The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform shareholders of the Company (the “**Shareholder(s)**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the twelve months ended 31 December 2025, the Group is expected to record an increase in the profit attributable to owners of the Company of 50% to 70% for the twelve months ended 31 December 2025 as compared to the profit attributable to owners of the Company of approximately RMB11.37 million for the twelve months ended 31 December 2024.
