## NOTES

### 1 GENERAL INFORMATION

Basic House New Life Group Limited (the “Company”) was incorporated in the Cayman Islands on 1 February 2016 as an exempted company with limited liability under the Companies Law (2010 Revision) of the Cayman Islands. The address of the Company’s registered office is Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman KY1-1111, Cayman Islands. The Company has established a place of business in Hong Kong located at Unit 204A, 2/F, Century Centre, 44-46 Hung To Road, Kwun Tong, Kowloon, Hong Kong.

The Company is an investment holding company. The Company together with its subsidiaries (collectively referred to as the “Group”) are principally engaged in the provision of interior design and fit out solutions services as well as overall project management and securities investment in Hong Kong.

The shares of the Company (the “Share(s)”) are listed on the GEM of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”).

The consolidated financial statements are presented in Hong Kong Dollars (“HK\$”), unless otherwise stated.

### 2 BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements of the Company have been prepared in accordance with HKFRS Accounting Standards issued by the Hong Kong Institute of Certified Public Accountants. In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) and by the Hong Kong Companies Ordinance.

#### Going concern basis

Notwithstanding that the Group incurred net losses approximately HK\$32,726,000 for the year ended 31 December 2025; and the total liabilities of the Group at 31 December 2025 exceed the Group’s total assets at that date by approximately HK\$41,978,000, the directors of the Company consider it appropriate for the preparation of the consolidated financial statements on a going concern basis for at least twelve months immediately after 31 December 2025 after taking into account the following circumstances and measures:

- (a) The substantial shareholder of the Company, Mr. Lui Yu Kin, has agreed to provide loan to the extent of HK\$42,000,000 to the Company, if required, to enable the Group to meet its financial obligations as and when they fall due for the foreseeable future.
- (b) The Group is implementing various measures, such as optimising its overall sales network and undergoing effective cost control to improve the profit margin and operating cash flows of its business.
- (c) The Group will also continue to seek for other alternative financing and bank borrowings to finance the settlement of its existing financial obligations and future operating and capital expenditures.

The directors of the Company are of the opinion that, taking into account the above-mentioned plans and measures, the Group will have sufficient working capital to finance its operations and to meet its financial obligations as and when they fall due for at least twelve months after 31 December 2025. Accordingly, the consolidated financial statements have been prepared on a going concern basis.

Material uncertainty regarding the Group's ability to operate as a going concern exists as to whether management of the Group will be able to achieve its plans and measures as described above. Should the Group be unable to operate as a going concern, adjustments would have to be made to reduce the carrying amounts of the Group's assets to their net realisable amounts, to provide for further liabilities which might arise, and to reclassify non-current assets and non-current liabilities as current assets and current liabilities, respectively. The effect of these adjustments has not been reflected in the consolidated financial statements.

### 3 APPLICATION OF NEW AND AMENDMENTS TO HKFRS ACCOUNTING STANDARDS

### Amendments to HKFRS Accounting Standards that are mandatorily effective for the current year

In the current year, the Group has applied the following amendments to HKFRS Accounting Standards issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) for the first time, which are mandatorily effective for the Group’s annual period beginning on 1 January 2025 for the preparation of the consolidated financial statements:

## Amendments to HKAS 21

### Lack of Exchangeability

The application of the amendments to HKFRS Accounting Standards in the current year has had no material impact on the Group's financial positions and performance for the current and prior years and/or on the disclosures set out in these consolidated financial statements.

Under the two-tiered profits tax rates regime of Hong Kong Profits Tax, the first HK\$2 million of profits of the qualifying group entity will be taxed at 8.25%, and profits above HK\$2 million will be taxed at 16.5%. The profits of group entities not qualifying for the two-tiered profits tax rates regime will continue to be taxed at a flat rate of 16.5%. Accordingly, the Hong Kong Profits Tax of the qualifying group entity is calculated at 8.25% on the first HK\$2 million of the estimated assessable profits and at 16.5% on the estimated assessable profits above HK\$2 million.

Under the Law of the PRC on Enterprise Income Tax (the “EIT Law”) and Implementation Regulation of the EIT Law, the tax rate of the PRC subsidiary is 25% for both years.

At the end of the reporting period, the Group has unused tax losses of approximately HK\$28,090,000 (2024: HK\$16,571,000) available for offsetting against future profits. No deferred tax asset has been recognised in respect of the unused tax losses due to unpredictability of future profit streams. The tax losses may be carried forward indefinitely.

At the end of the reporting period, the Group has deductible temporary differences of approximately HK\$4,915,000 (2024: HK\$2,274,000) related to impairment losses on trade receivables, contract assets, deposits and other receivables and loans and interest receivables. No deferred tax asset has been recognised in relation to such deductible temporary difference as it is not probable that taxable profit will be available against which the deductible temporary differences can be utilised.

## 9 DIVIDENDS

The Board of Directors does not recommend the payment of a dividend in respect of the year (2024: Nil).

## 10 LOSS PER SHARE

### (a) Basic loss per share

Basic loss per share is calculated by dividing the loss for the year attributable to owners of the Company by the weighted average number of ordinary shares in issue during the financial year.

|                                                                          | 2025          | 2024          |
|--------------------------------------------------------------------------|---------------|---------------|
| Loss for the year attributable to owners of the Company<br>(in HK\$'000) | (32,542)      | (11,262)      |
| Weighted average number of ordinary shares ('000)                        | 360,274       | 360,274       |
| Basic loss per share (in HK cents)                                       | <u>(9.03)</u> | <u>(3.13)</u> |

### (b) Diluted loss per share

As the Group incurred a loss for the years ended 31 December 2025 and 31 December 2024, the potential ordinary shares arising from the conversion of the convertible bonds and the exercise of the Company's share options were anti-dilutive. This is because their inclusion would have resulted in a decrease in the loss per share from continuing operations. Accordingly, the diluted loss per share is the same as the basic loss per share for both years.

## **EXTRACT FROM INDEPENDENT AUDITORS' REPORT**

McMillan Woods (Hong Kong) CPA Limited, the independent auditor of the Company, expressed an opinion on the Group's consolidated financial statements for the year ended 31 December 2025. The followings are the extracts from the independent auditor's report:

### **Opinion**

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2025, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with HKFRS Accounting Standards as issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

### **Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") as issued by HKICPA. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), as applicable to audits of financial statements of public interest entities. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Material Uncertainty Related to Going Concern**

We draw attention to note 2 to the consolidated financial statements, that the Group incurred net losses amounted to approximately HK\$32,726,000 for the year ended 31 December 2025 and the total liabilities of the Group at 31 December 2025 exceed the Group's total assets at that date by approximately HK\$41,978,000. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. In light of all the measures and arrangements detailed in note 2 to the consolidated financial statements, the directors are of the opinion that the Group will be able to finance its future working capital and financial requirements for at least twelve months immediately after 31 December 2025. Our opinion is not modified in respect of this matter.

## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **BUSINESS OVERVIEW**

Basic House New Life Group Limited (the “Company”, formerly known as AL Group Limited) together with its subsidiaries (collectively referred to as the “Group”), principally derives its revenue from the following business arms: (i) Design and Fit Out Business, which provides integration of interior design, fit out solutions and repair and maintenance services in Hong Kong; and (ii) Treasury Investment Business, which invests in equity securities listed in Hong Kong and derivatives listed in Hong Kong and Overseas.

#### **Design and Fit Out Business**

The business was established in 1999 under the name of AL Design & Associates Limited (“AL Design”), which is a well-established interior design and fit out solutions provider in Hong Kong. The Group believes that its success is firmly rooted in its extensive experience and portfolio in interior design and fit out works as well as project management. The Group’s services can be broadly categorised as (i) design and fit out and (ii) design only. In addition, the Group also provides maintenance and aftersales services which could cater for its customers’ different requirements.

#### **Treasury Investment Business**

The Group established the Treasury Investment Business during the year ended 31 December 2023. The Group will keep seeking for opportunities of equity appreciation and cash flow return in the equity securities market listed in Hong Kong and derivatives market listed in Hong Kong and Overseas.

### **PROSPECTS**

For the Design and Fit Out Business, the management of the Group (the “Management”) is committed to strengthen the customer base. The Group will continue to find new orders and customers. Because of the unstable economic condition, there was an adverse impact to the Group and accordingly, the Management will actively keep monitoring the performance of the Group, and will implement appropriate strategy in a timely manner. Despite the uncertainties, the Management still remains positive towards the Design and Fit Out Business in the long run.

The Group commenced the business of securities investment during the year ended 31 December 2023. The Board is optimistic on the prospects of the equity securities market listed in Hong Kong and considered that the new business will further enhance the Company’s financial performance as well as the value of the shareholders.

In addition, the Group will dedicate further resources to capturing emerging opportunities in the property market, with a particular focus on the Basic Housing Units sector. Consistent with its strategy to broaden and diversify its business portfolio, the Group will draw upon its proven expertise in interior design, fit-out, and repair and maintenance services to develop and manage high-quality, compliant Basic Housing Units.

The Basic Housing Units Ordinance (Chapter 658 of the Laws of Hong Kong), promulgated on 3 October 2025 and effective from 1 March 2026 (except Part 2 thereof), requires subdivided units to satisfy prescribed minimum living standards before they may be lawfully rented. This regulatory framework aims to enhance safety, hygiene, and overall living conditions for tenants.

In alignment with these developments, the Group plans to strengthen its Basic Housing Units Business by acting as landlord, principal tenant, or service provider, offering comprehensive conversion, consultancy, and management solutions to property owners. The Group targets the development of approximately 1,000 units in the first year, with potential annual rental income of around HK\$60 million at full occupancy. Over the next three years, it intends to expand to approximately 3,000 units, fostering sustainable growth and delivering long-term value to shareholders.

The Group's cost of sales and services increased by approximately 30.1% to approximately HK\$60.6 million for the year ended 31 December 2025 as compared to the year ended 31 December 2024.

Concurrently, the Group will continue to actively identify and secure quality projects to broaden its revenue base, with the objective of maintaining an appropriate balance between sustainable growth and financial stability.

## **LEGAL PROCEEDINGS**

On 8 November 2023, ACE Architectural and Interior Design Limited (“ACE”), a former subsidiary of the Company, was ordered to be wound up by the High Court of Hong Kong in HCCW347/2023 and the provisional liquidator of ACE was appointed.

ACE filed a notice of appeal against the Order (the “Appeal”) to the Court of Appeal of the High Court on 6 December 2023. At the time of filing of the notice of Appeal on 6 December 2023, the Board had undertaken a parallel effort to seek legal advice in evaluating the substantive legal merits. Failure to file the notice of Appeal within the 28-day time limit from the date of the Order would have resulted in ACE forfeiting its right to pursue such Appeal.

After due deliberation on the legal assessment, the Board has resolved not to proceed with the Appeal. Given (i) the insolvency of ACE with net liabilities of approximately HK\$65 million as at the Deconsolidation Date; (ii) the substantial requisite funding from the Group to remedy the insolvent condition of ACE; and (iii) the ongoing litigation time and costs associated with continued pursuit of the Appeal, the Board considers that the withdrawal of the Appeal represents the most prudent and beneficial course of action for the Company, and is in the interests of the Company and the shareholders of the Company.

To the best knowledge, information and belief of the Board, the Group had not provided any form of corporate guarantee or collateral to secure the external debts incurred by ACE. With no contingent liabilities incumbent upon the Group for ACE’s failure to repay those external debts, the Company considers that there will be no adverse impact on the financial position of the Group. Details were set out in the Company’s announcements dated 8 November 2023 and 9 July 2024.

As at the date of this announcement, ACE is undergoing the liquidation process, with the provisional liquidator taking steps to administer its assets and liabilities.
