue price of approximately HK$0.115 per Placing Share.

The Company intends to use the net proceeds from the Placing as general working capital of the Group as follows: (i) approximately HK$6.0 million for payment of salary, remuneration, rental, and trade related expenses; (ii) approximately HK$4.6 million for other operating & administrative expenses;

and (iii) approximately HK$1.0 million for payment of the accrued expenses of the Group, including accrued rental expenses in Hong Kong, repayment of bank loan in Dubai and other borrowings.

The proceeds from the Placing are expected to be fully utilised by the Group by 28 February 2026.

The Directors consider that the Placing will strengthen the Group's cash flow position and represents an opportunity to raise additional funding for the business operations of the Group and will, enlarge Shareholders' base of the Company which may in turn enhance the liquidity of the Shares, and provide working capital to the Group to meet any financial obligations of the Group without any interest burden, within a relatively shorter time frame and at lower costs when compared with other means of fundraising.

The Directors consider that the Placing Agreement is entered into upon normal commercial terms following arm's length negotiations between the Company and the Placing Agent and the terms of the Placing Agreement (including the Placing Price and the placing commission) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
