INSIDE INFORMATION

WINDING-UP PETITION AGAINST A SUBSIDIARY AND UPDATE ON PREVIOUS WINDING-UP PETITION

This announcement is made by Polyfair Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10 of the Rules Governing the GEM Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**GEM Listing Rules**") and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong).

WINDING-UP PETITION AGAINST A SUBSIDIARY

The board of directors of the Company (the "**Board**") announces that on 12 March 2026, a winding-up petition (the "**Petition**") was presented against Polyfair Construction & Engineering Limited (the "**PCE**"), a wholly owned subsidiary of the Company, by Ma Kin Tsang (the "**Petitioner**") in the High Court of Hong Kong under the provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong). The Petition seeks an order for the winding-up of PCE and is scheduled to be heard on 27 May 2026.

The Petition was filed in connection with an outstanding judgment debt of approximately HK$190,700 (including costs) arising from a consent order issued by the Labour Tribunal on 8 May 2025, which required PCE to pay the Petitioner this sum in full and final settlement of their claim. As at 9 December 2025, the total outstanding amount (including accrued interest) is approximately HK$156,900. Due to PCE's failure to comply with the instalment payment schedule under the Labour Tribunal's consent order and subsequent non-compliance with a statutory demand dated on 9 December 2025, the Petitioner has filed the Petition for the winding-up of PCE. As at the date of this announcement, no winding-up order has been granted by the High Court against PCE.

The Company considers that the amount involved is immaterial to the operations and financial position of the Group as a whole. The Company will contact the Petitioner shortly with a view to settling the outstanding debt and resolving the matter amicably. The Company is also seeking legal advice to determine the appropriate course of action in response to the Petition, with the objective of protecting the interests of the Company and its shareholders as a whole. The Board believes this issue will be resolved properly in a timely manner.

PCE is a limited company incorporated in Hong Kong and is principally engaged in construction and engineering business. For the year ended 31 March 2025, the PCE accounted for about 100% of the Group's revenue of approximately HK$237.6 million. As at 31 March 2025, the PCE accounted for approximately total net liabilities of about HK$40.6 million.

Notwithstanding the presentation of the Petition, the Directors consider that the claimed amount subject to the Petition does not have any material adverse impact on the operations or financial position of the Group. The Company will keep its shareholders and investors informed of any significant development in relation to the Petition, and make further announcements as and when appropriate.

UPDATE ON PREVIOUS WINDING-UP PETITION

The Company wishes to update all shareholders and investors on the previously announced winding-up petition against PCE initiated by Starway (Hong Kong) Limited on 20 January 2026 (the "**Previous Petition**"). The Company confirms that Previous Petition has been successfully withdrawn by the petitioner in accordance with a court note dated 4 March 2026. The Company is currently awaiting the official court documentation in respect of the withdrawal of the Previous Petition and will make a formal announcement in relation to the matter upon receipt of such official documents.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
