CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Save for Mr. Ip Arnold Tin Chee, Mr. Hung Alan Hing Lun (the “**Retiring Director**”), being eligible, will offer himself for re-election at the AGM. The Board, having considered the recommendation of the Nomination Committee, is of the view that the Retiring Director will continue to contribute to the Board with his deep understanding of the businesses of the Group, diversity of skills set and perspectives as well as devotion to the Board. The Board also believes that the valuable knowledge and experience of the Retiring Director in the businesses of the Group and his general business acumen continue to generate significant contribution to the Company and the Shareholders as a whole, and therefore recommends the Shareholders to re-elect the Retiring Director at the AGM.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors believe that the granting of the Share Issue Mandate and the Share Repurchase Mandate, the extension of the Share Issue Mandate, the re-election of the Retiring Director and the proposed appointment of independent non-executive Director are in the best interests of the Company as well as the Shareholders as a whole. Accordingly, the Directors recommend that all the Shareholders should vote in favour of all the relevant resolutions relating to aforesaid matters.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

COMPETING INTERESTS

To the best knowledge of the Directors, none of the Directors or the controlling Shareholders (as defined in the GEM Listing Rules) of the Company, nor any of their respective close associates (as defined in the GEM Listing Rules), had any interest as at the Latest Practicable Date that competes or may compete with the business of the Group, which would be required to be disclosed under Rule 11.04 of the GEM Listing Rules.

By order of the Board
SV Vision Limited
Woo Chan Tak Chi Bonnie
Chairperson and Chief Executive Officer

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution.

1. EXERCISE OF THE SHARE REPURCHASE MANDATE

Exercise in full of the Share Repurchase Mandate, on the basis of 480,000,000 Shares in issue at the Latest Practicable Date, would result in up to 48,000,000 Shares (which will be fully paid and represent 10% of the Shares in issue (excluding treasury shares, if any) as at the Latest Practicable Date) being repurchased by the Company during the course of the period prior to the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or applicable laws of the Cayman Islands to be held; or (iii) the passing of any ordinary resolution of the Shareholders in general meeting of the Company revoking, varying or renewing the Share Repurchase Mandate.

2. REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. The Company may cancel Shares repurchased or hold them as treasury shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchase.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles of Association and the Companies Laws of the Cayman Islands and any applicable laws and regulations. Pursuant to the Share Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase. In the case of any premium payable on the repurchase, out of funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account of the Company. The Company may not repurchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of GEM prevailing from time to time.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2025) in the event that the Share Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

The Directors will exercise the Share Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum of association of the Company, the Articles of the Association and all applicable laws of the Cayman Islands in force from time to time.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), has any present intention, if the Share Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Share Repurchase Mandate is exercised. If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of the Shareholder(s), could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of a repurchase of Shares made under the Share Repurchase Mandate.

The Directors confirm that neither this explanatory statement nor the proposed share repurchase has unusual features.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the following Shareholders have beneficial interests representing 5% or more of the total number of issued Shares within the meaning of Part XV of the SFO:

Name of Shareholders	Number of Shares held	Approximate percentage shareholding interest of the Company (Note 4)	Approximate percentage shareholding interest of the Company in the event the Share Repurchase Mandate is exercised in full (Note 5)

Mirousky Limited <i>(Note 2)</i>	34,850,000	7.26%	8.07%
Gain Smart Asia Limited <i>(Note 2)</i>	34,850,000	7.26%	8.07%
Ms. Woo Chan Tak Chi Bonnie <i>(Notes 1 and 2)</i>	326,675,000	68.06%	75.62%
Mr. Woo Darrin <i>(Notes 2 and 3)</i>	326,675,000	68.06%	75.62%

By virtue of the SFO, Ms. Woo Chan Tak Chi Bonnie is deemed to be interested in the Shares held by Mirousky Limited.
3. Mr. Darrin Woo is the spouse of Ms. Woo Chan Tak Chi Bonnie. By virtue of the SFO, Mr. Darrin Woo is deemed to be interested in the Shares which are interested by Ms. Woo Chan Tak Chi Bonnie.
4. The calculation is based on the total number of 480,000,000 Shares in issue as at the Latest Practicable Date.
5. The calculation is based on (i) the total number of 480,000,000 Shares in issue as at the Latest Practicable Date and (ii) taking into account the total number of 48,000,000 Shares being repurchased by the Company if the Shares Repurchase Mandate is exercised in full.

The Directors will not exercise the Share Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the GEM Listing Rules).

The Directors are not aware of any consequence under the Takeovers Code as a result of a repurchase of Shares made under the Share Repurchase Mandate and have no present intention to exercise the power to repurchase Shares pursuant to the Share Repurchase Mandate to such an extent as to result in takeover obligations.

Any repurchase of Shares which results in the number of Shares held by the public being reduced to less than 25% could only be implemented with the approval of the Stock Exchange to waive the GEM Listing Rules requirements regarding the public shareholding. However, the Directors have no current intention to exercise the Share Repurchase Mandate to such an extent as would give rise to this obligation. In any event, the Company will not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.

5. SHARES PURCHASED BY THE COMPANY

No repurchase of Shares has been made by the Company (whether on GEM or otherwise) in the six months preceding the Latest Practicable Date. In the event that the Company repurchases any Shares, the Company may cancel Shares repurchased and/or hold Shares repurchased as treasury shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchase(s) and in accordance with the relevant laws and regulations.

For the treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall:

- (i) procure its broker not to give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS;
- (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the relevant record date for the dividends or distributions; and
- (iii) take any other appropriate measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.
