CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

These resolutions will be proposed at the forthcoming Annual General Meeting and are set out in the notice convening the Annual General Meeting as contained in this circular.

GENERAL MANDATE TO ISSUE NEW SHARES

The resolution numbered 4 set out in the notice convening the Annual General Meeting will be proposed at the Annual General Meeting for the granting of a general and unconditional General Mandate to the Directors to exercise the power of the Company, to allot, issue, and deal with, new Shares (including any sale and transfer of treasury shares out of treasury) up to a maximum of 20% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of passing of the relevant resolution. As at the Latest Practicable Date, the number of Shares in issue was 664,126,750 (including 330,000 treasury Shares). Subject to the passing of the relevant resolution, the maximum number of new Shares to be issued (including any sale and transfer of treasury shares out of treasury) under the General Mandate will be 132,759,350 (assuming that there will be no change in the number of Shares in issue between the Latest Practicable Date and the date of Annual General Meeting). In addition, subject to a separate approval of Shareholders of the resolution numbered 6 set out in the notice convening the Annual General Meeting, the extension of the General Mandate will be granted to the Directors to exercise the power of the Company to allot, issue, and deal with, new Shares (including any sale and transfer of treasury shares out of treasury) equal to the number of Shares repurchased under the Repurchase Mandate, if any.

GENERAL MANDATE FOR REPURCHASE OF SHARES

The resolution numbered 5 set out in the notice convening the Annual General Meeting will be proposed at the Annual General Meeting for the granting of a general and unconditional Repurchase Mandate to the Directors, to exercise power of the Company to repurchase on GEM or on any other stock exchange on which the Shares may be listed, Shares up to a maximum of 10% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of passing of the relevant resolution.

The General Mandate and the Repurchase Mandate would continue in force until the conclusion of the next annual general meeting of the Company unless they are renewed at such meeting or until revoked or varied by ordinary resolutions of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

LETTER FROM THE BOARD OF DIRECTORS

The GEM Listing Rules contain provisions to regulate the repurchase by companies with a primary listing on GEM of their own shares. In accordance with the GEM Listing Rules on share repurchases, this circular contains an explanatory statement as set out in the Appendix I to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against resolution set out in resolution 5 of the notice convening the Annual General Meeting which will be proposed at the Annual General Meeting to grant to the Directors the Repurchase Mandate. For the purpose of this circular, the term “Shares” shall have the meaning ascribed thereto under the Takeovers Code which mean Shares of all classes and securities which carry a right to subscribe for or purchase Shares.

RE-ELECTION OF DIRECTORS

As at the Latest Practicable Date, the Board comprises four executive Directors, namely, Ms. Lily Wu, Mr. Guo Rongxiang, Mr. Chang Wei Wen and Mr. Yang Meng Hsiu, and three independent non-executive Directors, namely, Mr. Chan Siu Wing, Raymond, Ms. Wong Ka Wai, Jeanne, and Mr. Yeung Man Chit, Daniel.

According to article 87(1) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years. Article 87(2) of the Articles of Association further provides that a retiring Director shall be eligible for re-election and any Directors so to retire shall be subject to retirement by rotation who have been longest in office since their last re-election or appointment.

In accordance with articles 87(1) and 87(2) of the Articles of Association, Ms. Lily Wu, Mr. Chang Wei Wen and Mr. Chan Siu Wing, Raymond shall retire at the Annual General Meeting and, being eligible, shall offer themselves for re-election at the Annual General Meeting.

The Nomination Committee has reviewed and assessed the background, expertise and experience of the retiring Directors, having regard to the Board Diversity Policy of the Company taking into consideration different diversity factors such as gender, age, cultural and educational background, skills and professional experience, knowledge, length of service and time devotion. The Nomination Committee recommends all Directors retiring at the upcoming AGM to stand for re-election.

Pursuant to code provision B.2.3 of the Corporate Governance Code as set out in Appendix C1 of the GEM Listing Rules, any further appointment of independent non-executive director who has served more than 9 years should be subject to a separate resolution to be approved by shareholders. Mr. Chan Siu Wing, Raymond, who was first appointed as an Independent Non-Executive Director of the Company in February 2007, has served the Company for more than 9 years as at the Latest Practicable Date and a separate resolution will be proposed for his re-election.

LETTER FROM THE BOARD OF DIRECTORS

The Nomination Committee considers that based on the perspective, skill and experience of Mr. Chan Siu Wing, Raymond, he can bring further contribution to the Board and its diversity. In addition, the Nomination Committee had evaluated the performance of Mr. Chan Siu Wing, Raymond during the period from his date of appointment to the Latest Practicable Date and found Mr. Chan continues to demonstrate the attributes of an independent non-executive director and there is no evidence that his tenure has had any impact on his independence. In addition, the Company has received his annual independence confirmation pursuant to Rule 5.09 of the GEM Listing Rules. Therefore, with the recommendation of the Nomination Committee, the Board has proposed that Mr. Chan Siu Wing, Raymond stands for re-election as Director at the AGM. As a good corporate governance practice, Mr. Chan Siu Wing, Raymond abstained from voting at the relevant Board meeting on the proposition of his recommendation for re-election by the Shareholders at the AGM.

Pursuant to Rule 17.46A of the GEM Listing Rules, a listed issuer shall disclose the detailed required under Rule 17.50(2) of the GEM Listing Rules of any directors proposed to be re-elected or proposed new director in the notice or accompanying circular to its shareholders of the relevant general meeting, if such re-election and appointment is subject to shareholders' approval at that relevant general meeting. The requisite details of the above three retiring Directors are set out in Appendix II to this circular.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, all votes of the Shareholders at the general meeting must be taken by poll. The chairman of the Annual General Meeting will therefore demand a poll for every resolution put to the vote of the Annual General Meeting pursuant to article 66 of the Articles of Association.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that the granting and the extension of the General Mandate to allot, issue, and deal with, new Shares, the proposed grant of Repurchase Mandate, and the re-election of Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders to vote in favour of the resolutions numbered 2, and 4 to 6 as set out in the notice convening the Annual General Meeting to be proposed at the Annual General Meeting.

Yours faithfully,
For and on behalf of the Board
Lily Wu
Chairman

This explanatory statement relates to the resolution proposed to be passed at the Annual General Meeting authorising the grant of the Repurchase Mandate. It contains all the information required under Rule 13.08 of the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against such ordinary resolution.

(I) GEM LISTING RULES

The GEM Listing Rules permit companies with a primary listing on GEM to repurchase their Shares subject to certain restrictions.

Repurchases must be funded out of funds legally available for the purpose and in accordance with the company's constitutive documents and the applicable laws of the jurisdiction in which the company is incorporated or otherwise established. As such, any repurchases must be made out of funds which are legally available for the purpose and in accordance with the laws and regulations of the Cayman Islands and the Memorandum and Articles. Any premium payables on a repurchase over the par value of the Shares may be effected out of funds of the Company which would otherwise be available for dividends or distribution or out of the Company's share premium account.

(II) REASONS FOR PROPOSED REPURCHASE OF SHARES

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchase may, depending on the market conditions and funding arrangements of the Company at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and Shareholders.

(III) NUMBER OF SHARES WHICH MAY BE REPURCHASED

As at the Latest Practicable Date, the issued share capital of the Company comprised 664,126,750 Shares (including 330,000 treasury Shares).

As at the Latest Practicable Date, share options carrying rights to subscribe for up to an aggregate of 5,400,000 Shares remained outstanding. If the conversion rights attached to the said share options are exercised in full, 5,400,000 new Shares will be issued by the Company.

Subject to the passing of the ordinary resolution approving the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the Annual General Meeting, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 66,379,675 Shares (representing 10% of the total number of issued Share (excluding the treasury share, if any) as at the date of passing of the resolution) during the period ending on the earliest of (i) the conclusion of the next annual

general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, the Companies Law (Revised) of the Cayman Islands or any applicable laws of the Cayman Islands to be held; and (iii) the passing of an ordinary resolution by the Shareholders in a general meeting prior to the next annual general meeting of the Company revoking or varying the authority given to the Directors.

Under the GEM Listing Rules, the Company will either (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds any Shares in treasury, any sale or transfer of Shares held in treasury will be subject to the terms of the Repurchase Mandate in ordinary resolution no. 5 and made in accordance with the GEM Listing Rules and applicable laws and regulations of the Cayman Islands. As at the Latest Practicable Date, the Company holds 330,000 treasury Shares.

To the extent that any treasury shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS, (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions; and (iii) take any other appropriate measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasure shares.

(IV) SOURCE OF FUNDS

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands. The Company will not repurchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

(V) IMPACT OF REPURCHASE

There might be an adverse impact on the working capitals or gearing positions of the Company as compared with the positions disclosed in the audited financial statements contained in the 2025 Annual Report in the event that the Repurchase Mandate be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(VI) SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM in each of the previous 12 months before the Latest Practicable Date were as follows:

	Share Prices	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2025		
March	0.105	0.093
April	0.109	0.093
May	0.255	0.099
June	0.400	0.202
July	0.850	0.390
August	0.820	0.600
September	0.740	0.540
October	0.610	0.490
November	0.530	0.400

February	0.350	0.255
March	0.720	0.250
April (up to the Latest Practicable Date)	0.500	0.370

(VII) GENERAL INFORMATION

- (a) None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates, have any present intention to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders.
- (b) The Directors will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Memorandum and Articles, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands.
- (c) The Company has not notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company or its subsidiaries, or that they have undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.
- (d) The Company confirms that neither this explanatory statement nor the proposed share repurchase has any unusual features.

(VIII) EFFECTS OF TAKEOVERS CODE

If the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate, so far as the Directors are aware, the changes of the interests of the Shareholders who have interests of 5% or more of the issued share capital of the Company on the basis of 663,796,750 Shares in issue (excluding treasury Shares) or substantial shareholders of the Company as at the Latest Practicable Date are set out in the following table:

Shareholders	Before repurchase	After repurchase
Golden Dice Co., Ltd. (<i>Note 1</i>)	16.85%	18.72%
Best Heaven Limited (<i>Note 1</i>)	4.75%	5.28%
Mr. Tsai Chi Yuan (<i>Note 1</i>)	21.60%	24.00%

Note:

1. Mr. Tsai Chi Yuan is deemed to be a substantial shareholder of the Company by virtue of his 100% beneficial interests in Golden Dice Co., Ltd. and Best Heaven Limited respectively.

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interests in the voting rights of the Company increases, such increase may be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or a group of Shareholders.

Based on the shareholding structure as illustrated in the above table, in the event that the Directors exercise in full the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, the total interests of the above Shareholders in the Shares would be increased to approximately the respective percentages shown in the last column above and the Directors believe that such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors also consider that the exercise in full the power of the Company to repurchase Shares pursuant to the Repurchase Mandate would not result in a public shareholdings of less than 25%, the prescribed minimum percentage of the Shares required by GEM to be held by the public.
