The Company and its subsidiaries are principally engaged in (i) smart manufacturing solutions business; and (ii) the agricultural food technology and sales business.

Assuming that all the Placing Shares are successfully placed by the Placing Agent, the maximum gross proceeds from the Placing are estimated to be approximately HK\$3.42 million, and the maximum net proceeds, after deducting the placing commission, professional fees and all related expenses which may be borne by the Company, from the Placing are estimated to be approximately HK\$3.17 million, representing a net issue price of approximately HK\$0.612 per Placing Share.

As disclosed in the interim result of the Company for the six months ended 30 September 2025, the Group has cash at bank and on hand of approximately HK\$0.26 million, the financial resources of the Group is tight. Up to the date of this announcement, interest of potential investor(s) in subscribing the bonds remained tepid.

The Directors are of the view that the Placing represents an opportunity to promptly strengthen the financial position of the Group to provide working capital of the Group and enlarge shareholders' base of the Company which may in turn enhance the liquidity of the Shares. The maximum net proceeds from the Placing are intended to be used for replenishing the general working capital of the Group.

Having considered the above, the Directors consider that the terms of the Placing Agreement and the transactions contemplated thereunder (including the Placing, the Placing Price and the Placing commission payable to the Placing Agent) are fair and reasonable, and the entering into of the Placing Agreement is in the interests of the Company and the Shareholders as a whole.
