POSITIVE PROFIT ALERT

This announcement is made by UBoT Holding Limited (the “**Company**”) and its subsidiaries (collectively referred to as the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 and the information currently available to the Board, the Group is expected to record a profit for the year attributable to the owners of the Company of approximately HK\$12.0 million for the year ended 31 December 2025, as compared to a loss attributable to the owners of the Company of approximately HK\$23.2 million for the year ended 31 December 2024.

The Board considered that, such expected increase in the unaudited consolidated profit attributable to the owners of the Company for the year ended 31 December 2025 was mainly attributable to (i) the increase in sales of tray and tray related products as compared to the year ended 31 December 2024, arising from the revival of demand for tray and tray related products in 2025 from the less favourable market conditions in 2024, and (ii) the increase in sales of carrier tape and reel products attributable to a larger customer base, as compared to the year ended 31 December 2024.

The Board wishes to remind investors that the Group is still in the course of preparing and finalising the annual results of the Group for the year ended 31 December 2025. The information contained in this announcement is based solely on the preliminary review and assessment by the Board with reference to the information currently available to the Company, including the unaudited consolidated financial statements of the Group for the year ended 31 December 2025, which have not been audited or reviewed by the auditor or the audit committee of the Company and may be subject to adjustments based on further updated information and may differ from the information disclosed herein. Further details of the Group's actual financial results and performance will be disclosed in the annual results announcement of the Company for the year ended 31 December 2025 which is expected to be published on 24 March 2026 in accordance with the GEM Listing Rules.
