### **PROFIT WARNING**

This announcement is made by Yik Wo International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2025 (the “**Current Year**”), and the information currently available to the Board, the Group is expected to record a net loss ranging from RMB5 million to RMB10 million for the Current Year, as compared to a net profit of approximately RMB27.2 million for the year ended 31 December 2024.

Following the enhancement of regulatory environment policies in the PRC on the disposable plastic products, in particular in certain provinces and cities, such as Hainan and Shanghai, the government has banned the use of non-degradable plastics. There was a significant decrease in revenue for the year ended 31 December 2025 as compared to that of 2024, due to the intense market competition, reduced demand on plastic box after COVID-19, and gradual change of the preference to the use of bio-degradable plastic products in the market.

The Company is still in the course of finalising the results of the Group for the Current Year. The information contained in this announcement is only based on the preliminary assessment by the Company's management which is based on the latest unaudited consolidated management accounts of the Group for the Current Year and other information available to the management which has not been reviewed or audited by the auditors or confirmed by the audit committee of the Board. The above information may be subject to further adjustment based on further updated information and following the review of the Company's audit committee of the Board. Shareholders and potential investors of the Company are advised to refer to the annual result announcement of the Company for the Current Year which is expected to be published on or before 31 March 2026.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
