INSIDE INFORMATION – PROFIT WARNING AND FURTHER FINANCIAL UPDATE

References are made to announcement of Famous Tech International Holdings Limited (the "**Company**") relating to the update on performance of securities investment business segment dated 9 January 2026 (the "**First Financial Update Announcement**") and the update on financial information announcement of the Company dated 13 March 2026 (the "**Second Financial Update Announcement**", together with the First Financial Update Announcement, collectively, the "**Announcements**"). Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcements.

The Company wishes to update the Shareholders and the investing public that upon further review of the recent situation relating to the securities investment business segment of the Group, in particular, the fact that one of the financial assets held by the Group as at 31 December 2025 was subsequently delisted from the Stock Exchange after the publication of the First Financial Update Announcement, a decrease in realised and unrealised gain on financial assets at fair value through profit or loss ("**FVTPL Financial Assets**") of approximately HK$6.1 million is required to be made in respect of such delisted securities and therefore the segment profit for the securities investment business segment as originally disclosed in each of the Announcements shall be reduced from approximately HK$10.8 million to approximately HK$4.7 million. As a result of the record of such decrease in realised and unrealised gain on FVTPL Financial Assets subsequent to the Second Financial Update Announcement, the Group is expected to record a net loss of not more than HK$1 million as compared to the net profit of approximately HK$7.2 million for FY2024.

After the publication of the Second Financial Update Announcement, the professional parties conducted a further assessment and resulted in the above adjustment.

Save as disclosed above, all other information contained in the Announcements remains unchanged.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.
