INTRODUCTION

The purpose of this circular is to give you notice of the AGM and provide you with information relating to the resolutions to be proposed at the AGM, among other things, (i) the granting of the Issue Mandate and/or sell treasury shares and the Shares Repurchase Mandate; (ii) the extension of the Issue Mandate to include Shares repurchased pursuant to the Shares Repurchase Mandate; (iii) the re-election of Directors; (iv) the re-appointment of auditor of the Company; and (v) the Proposed Amendments and the adoption of the New M&A. These resolutions will be proposed at the AGM and are set out in the AGM Notice as contained in this circular.

PROPOSED GRANT OF GENERAL MANDATES TO ISSUE SHARES AND SELL TREASURY SHARES AND REPURCHASE SHARES

Ordinary resolutions of the Shareholders were passed on 18 June 2025 granting general mandates to Directors to (i) allot, issue and deal with additional Shares and/or sell or transfer treasury shares (if any) with a total number not exceeding 20% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of the passing of such resolution; (ii) to repurchase Shares up to a maximum of 10% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of the passing of such resolution; and (iii) to extend the general mandate of (i) above to include Shares repurchased pursuant to the general mandate of (ii) above.

At the AGM, separate ordinary resolutions will be proposed to grant the general mandates to the Directors to exercise all powers of the Company (i) to allot, issue and otherwise deal with additional Shares not exceeding 20% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of the passing of such resolution; (ii) to, subject to the criteria set out in this circular, repurchase such number of Shares not exceeding 10% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of passing of such resolution; and (iii) the general extension mandate, after the Shares Repurchase Mandate is granted, to add the aggregate number of the Shares repurchased by the Company pursuant to the Shares Repurchase Mandate to the Issue Mandate, subject to a maximum of 10% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of passing of the resolution for approving the Issue Mandate.

Based on 144,972,500 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are repurchased or issued or cancelled prior to the AGM, subject to the passing of the ordinary resolutions for approving the Issue Mandate and the Shares Repurchase Mandate, the Directors will be authorised to allot, issue and deal with up to a limit of 28,994,500 Shares pursuant to the Issue Mandate and repurchase 14,497,250 Shares pursuant to the Shares Repurchase Mandate, being 20% and 10% of the total number of Shares in issue as at the date of passing the resolutions in relation thereto, respectively.

An explanatory statement, required by the GEM Listing Rules to be sent to the Shareholders in connection with the Shares Repurchase Mandate, is set out in Appendix I to this circular. The explanatory statement contains all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant proposed ordinary resolution for the grant of the Shares Repurchase Mandate at the AGM. Neither the explanatory statement nor the proposed granting of the Shares Repurchase Mandate has any unusual features.

The Issue Mandate, the Shares Repurchase Mandate and the general extension mandate, if granted at the AGM, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

RE-ELECTION OF THE DIRECTORS

Pursuant to the Article 108 of the Articles, Ms, Wan Suet Yee Cherry, Ms. Mao Xiaobi and Ms. Ma Lina will retire from office as Directors at the AGM and, being eligible, offer themselves for re-election at the AGM.

The re-election of Directors has been reviewed by the Nomination Committee of the Company which recommended to the Board that the re-election be proposed for Shareholders' approval at the AGM. The Nomination Committee has also assessed the independence of all the independent non-executive Directors of the Company (the "**INEDs**"). All the INEDs satisfy the independence factors set out in Rule 5.09 of the GEM Listing Rules and each has provided to the Company an annual written confirmation of his/her independence. The Nomination Committee had also considered a range of diversity factors including age, education and cultural background, professional expertise, industry experience, skills, knowledge and length of service, as set out in the board diversity policy of the Company.

Particulars of the Directors proposed to be re-elected in the AGM are set out in Appendix II to this circular in accordance with the relevant requirements of the GEM Listing Rules.

RE-APPOINTMENT OF THE AUDITOR

BDO Limited will retire as the auditor of the Company at the AGM and, being eligible, offer themselves for re-appointment.

The Board, upon the recommendation of the audit committee of the Board, proposed to re-appoint BDO Limited as the auditor of the Company and to hold office until the conclusion of the next annual general meeting of the Company.

PROPOSED AMENDMENTS AND THE ADOPTION OF THE NEW M&A

Reference is made to the announcement of the Company dated 17 April 2026 in relation to the Proposed Amendments and the adoption of the New M&A.

The Board proposes to make certain amendments to the Existing M&A, in order to, among other things, (a) updating and bringing the Existing M&A to reflect and align with the latest regulatory requirements in relation to hybrid meetings and electronic voting requirements, the expanded paperless listing regime and the electronic dissemination of corporate communications by listed issuers and the relevant amendments made to the GEM Listing Rules; (b) updating and bringing the Existing M&A to reflect and align with the latest regulatory requirements in relation to treasury shares and the relevant amendments made to the GEM Listing Rules; (c) updating the Existing M&A to prepare for the uncertificated securities market regime; and (d) make certain housekeeping amendments.

Accordingly, the Board proposes to adopt the New M&A in substitution for, and to the exclusion of, the Existing M&A. The Proposed Amendments brought about by the adoption of the New M&A are subject to the approval of the Shareholders by way of a special resolution to be proposed in the AGM.

Full details of the Proposed Amendments brought about by the adoption of the New M&A (marked-up against the Existing M&A) are set out in Appendix III to this circular. The New M&A are written in English. There is no official Chinese translation in respect thereof. Therefore, the Chinese version of the New M&A is purely a translation only. Should there be any discrepancy, the English version shall prevail. The legal advisers to the Company as to Hong Kong laws and the Cayman Islands laws have respectively confirmed that the Proposed Amendments conform with the applicable requirements under the Listing Rules and do not violate or contravene Cayman Islands law. The Company confirms that there is nothing unusual about the Proposed Amendments for a Cayman Islands company listed on the Stock Exchange.

ANNUAL GENERAL MEETING

The notice convening the AGM at which ordinary resolutions will be proposed to approve, inter alia, the Issue Mandate and the Shares Repurchase Mandate; the extension of the Issue Mandate; the re-election of Directors and the re-appointment of auditor of the Company and special resolution will be proposed to approve the Proposed Amendments and the adoption of the New M&A is set out on pages 93 to 99 of this circular.

The completion and return of the form of proxy will not preclude you from attending and voting at the AGM in person if you so wish, and in such event, the form of proxy shall be deemed to be revoked.

VOTING BY POLL

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of the Shareholders at the AGM must be taken by poll, except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The chairman of the AGM will therefore demand a poll for all resolutions to be put to the vote at the meeting pursuant to the existing memorandum and Articles of the Company. An announcement on the poll results will be made by the Company after the AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

Accordingly, the Directors recommend that all Shareholders should vote in favour of all resolutions approving such matters at the AGM.

Your attention is drawn to the additional information set out in the appendices to this circular.

MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
For and on behalf of the Board
XinXiang Era Group Company Limited
Liu Enyu
Chairman and Non-Executive Director

The following is an explanatory statement required by the GEM Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Shares Repurchase Mandate. Neither the explanatory statement nor the proposed granting of the Shares Repurchase Mandate has any unusual features.

1. STOCK EXCHANGE RULES FOR REPURCHASE OF SHARES

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The GEM Listing Rules provide that all proposed repurchase of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 144,972,500 Shares.

Subject to the passing of the relevant ordinary resolution granting the Shares Repurchase Mandate and on the basis that no further Shares are issued or repurchased or cancelled during the period from the Latest Practicable Date to the date of the AGM, the Directors would be authorised to exercise the powers of the Company to repurchase a maximum of 14,497,250 Shares, being 10% of the total number of Shares in issue (excluding treasury shares, if any) as at the date of the AGM. The Shares Repurchase Mandate, if granted at the AGM, will remain in effect until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company. The Shares repurchased by the Company shall, subject to applicable law, be automatically cancelled upon such repurchase.

3. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

Subject to the compliance with the GEM Listing Rules and all applicable laws and regulations, the Company may cancel any Shares it repurchased and/or hold such Shares as treasury shares for subsequent sale or transfer subject to consideration of factors including market conditions and the Group's capital management needs at the relevant time of the repurchases.

4. FUNDING AND EFFECT OF REPURCHASE

The Company is empowered by its memorandum of association and the Articles to repurchase its Shares. Repurchase made pursuant to the Shares Repurchase Mandate would be funded out of funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles, the GEM Listing Rules, and the applicable laws of the Cayman Islands. The laws of the Cayman Islands provide that payment for a share repurchase may only be made out of profits, share premium account or the proceeds of a new issue of Shares made for such purpose or subject to the Companies Act, out of capital of the Company. The amount of premium payable on repurchase of Shares may only be paid out of either or both of the profits or from sums standing to the credit of the share premium account of the Company or subject to the Companies Act, out of capital of the Company.

In addition, under the laws of the Cayman Islands, payment out of capital by a company for the purchase by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the laws of the Cayman Islands, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

Under the GEM Listing Rules, a listed company may not repurchase its own shares listed on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange as amended from time to time.

The Directors consider that, if the Shares Repurchase Mandate was to be exercised in full, there might be a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2025, being the date of its latest published audited financial statements. However, the Directors do not intend to exercise the Shares Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

To the extent that any treasury shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that: (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

5. GENERAL

The Directors have confirmed that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to Shares Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum of association of the Company, the Articles and the applicable laws of the Cayman Islands.

6. TAKEOVERS CODE CONSEQUENCE

A repurchase of Shares by the Company may result in an increase in the proportionate interest of a Shareholder in the voting rights of the Company and such an increase may be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or a group of Shareholders.

To the best of the knowledge and belief of the Company and as recorded in the register of interests in shares and short positions required to be kept by the Company under section 336 of the SFO, as at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued share capital of the Company:

Name of shareholder	Capacity/Nature of interest	Number of shares	Approximate percentage of total issued Shares	
			As at the Latest Practicable Date	If the Shares Repurchase Mandate is exercised in full
Central Power Group Limited ("**Central Power**")	Beneficial owner	108,729,375	75.00	83.33
Peng Ben ("**Mr. Peng**")	Interest in a controlled corporation*(Note)*	108,729,375	75.00	83.33
Zhao Hong ("**Mr. Zhao**")	Interest in a controlled corporation*(Note)*	108,729,375	75.00	83.33

Note: Central Power Group Limited is 51% directly owned by Peng Ben and 49% directly owned by Zhao Hong. Accordingly, Peng Ben and Zhao Hong are deemed to be interested in the shares of the Company held by Central Power Group Limited under Part XV of the Securities and Futures Ordinance.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, in the event that the Directors should exercise in full the power to repurchase Shares under the Shares Repurchase Mandate (if so approved, and assuming all such repurchased Shares are subsequently cancelled), the shareholdings of Central Power, Mr. Peng and Mr. Zhao in the Company would be increased to approximately 83.33% of the total issued Shares (excluding treasury shares, if any) respectively. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors will use their best endeavours to ensure that the Shares Repurchase Mandate will not be exercised to the extent that the number of Shares held by the public being reduced to less than 25% as required under the Listing Rules.

7. SHARES PURCHASED BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company has not purchased, sold or redeemed any of its Shares (whether on the Stock Exchange or otherwise).

8. DIRECTORS, THEIR CLOSE ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, have any present intention, in the event that the proposal on the Shares Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company.

No core connected person of the Company (as defined in the GEM Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has he/she/it undertaken not to do so, in the event that the Shares Repurchase Mandate is approved by the Shareholders.

9. SHARE PRICES

(b) The provisions of this Article shall apply to the variation or abrogation of the rights attached to the Shares of any class as if each group of Shares of the class differently treated formed a separate class the rights whereof are to be varied or abrogated.

(c) The special rights conferred upon the holders of any Shares or class of Shares shall not, unless otherwise expressly provided in the rights attaching to the terms of issue of such Shares be deemed to be altered by the creation or issue of further Shares ranking *pari passu* therewith.

6 The authorised share capital of the Company on the date of the adoption of these Articles is HK$50,000,000 divided into 625,000,000 ~~5,000,000,000~~ Shares of HK$0.08 ~~0.01~~ each.

7 The Company in general meeting may from time to time, whether or not all the Shares for the time being authorised shall have been issued and whether or not all the Shares for the time being issued shall have been fully paid up, by Ordinary Resolution increase its share capital by the creation of new Shares, such new capital to be of such amount and to be divided into Shares of such class or classes and of such amounts in Hong Kong dollars or such other currency as the Shareholders may think fit and as the resolution may prescribe.

8 Any new Shares shall be issued upon such terms and conditions and with such rights, privileges or restrictions attached thereto as the general meeting resolving upon the creation thereof shall direct, and if no direction be given, subject to the provisions of the Companies Act and of these Articles, as the Board shall determine; and in particular such Shares may be issued with a preferential or qualified right to participate in Dividends and in the distribution of assets of the Company and with a special right or without any right of voting.

9 The Board may, before the issue of any new Shares, determine that the same, or any of them, shall be offered in the first instance, and either at par or at a premium, to all the existing holders of any class of Shares in proportion as nearly as may be to the number of Shares of such class held by them respectively, or make any other provisions as to the allotment and issue such Shares, but in default of any such determination or so far as the same shall not extend, such Shares may be dealt with as if they formed part of the capital of the Company existing prior to the issue of the same.

10 Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new Shares shall be treated as if it formed part of the original capital of the Company and such Shares shall be subject to the provisions contained in these Articles with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, cancellation, surrender, voting and otherwise.

11 (a) All unissued Shares and other securities of the Company shall be at the disposal of the Board and it may offer, allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times, for such consideration and generally on such terms (subject to Article 9) as it in its absolute discretion thinks fit, but so that no Shares shall be issued at a discount. The Board shall, as regards any offer or allotment of Shares, comply with the provisions of the Companies Act, if and so far as such provisions may be applicable thereto.

(b) Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of Shares or other securities of the Company, to make, or make available, and may resolve not to make, or make available, any such allotment, offer, option or Shares or other securities to Shareholders or others with registered addresses in any jurisdiction outside of the Relevant Territory, or in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable, or the existence or extent of the requirement for such registration statement or special formalities might be expensive (whether in absolute terms or in relation to the rights of the Shareholder(s) who may be affected) or time consuming to determine. The Board shall be entitled to make such arrangements to deal with fractional entitlements arising on an offer of any unissued Shares or other securities as it thinks fit, including the aggregation and the sale thereof for the benefit of the Company. Shareholders who may be affected as a result of any of the matters referred to in this paragraph (b) shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

12 (a) The Company may at any time pay commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) for any Shares or procuring or agreeing to procure subscriptions (whether absolute or conditional) for any Shares, but so that the conditions and requirements of the Companies Act shall be observed and complied with, and in each case the commission shall not exceed 10% of the price at which the Shares are issued.

(b) If any Shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable within a period of one year, the Company may pay interest on so much of that share capital as is for the time being paid up for the period and, subject to any conditions and restrictions mentioned in the Companies Act, may charge the sum so paid by way of interest to capital as part of the cost of construction of the works or buildings, or the provisions of the plant.

13 Subject to Article 2, the Company may from time to time by Ordinary Resolution:

(a) increase its share capital as provided by Article 7;

(b) consolidate or divide all or any of its share capital into Shares of larger or smaller amount than its existing Shares; and on any consolidation of fully paid Shares into Shares of larger amount, the Board may settle any difficulty which may arise as it thinks expedient and in particular (but without prejudice to the generality of the foregoing) may as between the holders of Shares to be consolidated determine which particular Shares are to be consolidated into a consolidated Share, and if it shall happen that any person shall become entitled to fractions of a consolidated Share or Shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the Shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated Share or Shares rateably in accordance with their rights and interest or may be paid to the Company for the Company's benefit;

(c) divide its unissued Shares into several classes and attach thereto respectively any preferential, deferred, qualified or special rights, privileges or conditions;

(d) sub-divide its Shares or any of them into Shares of smaller amount than is fixed by the Memorandum of Association, subject nevertheless to the provisions of the Companies Act, and so that the resolution whereby any Share is sub-divided may determine that, as between the holders of the Shares resulting from such sub-division, one or more of the Shares may have any such preferred or other special rights over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new Shares;

(e) cancel any Shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled;

(f) make provision for the issue and allotment of Shares which do not carry any voting rights; and

(g) change the currency of denomination of its share capital.

14 The Company may by Special Resolution reduce its share capital or undistributable reserve in any manner authorised, and subject to any conditions prescribed, by law.

15 (a) Subject to the Companies Act, or any other law or so far as not prohibited by any law and subject to any rights conferred on the holders of any class of Shares, the Company shall have the power to purchase or otherwise acquire all or any of its own Shares (which expression as used in this Article includes redeemable Shares) provided that the manner and terms of purchase have first been authorised by an Ordinary Resolution of the Shareholders, and to purchase or otherwise acquire warrants and other securities for the subscription or purchase of its own Shares, and shares and warrants and other securities for the subscription or purchase of any shares in any company which is its Holding Company and may make payment therefor in any manner and terms authorised or not prohibited by law, including out of capital, or to give, directly or indirectly, by means of a loan, a guarantee, an indemnity, the provision of security or otherwise howsoever, financial assistance for the purpose of or in connection with a purchase or other acquisition made or to be made by any person of any Shares or warrants or other securities in the Company or any company which is a Holding Company of the Company and should the Company purchase or otherwise acquire its own Shares or warrants or other securities neither the Company nor the Board shall be required to select the Shares or warrants or other securities to be purchased or otherwise acquired rateably or in any other manner and terms as between the holders of Shares or warrants or other securities of the same class or as between them and the holders of Shares or warrants or other securities of any other class or in accordance with the rights as to Dividends or capital conferred by any class of Shares provided always that any such purchase or other acquisition or financial assistance shall only be made in accordance with the relevant code, rules or regulations issued from time to time by the HK Stock Exchange and/or the Securities and Futures Commission of Hong Kong from time to time in force. Subject to the Companies Act, the Listing Rules and/or the rules and regulations of any competent regulatory authority, the Company is further authorised to hold any repurchased, redeemed or surrendered Shares as treasury shares without the need for a separate resolution of the Board for each instance.

(b) Subject to the provisions of the Companies Act and the Memorandum of Association of the Company, and to any special rights conferred on the holders of any Shares or attaching to any class of Shares, Shares may be issued on the terms that they may, at the option of the Company or the holders thereof, be liable to be redeemed on such terms and in such manner, including out of capital, as the Board may deem fit.

(c) Where the Company purchases for redemption a redeemable Share, purchases not made through the market or by tender shall be limited to a maximum price, and if purchases are by tender, tenders shall be available to all Shareholders alike.

(d) The purchase or redemption of any Share shall not be deemed to give rise to the purchase or redemption of any other Share.

(e) The holder of the Shares being purchased or redeemed shall be bound to deliver up to the Company at the Head Office or such other place as the Board shall specify the certificate(s) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies in respect thereof.

Register of Shareholders and Share Certificates

16 Except as otherwise expressly provided by these Articles or as required by law or as ordered by a court of competent jurisdiction, no person shall be recognised by the Company as holding any Share upon any trust and, except as aforesaid, the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or any interest in any fractional part of a Share or any other right or claim to or in respect of any Shares except an absolute right to the entirety thereof of the registered holder.

17 (a) The Board shall cause to be kept the Register and there shall be entered therein the particulars required under the Companies Act.

(b) Subject to the provisions of the Companies Act, if the Board considers it necessary or appropriate, the Company may establish and maintain a principal or branch register of Shareholders at such location as the Board thinks fit and, during the Relevant Period, the Company shall keep its principal or a branch register of Shareholders in Hong Kong.

(c) During the Relevant Period (except when the Register is closed in accordance with Article 17(d)), any Shareholder and holders of Prescribed Securities (as defined in the USM Rules) may inspect during business hours any Register ~~maintained in Hong Kong~~ without charge and require the provision to him or her of copies or extracts thereof in all respects as if the Company were incorporated under and were subject to the Companies Ordinance.

(d) The Company may close the Register at such time or for such period not exceeding in the whole 30 days in each year as the Board may determine, and in respect of any Register maintained in Hong Kong, in accordance with the Listing Rules and on terms equivalent to section 632 of the Companies Ordinance.

17A The Register may be maintained in electronic form and may reflect holdings in both certificated and Uncertificated form provided that it must be readily retrievable and capable of being printed or exported. The Company may integrate the Register with any Electronic System.

18 (a) Every person whose name is entered as a Shareholder in the Register shall be entitled to hold their Shares in Uncertificated form through Electronic System, in compliance with the Listing Rules and other relevant regulations. The Company shall not be required to issue a certificate for any Share held in Uncertificated form unless required by law. A statement or confirmation from the relevant Electronic System or electronic Register shall be sufficient evidence of title to Uncertificated Shares. Where Shares are held in certificated form, ~~E~~every person whose name is entered as a Shareholder in the Register shall be entitled to receive within ~~the relevant~~ any time limit ~~as~~ prescribed in the Companies Act, the ASR Code or ~~as~~ the HK Stock Exchange ~~may from~~

~~time to time determine~~, whichever is shorter, if such a time limit is applicable, after allotment or lodgement of a transfer (or within such other period as the conditions of issue shall provide so long as such other period is allowed or not prohibited under the Companies Act, the ASR Code or ~~is required by~~ the applicable rules of the stock exchange of the Relevant Territory) one certificate for all his Shares, or, if he shall so request, in a case where the allotment or transfer is of a number of Shares in excess of the number for the time being forming a stock exchange board lot for the purposes of the stock exchange of the Relevant Territory on which the Shares are listed upon payment of such sum ~~(in the case of a transfer, not exceeding in the case of any share capital listed on a stock exchange in Hong Kong, HK$2.50 or such other sum~~ as may from time to time be allowed or not prohibited under the ASR Code~~Listing Rules~~, and in the case of any other Shares, such sum in such currency as the Board may from time to time determine to be reasonable in the territory in which the relevant Register is situated, or otherwise such other sum as the Company may by Ordinary Resolution determine) for every certificate after the first as the Board may from time to time determine, such number of certificates for Shares in stock exchange board lots or whole multiples thereof as he shall request and one for the balance (if any) of the Shares in question, provided that in respect of a Share or Shares held jointly by several persons the Company shall not be bound to issue a certificate or certificates to each such person, and the issue and delivery of a certificate or certificates to one of the joint holders shall be sufficient delivery to all such holders. The Company shall comply with all applicable laws and regulations to facilitate the holding, transfer, and registration of its Shares in Uncertificated form, including electronic processes for corporate actions, as required by the Uncertificated securities market regime of the HK Stock Exchange.

(b) For certificated Share, ~~T~~the Company may, in the event of a change in the form of definitive Share certificate adopted by the Board, issue new definitive certificates to ~~all~~ holders of certificated Shares appearing on the Register in replacement of old definitive certificates issued to such holders. The Board may resolve whether or not to require the return of the old certificates as a condition precedent to the issue of replacement certificates and, as regards any old certificates which have been lost or defaced, to impose such conditions (including as to indemnity) as the Board shall see fit. If the Board elects not to require the return of the old certificates, the same shall be deemed to have been cancelled and of no further effect for all purposes.

19 Every certificate for Shares, warrants or debentures or representing any other form of securities of the Company when issued, shall be issued under the Seal of the Company, which for this purpose may be a duplicate Seal.

20 Every share certificate ~~hereafter~~ when issued, shall specify the number and class of Shares in respect of which it is issued and the amount paid thereon and may otherwise be in such form as the Board may from time to time prescribe. A share certificate shall relate to only one class of Shares, and where the capital of the Company includes Shares with different voting rights, the designation of each class of Shares, other than those which carry the general right to vote at general meetings, must include the words "restricted voting" or "limited voting" or "non-voting" or some other appropriate designation which is commensurate with the rights attaching to the relevant class of Shares.

21 (a) The Company shall not be bound to register more than four persons as joint holders of any Share.

(b) If any Shares shall stand in the names of two or more persons, the person first named in the Register shall be deemed to be sole holder thereof as regards service of notice and, subject to the provisions of these Articles, all or any other matter connected with the Company, except the transfer of the Share.

22 If a share certificate is defaced, lost or destroyed, (where the Shares are not participating securities for the purpose of the USM Rules) it may be replaced on payment of such fee~~, if any, (not exceeding, in the case of any share capital listed on a stock exchange in Hong Kong, HK$2.50 or such other sum~~ as may from time to time be allowed or not prohibited under the ASR Code~~Listing Rules~~, and, in the case of any other capital, such sum in such currency as the Board may from time to time determine to be reasonable in the territory in which the relevant Register is situated, or such other sum as the Company may by Ordinary Resolution determine) as the Board shall from time to time determine and on such terms and conditions, if any, as to publication of notices, evidence and indemnity as the Board thinks fit and in the case of wearing out or defacement, after delivery up of the old certificate. In the case of destruction or loss, the person to whom such replacement certificate is given shall also bear and pay to the Company all costs and out-of-pocket expenses incidental to the investigation by the Company of the evidence of such destruction or loss and of such indemnity.

Lien

23 The Company shall have a first and paramount lien on every Share (not being a fully paid Share) for all moneys, whether presently payable or not, called or payable at a fixed time in respect of that Share; and the Company shall also have a first and paramount lien and charge on all Shares (other than fully paid-up Shares) standing registered in the name of a Shareholder, whether singly or jointly with any other person or persons, for all the debts and liabilities of such Shareholder or his estate to the Company and whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such Shareholder, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Shareholder or his estate and any other person, whether a Shareholder of the Company or not. The Company's lien (if any) on a Share shall extend to all Dividends and bonuses declared in respect thereof. The Board may at any time either generally or in any particular case waive any lien that has arisen, or declare any Share to be exempt wholly or partially from the provisions of this Article.

24 The Company may sell, in such manner as the Board thinks fit, any Shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged, nor until the expiration of 14 days after a notice in writing, stating and demanding payment of the sum presently payable or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of intention to sell in default, shall have been given, in the manner in which notices may be sent to Shareholders of the Company as provided in these Articles, to the registered holder for the time being of the Shares, or the person entitled by reason of such holder's death, bankruptcy or winding-up to the Shares.

25 The net proceeds of such sale after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the Shares prior to the sale) be paid to the person entitled to the Shares at the time of the sale. For the purpose of giving effect to any such sale, the Board may authorise some person to transfer the Shares sold to the purchaser thereof and may enter the purchaser's name in the Register as holder of the Shares, and the purchaser shall not be bound to see the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

Calls on Shares

26 The Board may from time to time make such calls as it thinks fit upon the Shareholders in respect of any moneys unpaid on the Shares held by them respectively (whether on account of the nominal value of the Shares or by way of premiums) and not by the conditions of allotment thereof made payable at a fixed time. A call may be made payable either in one sum or by instalments.

27 At least 14 days' notice of any call shall be given to the relevant Shareholders specifying the time and place of payment and to whom such call shall be paid.

28 A copy of the notice referred to in Article 27 shall be sent to relevant Shareholders in the manner in which notices may be sent to Shareholders by the Company as herein provided.

29 In addition to the giving of notice in accordance with Article 28, notice of the person appointed to receive payment of every call and of the times and places appointed for payment may be given to the relevant Shareholders by notice to be inserted at least once in the Newspapers.

30 Every Shareholder upon whom a call is made shall pay the amount of every call so made on him to the person and at the time or times and place or places as the Board shall appoint.

31 A call shall be deemed to have been made at the time when the resolution of the Board authorising such call was passed.

32 The joint holders of a Share shall be severally as well as jointly liable for the payment of all calls and instalments due in respect of such Share or other moneys due in respect thereof.

33 The Board from time to time at its discretion may extend the time fixed for any call, and may extend such time as regards all or any of the Shareholders, whom due to residence outside the Relevant Territory or other cause the Board may deem entitled to any such extension but no Shareholder shall be entitled to any such extension except as a matter of grace and favour.

34 If the sum payable in respect of any call or instalment is not paid before or on the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding 20% per annum as the Board shall fix from the day appointed for the payment thereof to the time of the actual payment, but the Board may waive payment of such interest wholly or in part.

35 No Shareholder shall be entitled to receive any Dividend or bonus or to be present or vote (save as proxy or authorised representative for another Shareholder) at any general meeting, either personally, or (save as proxy or authorised representative for another Shareholder) by proxy, or be reckoned in a quorum, or to exercise any other privilege as a Shareholder until all calls or instalments due from him to the Company, whether alone or jointly or jointly and severally with any other person, together with interest and expenses (if any) shall have been paid.

36 On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Shareholder sued is entered in the Register as the holder, or one of the holders, of the Shares in respect of which such debt accrues; that the resolution of the Board making the call has been duly recorded in the minute book of the Board; and that notice of such call was given to the Shareholder sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

37 (a) Any sum which by the terms of allotment of a Share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the Share and/or by way of premium, shall for all purposes of these Articles be deemed to be a call duly made and notified and payable on the date fixed for payment, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture and the like, shall apply as if such sums had become payable by virtue of a call duly made and notified.

(b) The Board may on the issue of Shares differentiate between the allottees or holders as to the amount of calls to be paid and the time of payment.

38 The Board may, if it thinks fit, receive from any Shareholder willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any Shares held by him, and in respect of all or any of the moneys so advanced may pay interest at such rate (if any) not exceeding 20% per annum, as the Board may decide but a payment in advance of a call shall not entitle the Shareholder to receive any Dividend subsequently declared or to exercise any other rights or privileges as a Shareholder in respect of the Share or the due portion of the Shares upon which payment has been advanced by such Shareholder before it is called up. The Board may at any time repay the amount so advanced upon giving to such Shareholder not less than one Month's notice in writing of its intention on that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the Shares in respect of which it was advanced.

Transfer of Shares

39 Subject to the Companies Act, all transfers of Shares shall be effected by transfer in writing in the usual or common form or in such other form as the Board may accept provided always that it shall be in such a form prescribed by the HK Stock Exchange and may be under hand only or, if the transferor or transferee is a Clearing House (or its nominee(s)), under hand or by machine imprinted signature or by such other means of execution as the Board may approve from time to time. Notwithstanding the foregoing provisions, for so long as any Shares are listed on the HK Stock Exchange, titles to such listed Shares may be evidenced and transferred in accordance with the laws applicable to and the Listing Rules that are or shall be applicable to such listed Shares. The Register in respect of its listed Shares may be kept by recording the particulars required by Section 40 of the Companies Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the Listing Rules that are or shall be applicable to such listed Shares.

40 Subject to the Companies Act and all applicable laws and regulations, including the Securities and Futures Ordinance and USM Rules, transfers of Shares may be effected in Uncertificated form through the Electronic System, including the UNSRT System, the Central Clearing and Settlement System, or any other system approved by the HK Stock Exchange or the SFC, without the need for a written instrument of transfer in accordance with the rules and procedures of the Electronic System. The Company shall not be responsible for any delay or failure in the Electronic System unless caused by its own default. For certificated shares, ~~T~~the instrument of transfer of any Share shall be executed by or on behalf of the transferor and by or on behalf of the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferor or the transferee or accept mechanically executed transfers in any case in which it in its absolute discretion thinks fit to do so. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any Share by the allottee in favour of some other person.

41 (a) The Board may, in its absolute discretion at any time and from time to time, remove any Share on the principal Register to any branch Register or any Share on any branch Register to the principal Register or any other branch Register.

(b) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time stipulate, and which agreement it shall, without giving any reason therefore, be entitled in its absolute discretion to give or withhold) no Shares on the principal Register shall be removed to any branch Register nor shall Shares on any branch Register be removed to the principal Register or any other branch Register and all removals and other documents of title relating to or affecting the title to any share or other securities of the Company shall be lodged for registration, and be registered, in the case of any Shares on a branch Register, at the relevant Registration Office, and, in the case of any Shares on the principal Register, at the Transfer Office.

(c) Notwithstanding anything contained in these Articles, the Company shall as soon as practicable and on a regular basis record in the principal Register all removals of Shares effected on any branch Register and shall at all times maintain the principal Register and all branch Registers in all respects in accordance with the Companies Act.

42 Fully paid Shares shall be free from any restriction with respect to the right of the holder thereof to transfer such Shares (except when permitted by the HK Stock Exchange) and shall also be free from all liens. The Board however, may, in its absolute discretion, refuse to register a transfer of any Share which is not fully paid to a person of whom it does not approve or any Share issued under any share option scheme upon which a restriction on transfer imposed thereby still subsists, and it may also refuse to register a transfer of any Share (whether fully paid up or not) to more than four joint holders or a transfer of any Shares (not being a fully paid up Share) on which the Company has a lien.

43 The Board may also decline to recognise any instrument of transfer unless:

(a) a fee of such maximum as the HK Stock Exchange may from time to time determine to be payable (or such lesser sum as the Board may from time to time require) has been paid to the Company;

(b) for certificated shares, the instrument of transfer is lodged at the relevant Registration Office or, as the case may be, the Transfer Office accompanied by the certificate of the Shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do);

(c) if applicable, the instrument of transfer is in respect of only one class of Share;

(d) the Shares concerned are free of any lien in favour of the Company; and

(e) if applicable, the instrument of transfer is properly stamped.

44 The Board may refuse to register a transfer of any Share to an infant or to a person of unsound mind or under other legal disability.

45 If the Board shall refuse to register a transfer of any Share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal and, except where the subject Share is not a fully paid Share, the reason(s) for such refusal.

46 Upon every transfer of Shares, the certificate (if one has been issued) in respect thereof held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall upon request by the transferee be issued to the transferee in respect of the Shares transferred to him (where the shares are not participating securities for the purpose of the USM Rules) as provided in Article 18, and if any of the Shares included in the certificate so given up shall be retained by the transferor a new certificate in respect thereof shall upon request by the transferee be issued to him (where the shares are not participating securities for the purpose of the USM Rules) as provided in Article 18. The Company shall retain the instrument of transfer.

47 The registration of transfers may be suspended when the Register is closed in accordance with Article 17(d).

Transmission of Shares

48 In the case of the death of a Shareholder, the survivor or survivors where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in the Shares; but nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any Share solely or jointly held by him.

49 Any person becoming entitled to a Share in consequence of the death or bankruptcy or winding-up of a Shareholder may, upon such evidence as to his title being produced as may from time to time be required by the Board, and subject as hereinafter provided, elect either to be registered himself as holder of the Share or to have some person nominated by him registered as the transferee thereof.

50 If the person becoming entitled to a Share pursuant to Article 49 shall elect to be registered himself as the holder of such Share, he shall deliver or send to the Company a notice in writing signed by him, at (unless the Board otherwise agrees) the Registration Office, stating that he so elects. If he shall elect to have his nominee registered, he shall testify his election by executing a transfer of such Share to his nominee. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of Shares shall be applicable to any such notice or transfer as aforesaid as if the death, bankruptcy or winding-up of the Shareholder had not occurred and the notice or transfer were a transfer executed by such Shareholder.

51 A person becoming entitled to a Share by reason of the death, bankruptcy or winding-up of the holder shall be entitled to the same Dividends and other advantages to which he would be entitled if he were the registered holder of the Share. However, the Board may, if it thinks fit, withhold the payment of any Dividend payable or other advantages in respect of such Share until such person shall become the registered holder of the Share or shall have effectually transferred such Share, but, subject to the requirements of Article 80 being met, such a person may vote at general meetings of the Company.

Forfeiture of Shares

52 If a Shareholder fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Article 34, serve notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.

53 The notice shall name a further day (not earlier than the expiration of 14 days from the date of the notice) on or before which the payment required by the notice is to be made, and it shall also name the place where payment is to be made such place being the Registered Office or a Registration Office or another place within the Relevant Territory. The notice shall also state that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.

54 If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all Dividends and bonuses declared in respect of the forfeited Share and not actually paid before the forfeiture. The Board may accept the surrender of any Share liable to be forfeited hereunder and in such cases references in these Articles to forfeiture shall include surrender.

55 Any Share so forfeited shall be deemed to be the property of the Company, and may be re-allotted, sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a sale or disposition, the forfeiture may be cancelled on such terms as the Board thinks fit.

56 A person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, nevertheless, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the forfeited Shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until the date of actual payment (including the payment of such interest) at such rate not exceeding 20% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the Shares at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the Shares. For the purposes of this Article any sum which by the terms of issue of a Share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the Share or by way of premium, shall notwithstanding that such time has not yet arrived be deemed to be payable on the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

57 A certificate in writing that the declarant is a Director or the Secretary, and that a Share has been duly forfeited or surrendered on a date stated in the certificate, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share. The Company may receive the consideration, if any, given for the Share on any re-allotment, sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is re-allotted, sold or disposed of and such person shall thereupon be registered as the holder of the Share, and shall not be bound to see to the application of the subscription or purchase money, (if any), nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or disposal of such Share.

58 When any Share shall have been forfeited, notice of the forfeiture shall be given to the Shareholder in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

59 Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any Shares so forfeited shall have been re-allotted, sold or otherwise disposed of, cancel the forfeiture on such terms as it thinks fit or permit the Shares so forfeited to be bought back or redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the Shares, and upon such further terms (if any) as it thinks fit.

60 The forfeiture of a Share shall not prejudice the right of the Company to any call already made or any instalment payment thereon.

61 (a) The provisions of these Articles as to forfeiture shall apply in the case of non- payment of any sum which, by terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

(b) In the event of a forfeiture of Shares the Shareholder shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the Shares so forfeited and in any event the certificates representing Shares so forfeited shall be void and of no further effect.

General Meetings

62 At all times during the Relevant Period, the Company shall in each financial year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it. The annual general meeting must be held within six (6) months after the end of the Company's financial year (unless a longer period would not infringe the Listing Rules, if any). A meeting of the Shareholders or any class thereof may be held by means of such telephone, electronic or other communication facilities (including, without limiting the generality of the foregoing, by telephone or by video conferencing) as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence at such meetings.

63 All general meetings other than annual general meetings shall be called extraordinary general meetings.

63A All general meetings (including an annual general meeting, any extraordinary general meeting, any adjourned meeting or any postponed meeting) may be held as a physical meeting in any part of the world and at one or more locations as provided in Article 71A, as a hybrid meeting or as an electronic meeting, as may be determined by the Board in its absolute discretion.

64 The Board may, whenever it thinks fit, convene an extraordinary general meeting. Extraordinary general meetings shall also be convened and/or resolutions shall be added to a meeting agenda on the requisition of one or more Shareholders holding, at the date of deposit of the requisition, not less than one-tenth of the voting rights (excluding treasury shares), on a one vote per share basis, in the share capital of the Company carrying the right of voting at general meetings of the Company. Such requisition shall be made in writing to the Board or the Secretary for the purpose of requiring an extraordinary general meeting to be called by the Board for the transaction of any business specified in such requisition and/or for requiring resolutions to be added to a meeting agenda. Such meeting shall be held within two Months after the deposit of such requisition. If within 21 days of such deposit, the Board fails to proceed to convene such meeting, the requisitionist(s) himself or herself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

65 An annual general meeting of the Company shall be called by at least 21 days' notice in writing, and a general meeting of the Company, other than an annual general meeting, shall be called by at least 14 days' notice in writing. The notice for every general meeting shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given. The notice for every general meeting shall specify: (a) the time and date of the meeting; (b) save for an electronic meeting, the place of the meeting and if there is more than one meeting location as determined by the Board pursuant to Article 71A(1), the principal place of the meeting (the "Principal Meeting Place") and the other place(s) of the meeting; (c) if the general meeting is to be a hybrid meeting or an electronic meeting, a statement to that effect and with details of the electronic facilities for attendance and participation by electronic means at the meeting or when and how such details will be made available by the Company prior to the meeting; (d) the agenda of the meeting and particulars of the resolutions to be considered at that meeting; and (e) in case of special business (as defined in Article 67), the general nature of that business. The notice for every general meeting shall be given, in manner hereinafter mentioned or in such other manner, if any, as may be prescribed by the Company in general meeting, to such persons as are, under these Articles, entitled to receive such notices from the Company, provided that a meeting of the Company shall notwithstanding that it is called by shorter notice than that specified in this Article be deemed to have been duly called if it is so agreed:

(a) in the case of a meeting called as the annual general meeting, by all the Shareholders entitled to attend and vote thereat; and

(b) in the case of any other meeting, by a majority in number of the Shareholders having a right to attend and vote at the meeting, being a majority together holding not less than 95% of the total voting rights at the meeting of all members of the Company.

66 (a) The accidental omission to give any notice to, or the non-receipt of any notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceedings at any such meeting.

(b) In the case where forms of proxy or notice of appointment of corporate representative are to be sent out with any notice, the accidental omission to send such forms of proxy or notice of appointment of corporate representative to, or the non-receipt of such forms by, any person entitled to receive notice of the relevant meeting shall not invalidate any resolution passed or any proceeding at any such meeting.

Proceedings at General Meetings

67 (a) All business shall be deemed special that is transacted at an extraordinary general meeting and also all business shall be deemed special that is transacted at an annual general meeting with the exception of the following, which shall be deemed ordinary business:

(i) the declaration and sanctioning of Dividends;

(ii) the consideration and adoption of the accounts and balance sheets and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheets;

(iii) the election of Directors in place of those retiring;

(iv) the appointment of Auditors;

(v) the fixing of, or the determining of the method of fixing of the remuneration of the Directors and of the Auditors;

(vi) the granting of any mandate or authority to the Board to offer, allot, grant options over, or otherwise dispose of the unissued Shares representing not more than 20% (or such other percentage as may from time to time be specified in the Listing Rules) in nominal value of its then existing issued share capital and the number of any securities repurchased pursuant to paragraph (vii) of this Article; and

(vii) the granting of any mandate or authority to the Board to repurchase securities of the Company.

(b) All Shareholders shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Shareholder is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

68 For all purposes the quorum for a general meeting shall be two Shareholders present (including presence by electronic means) in person or by proxy and entitled to vote. No business shall be transacted at any general meeting unless the requisite quorum shall be present at the time when the meeting proceeds to business and continues to be present until the conclusion of the meeting.

69 If within 15 minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Shareholders, shall be dissolved. In any other case, it shall stand adjourned to the same day in the next week and at such time and (where applicable) such place(s) and in such form and manner referred to in Article 63A as shall be decided by the Board. If at such adjourned meeting a quorum is not present within 15 minutes from the time appointed for holding the meeting, the Shareholder or the Shareholders present in person or by proxy and entitled to vote shall be a quorum and may transact the business for which the meeting was called.

70 The chairman (if any) of the Company or if he is absent or declines to take the chair at such meeting, the vice chairman (if any) of the Company shall take the chair at every general meeting, or, if there be no such chairman or vice chairman, or, if at any general meeting neither of such chairman or vice chairman is present within 15 minutes after the time appointed for holding such meeting, or both such persons decline to take the chair at such meeting, the Directors present shall choose one of their number as chairman of the meeting, and if no Director be present or if all the Directors present decline to take the chair or if the chairman chosen shall retire from the chair, then the Shareholders present shall choose one of their number to be chairman of the meeting.

70A The chairman of a general meeting (be it a physical meeting, a hybrid meeting or an electronic meeting) may attend, preside as chairman at, and conduct proceedings of, such meeting by means of electronic facilities.

71 Subject to Article 71A(4), the chairman of the meeting may, with the consent of any general meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn any meeting from time to time (or indefinitely) and/or (if applicable) from place(s) to place(s) and/or from one form to another (as a physical meeting, a hybrid meeting or an electronic meeting) as the meeting shall determine. Whenever a meeting is adjourned for 14 days or more, at least seven clear days' notice, specifying the details of the meeting as set out in Article 65 shall be given in the same manner as in the case of an original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, no notice of an adjournment or of the business to be transacted at any adjourned meeting needs to be given nor shall any Shareholder be entitled to any such notice. No business shall be transacted at an adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.

71A (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations ("Meeting Location(s)") determined by the Board at its absolute discretion. Any Shareholder or any proxy attending and participating in such way or any Shareholder or any proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.

(2) All general meetings are subject to the following:

(a) where a Shareholder or proxy is attending at a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced as if it has commenced at the Principal Meeting Place;

(b) Shareholders present in person or by proxy at a Meeting Location and/or Shareholders participating in an electronic meeting or a hybrid meeting in person or by proxy by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Shareholders at all Meeting Locations and/or Shareholders participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;

(c) where Shareholders and/or their proxies attend a meeting by being present at one of the Meeting Locations and/or where Shareholders and/or their proxies participate in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Shareholders and/or their proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

(d) if any of the Meeting Locations is outside the jurisdiction of the Principal Meeting Place and/or in the case of a hybrid meeting, unless otherwise stated in the notice, the provisions of these Articles concerning the service and giving of notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the notice for the meeting.

(3) The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place and/or any Meeting Location(s) and/or attendance and/or participation and/or voting at an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Shareholder who, pursuant to such arrangements, is unable to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Shareholder so to attend the

meeting or adjourned meeting or postponed meeting at such Meeting Location(s) shall be subject to any such arrangement as may be for the time being in force and by the notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

(4) If it appears to the chairman of the general meeting that:

(a) the electronic facilities at the Principal Meeting Place and/or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 71A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the notice of the meeting; or

(b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate to give all persons entitled to do so a reasonable opportunity to participate at the meeting; or

(c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or

(d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting,

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including an adjournment for an indefinite period), or in the case of an electronic meeting or a hybrid meeting, change the electronic facilities. All business conducted at the meeting up to the time of any such adjournment or change of electronic facilities shall be valid.

(5) The Board and, at any general meeting, the chairman of the meeting may make any arrangements, determine and/or impose any requirements, restrictions, procedures or measures which the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and facilitate the orderly and effective conduct of a meeting, including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the inspection of their personal property and the restriction of items that may be taken into the meeting place, obeying any precautionary measures and regulations in relation to prevention and control of spread of disease, and determining the number and frequency of and the time allowed for questions that may be raised at a meeting. Shareholders and their proxies shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made by the Board and, at any general meeting, by the chairman of the meeting pursuant this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements, restrictions, procedures or measures may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

(6) If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Board, in its absolute discretion, considers that it is unreasonable or impractical for any reason to hold the general meeting on the date and/or at the time and/or at the place and/or using the electronic facilities and/or in the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) specified in the notice calling the meeting, it may (a) postpone the meeting to another date and/ or time, and/or (b) change the place and/or the electronic facilities and/or the form of the meeting (as a physical meeting, an electronic meeting or a hybrid meeting), without approval from the Shareholders. Without prejudice to the generality of the foregoing, the Board shall have the power to provide in every notice calling a general meeting the circumstances in which a postponement and/or change of the relevant general meeting may occur automatically without further notice, including, without limitation, where a number 8 or higher typhoon signal, extreme conditions, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

(a) when (i) a meeting is postponed and/or (ii) there is a change in the place and/or the electronic facilities and/or form of the meeting, the Company shall: (X) endeavour to post a notice of such postponement and/or change on the Company's website as soon as reasonably practicable (provided that failure to post such a notice shall not affect the automatic postponement and/or automatic change of such meeting); and (Y) subject to and without prejudice to Article 71, unless already specified in the original notice of the meeting or included in the notice posted on the Company's website above, the Board shall fix the date, time, place (if applicable), electronic facilities (if applicable) and form of the meeting (if applicable) for the postponed and/or changed meeting and shall notify the Shareholders of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than forty-eight hours before the time of the postponed and/or changed meeting; and

(b) notice of the business to be transacted at the postponed and/or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed and/or changed meeting is the same as that set out in the original notice of general meeting circulated to the Shareholders.

(7) All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 71A(4), any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

(8) Without prejudice to the other provisions in this Article 71A, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as shall permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting and shall be counted in the quorum of the meeting.

(9) Without prejudice to the other provisions in this Article 71A, and subject to the Statutes and the Listing Rules, the Board may resolve to enable persons entitled to attend an electronic meeting to do so by simultaneous attendance by electronic means with no Shareholder necessarily in physical attendance at the electronic meeting. Each Shareholder or its proxy shall be counted in the quorum for, and entitled to vote at, the electronic meeting in question, and that general meeting shall be duly constituted and its proceedings valid if the chairman of the electronic meeting is satisfied that adequate facilities are available throughout the electronic meeting to ensure that Shareholders attending the electronic meeting who are not present together at the same place may, by electronic means, attend and speak or communicate and vote at it.

72 At any general meeting a resolution put to the vote of the meeting shall be decided by poll save that in the case of a physical meeting, the chairman of the meeting may, pursuant to the Listing Rules, allow a resolution to be voted on by a show of hands. Votes may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine at its/his/her absolute discretion to the extent permitted by and in accordance with all applicable laws, rules and regulations, including the Listing Rules. In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded by:

(a) at least two Shareholders present in person or by proxy for the time being entitled to vote at the meeting; or

(b) any Shareholder or Shareholders present in person or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or

(c) any Shareholder or Shareholders present in person or by proxy and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right.

A demand by a person as proxy for a Shareholder shall be deemed to be the same as a demand by the Shareholder.

73 Where a resolution is voted on by a show of hands, a declaration by the chairman of the meeting that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded in favour of or against such resolution.

74 A poll shall be taken in such manner (including the use of ballot or voting papers or tickets) and at such time and place as the chairman of the meeting directs. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was required or demanded. In the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, the demand for a poll may be withdrawn, with the consent of the chairman of the meeting, at any time before the close of the meeting at which the poll was demanded or the taking of the poll, whichever is the earlier.

75 Any poll on the election of a chairman of a meeting or on any question of adjournment shall be taken at the meeting and without adjournment.

76 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a second or casting vote. In case of any dispute as to the admission or rejection of any vote, the chairman of the meeting shall determine the same, and such determination shall be final and conclusive.

77 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

78 If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the meeting, the proceedings shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

Votes of Shareholders

79 Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of Shares, at any general meeting on a poll every Shareholder present in person or by proxy, shall have one vote for every Share of which he is the holder which is fully paid or credited as fully paid (but so that no amount paid or credited as paid on a Share in advance of calls or instalments shall be treated for the purposes of this Article as paid on the Share), and on a show of hands every Shareholder who is present in person or by proxy shall (save as provided otherwise in this Article) have one (1) vote. On a poll a Shareholder entitled to more than one vote need not use all his votes or cast all his votes in the same way. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Shareholder which is a Clearing House (or its nominee(s)), each such proxy shall have one vote on a show of hands and on a poll, each such proxy is under no obligation to cast all his votes in the same way. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

79A Where any Shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Shareholder in contravention of such requirement or restriction shall not be counted.

80 Any person entitled under Article 51 to be registered as the holder of any Shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such Shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting or postponed meeting (as the case may be) at which he proposes to vote, he shall satisfy the Board of his right to be registered as the holder of such Shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

81 Where there are joint registered holders of any Share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such Share as if he were solely entitled thereto; but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present whose name stands first on the Register in respect of such Share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased Shareholder, and several trustees in bankruptcy or liquidators of a Shareholder in whose name any Share stands shall for the purposes of this Article be deemed joint holders thereof.

82 A Shareholder of unsound mind or in respect of whom an order has been made by any court having jurisdiction in lunacy may vote, whether on a poll or on a show of hands, by his committee or receiver, or other person in the nature of a committee or receiver appointed by that court, and any such committee, receiver or other person may vote on a poll by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be delivered to such place or one of such places (if any) as is specified in accordance with these Articles for the deposit of instruments of proxy or, if no place is specified, at the Registration Office, not later than the latest time at which an instrument of proxy must, if it is to be valid for the meeting, be delivered.

83 Save as expressly provided in these Articles or otherwise determined by the Board, no person other than a Shareholder duly registered and who shall have paid everything for the time being due from him payable to the Company in respect of his Shares shall be entitled to be present or to vote (save as proxy or authorised representative for another Shareholder) whether personally, by proxy or by attorney or to be reckoned in the quorum, at any general meeting.

84 No objection shall be raised to the qualification of any person exercising or purporting to exercise a vote or the admissibility of any vote except at the meeting or adjourned meeting or postponed meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

Appointment of Proxy and Corporate Representative

85 Any Shareholder (whether an individual or a corporation) entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person (being a natural person) as his or her proxy to attend and vote instead of him or her. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him or her and vote on his or her behalf at a general meeting of the Company or at a class meeting. A proxy need not necessarily be a Shareholder of the Company. On a poll or a show of hands, votes may be given either personally or by proxy. A proxy shall be entitled to exercise the same powers on behalf of a Shareholder who is an individual and for whom he or she acts as proxy as such Shareholder could exercise. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he or she acts as proxy as such Shareholder could exercise as if it were an individual Shareholder.

86 No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or, in the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, his demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

87 The instrument appointing a proxy shall be in such form, including electronic or otherwise, as the Board may determine and in the absence of such determination, shall be in writing, which may include electronic writing, and signed by the appointor or his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or signed by an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts. ~~The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised.~~

88 (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for

different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

(2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the Notice convening the meeting (or, if no place is so specified at the Registration Office or the Registered Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than fortyeight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

~~The instrument appointing a proxy and, if requested by the Board, the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power or authority shall be deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the instrument of proxy issued by the Company (or, if no place is specified, at the Registration Office) not less than 48 hours before the time for holding the meeting or adjourned meeting or postponed meeting (as the case may be) at which the person named in such instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned meeting or postponed meeting where the meeting was originally held within 12 Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked~~.

89 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve, provided that it shall not preclude the use of the two-way form. Any form issued to a Shareholder for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business.

90 The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.

91 A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registration Office, or at such other place as is referred to in Article 88, at least two hours before the commencement of the meeting or adjourned meeting or postponed meeting at which the proxy is used.

92 (a) Any corporation which is a Shareholder may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Shareholders of the Company, and the person so authorised shall be entitled to exercise the same rights and powers on behalf of the corporation which he or she represents as that corporation could exercise as if it were an individual Shareholder of the Company, including but not limited to the right to attend and vote at any such meeting. References in these Articles to a Shareholder present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a Shareholder represented at the meeting by such duly authorised representative.

(b) Where a Shareholder is a Clearing House (or its nominee(s)), it may (subject to Article 93) authorise such person or persons as it thinks fit to act as its proxy or proxies or as its representative or representatives at any meeting of the Company (including but not limited to general meetings and creditors meetings) or at any meeting of any class of Shareholders provided that, if more than one proxy or corporate representative is so authorised, the authorisation shall specify the number and class of Shares in respect of which each such proxy or corporate representative is so authorised. A person so authorised pursuant to the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the Clearing House (or its nominee(s)) which he or she represents as that Clearing House (or its nominee(s)) could exercise as if such person were an individual Shareholder, including but not limited to the right to attend, speak and vote at such meetings.

93 Unless the Board agrees otherwise, an appointment of a corporate representative shall not be valid as against the Company unless:

(a) in the case of such an appointment by a Shareholder which is a Clearing House (or its nominee(s)), a written notification of the appointment issued by any director, the secretary or any authorised officer(s) of such Shareholder shall have been delivered at such place or one of such places (if any) as is specified in the notice of meeting or in the form of notice issued by the Company, or handed to the chairman of the meeting at the meeting or, if no place is specified, at the principal place of business maintained by the Company in the Relevant Territory from time to time before the time of holding the meeting or adjourned meeting or postponed meeting at which the person so authorised proposes to vote or handed to the chairman of the meeting at the meeting; and

(b) in the case of such an appointment by any other corporate Shareholder, a copy of the resolution of its directors or other governing body of the Shareholder authorising the appointment of the corporate representative or a form of notice of appointment of corporate representative issued by the Company for such purpose or a copy of the relevant power of attorney, together with an up-to-date copy of the Shareholder's constitutive documents and a list of directors or members of the governing body of the Shareholder as at the date of such resolution, or, as the case may be, power of attorney, in each case certified by a director, secretary or a member of the governing body of that Shareholder and notarised, or, in the case of a form of notice of appointment issued by the Company as aforesaid, completed and signed in accordance with the instructions thereon or in the case of a power of attorney a notarised copy of the relevant authority under which it was signed, shall have been deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the form of notice issued by the Company as aforesaid (or, if no place is specified, at the Registration Office) not less than 48 hours before the time for holding the meeting or adjourned meeting or postponed meeting or poll (as the case may be) at which the corporate representative proposes to vote.

94 No appointment of a corporate representative shall be valid unless it names the person authorised to act as the appointor's representative and the appointor is also named. The Board may, unless it is satisfied that a person purporting to act as a corporate representative is the person named in the relevant instrument for his appointment, decline such person's admission to the relevant meeting and/or reject his vote or demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Board or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

Registered Office

95 The Registered Office of the Company shall be at such place in the Cayman Islands as the Board shall from time to time decide.

Board of Directors

96 The number of Directors shall not be less than two (2). The Company shall keep at its Registered Office a register of its directors and officers in accordance with the Companies Act.

97 A Director may at any time, by notice in writing signed by him delivered to the Registered Office or at the Head Office or at a meeting of the Board, appoint any person (including another Director) to act as alternate Director in his place during his absence and may in like manner at any time determine such appointment. If such person is not another Director such appointment unless previously approved by the Board shall have effect only upon and subject to being so approved. The appointment of an alternate Director shall determine on the happening of any event which, were he a Director, would cause him to vacate such office or if his appointor ceases to be a Director. An alternate Director may act as alternate to more than one Director.

98 (a) An alternate Director shall (subject to his giving to the Company an address, telephone and facsimile number within the territory of the Head Office for the time being for the giving of notices on him and except when absent from the territory in which the Head Office is for the time being situate) be entitled (in addition to his appointor) to receive and (in lieu of his appointor) to waive notices of meetings of the Board and of any committee of the Board of which his appointor is a member and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all the functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he (instead of his appointor) were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative. If his appointor is for the time being absent from the territory in which the Head Office is for the time being situate or otherwise not available or unable to act, his signature to any resolution in writing of the Directors or any such committee shall be as effective as the signature of his appointor. His attestation of the affixing of the Seal shall be as effective as the signature and attestation of his appointor. An alternate Director shall not, save as aforesaid, have power to act as a Director nor shall he be deemed to be a Director for the purposes of these Articles.

(b) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director, but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the ordinary remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.

(c) A certificate by a Director (including for the purpose of this paragraph (c) an alternate Director) or the Secretary that a Director (who may be the one signing the certificate) was at the time of a resolution of the Directors or any committee thereof absent from the territory of the Head Office or otherwise not available or unable to act or has not supplied an address, telephone and facsimile number within the territory of the Head Office for the purposes of giving of notice to him shall in favour of all persons without express notice to the contrary, be conclusive of the matter so certified.

99 A Director or an alternate Director shall not be required to hold any qualification Shares but shall nevertheless be entitled to attend and speak at all general meetings of the Company and all meetings of any class of Shareholders of the Company. Directors may participate in any meeting of the Shareholders or any class thereof by means of a conference telephone, electronic or other communications equipment through which all persons participating in the meeting can communicate simultaneously and instantaneously and, such participation shall constitute presence at a meeting as if those participating were present in person.

100 The Directors shall be entitled to receive by way of ordinary remuneration for their services as Directors such sum as shall from time to time be determined by the Company in general meeting or by the Board, such sum (unless otherwise directed by the resolution by which it is voted) to be divided amongst the Directors in such proportions and in such manner as they may agree, or failing agreement, equally, except that in such event any Director holding office for less than the whole of the relevant period in respect of which the ordinary remuneration is paid shall only rank in such division in proportion to the time during such period for which he has held office. Such remuneration shall be in addition to any other remuneration to which a Director who holds any salaried employment or office in the Company may be entitled by reason of such employment or office.

101 The Directors shall also be entitled to be repaid all travelling, hotel and other expenses reasonably incurred by them respectively in or about the performance of their duties as Directors, including their expenses of travelling to and from Board meetings, committee meetings or general meetings or otherwise incurred whilst engaged on the business of the Company or in the discharge of their duties as Directors.

102 The Board may grant special remuneration to any Director who shall perform or has performed any special or extra services at the request of the Company. Such special remuneration may be made payable to such Director in addition to or in substitution for his ordinary remuneration as a Director, and may be made payable by way of salary, commission or participation in profits or otherwise as may be arranged.

103 Notwithstanding Articles 100, 101 and 102, the remuneration of a managing director, joint managing director, deputy managing director or an executive director or a Director appointed to any other office in the management of the Company may from time to time be fixed by the Board and may be by way of salary, commission, or participation in profits or otherwise or by all or any of those modes and with such other benefits (including pension and/or gratuity and/or other benefits on retirement) and allowances as the Board may from time to time decide. Such remuneration shall be in addition to his ordinary remuneration as a Director.

104 (a) Payments to any Director or past director of the Company of any sum by way of compensation for loss of office or as consideration for or in connection with his retirement from office (not being a payment to which the director of the Company or past director is contractually or statutorily entitled) must be approved by the Company in general meeting.

(b) Except as would, if the Company were a company incorporated in Hong Kong, be permitted by the Companies Ordinance as in force at the date of adoption of these Articles, and except as permitted under the Companies Act, the Company shall not directly or indirectly:

(i) make a loan to a Director or a director of any Holding Company of the Company or any of their respective Close Associates;

(ii) enter into any guarantee or provide any security in connection with a loan made by any person to a Director or a director of any Holding Company of the Company or any of their respective Close Associates; or

(iii) if any one or more of the Directors hold (jointly or severally or directly or indirectly) a controlling interest in another company, make a loan to that other company or enter into any guarantee or provide any security in connection with a loan made by any person to that other company.

(c) Article 104(a) and (b) shall only apply during the Relevant Period.

105 A Director shall vacate his office:

(a) if he becomes bankrupt or has a receiving order made against him or suspends payment or compounds with his creditors generally; or

(b) if he dies or becomes of unsound mind as determined pursuant to an order made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs and the Board resolves that his office be vacated; or

(c) if he absents himself from the meetings of the Board during a continuous period of six months, without special leave of absence from the Board, and his alternate Director (if any) shall not during such period have attended in his stead, and the Board pass a resolution that he has by reason of such absence vacated his office; or

(d) if he becomes prohibited by law from acting as a Director, or he ceases to be a Director by virtue of any provision of law or is removed from office pursuant to these Articles; or

(e) if he has been validly required by the stock exchange of the Relevant Territory to cease to be a Director and the relevant time period for application for review of or appeal against such requirement has lapsed and no application for review or appeal has been filed or is underway against such requirement; or

(f) if by notice in writing delivered to the Company at its Registered Office or at the Head Office or tendered at a meeting of the Board he resigns his office; or

(g) if he or she shall be removed from office by an Ordinary Resolution of the Shareholders in general meeting under Article 114; or

(h) if he shall be removed from the office by notice in writing served on him signed by not less than ¾ in number (or if that is not a round number, the nearest lower round number) of the Directors (including himself) then in office.

106 No Director shall be required to vacate office or be ineligible for re-election or re- appointment as a Director, and no person shall be ineligible for appointment as a Director by reason only of his having attained any particular age.

107 (a) No Director or intended Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company with any person, company or partnership of or in which any Director shall be a member or otherwise interested be capable on that account of being avoided, nor shall any Director so contracting or being any member or so interested be liable to account to the Company for any profit so realized by any such contract or arrangement by reason only of such Director holding that office or the fiduciary relationship thereby established, provided that such Director shall, if his interest in such contract or arrangement is material, declare the nature of his interest at the earliest meeting of the Board at which it is practicable for him to do so, either specifically or by way of a general notice stating that, by reason of the facts specified in the notice, he is to be regarded as interested in any contracts of a specified description which may subsequently be made by the Company.

(b) Any Director may continue to be or become a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of any other company in which the Company may be interested and (unless otherwise agreed between the Company and the Director) no such Director shall be liable to account to the Company or the Shareholders for any remuneration or other benefits received by him as a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer or member of any such other company. The Directors may exercise the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them as directors, managing directors, joint managing directors, deputy managing director, executive directors, managers or other officers of such company) and any Director may vote in favour of the exercise of such voting rights in the manner aforesaid notwithstanding that he may be, or is about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in the manner aforesaid.

(c) A Director may hold any other office or place of profit with the Company (except that of Auditors) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profit or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Articles.

(d) A Director shall not vote (nor shall he be counted in the quorum) on any resolution of the Board in respect of any contract or arrangement or proposal in which he or any of his Close Associate(s) has/have a material interest, and if he shall do so his vote shall not be counted (nor shall he be counted in the quorum for that resolution), but this prohibition shall not apply to any of the following matters namely:

(i) the giving of any security or indemnity either:

(A) to the Director or his Close Associate(s) in respect of money lent or obligations incurred or undertaken by him or any of them at the request of or for the benefit of the Company or any of its subsidiaries; or

(B) to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which the Director or his Close Associate(s) has himself/themselves assumed responsibility in whole or in part and whether alone or jointly under a guarantee or indemnity or by the giving of security;

(ii) any proposal concerning an offer of shares or debentures or other securities of or by the Company or any other company which the Company may promote or be interested in for subscription or purchase where the Director or his Close Associate(s) is/are or is/are to be interested as a participant in the underwriting or sub-underwriting of the offer;

(iii) any proposal or arrangement concerning the benefit of employees of the Company or its subsidiaries including:

(A) the adoption, modification or operation of any employees' share scheme or any share incentive or share option scheme under which the Director or his Close Associate(s) may benefit; or

(B) the adoption, modification or operation of a pension fund or retirement, death or disability benefits scheme which relates to the Director, his Close Associates and employees of the Company or any of its subsidiaries and does not provide in respect of any Director or his Close Associate(s), as such any privilege or advantage not generally accorded to the class of persons to which such scheme or fund relates; and

(iv) any contract or arrangement in which the Director or his Close Associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.

(e) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of or terminating the appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals shall be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not prohibited from voting under paragraph (d)) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

(f) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the chairman of the meeting) or his Close Associates or as to the entitlement of any Director (other than the chairman of the meeting) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, such question shall be referred to the chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director or his Close Associates concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting or his Close Associates such question shall be decided by a resolution of the Board (for which purpose such chairman shall not be counted in the quorum and shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman or his Close Associates as known to him has not been fairly disclosed to the Board.

Appointment and Rotation of Directors

108 (a) Notwithstanding any other provisions in these Articles, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one- third, shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. The Company at the general meeting at which a Director retires may fill the vacated office.

(b) The Directors to retire by rotation shall include (so far as necessary to obtain the number required) any Director who wishes to retire and not to offer himself for re-election. Any Director who has not been subject to retirement by rotation in the three years preceding the annual general meeting shall retire by rotation at such annual general meeting. Any further Directors so to retire shall be those who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

(c) A Director is not required to retire upon reaching any particular age.

109 If at any general meeting at which an election of Directors ought to take place, the places of the retiring Directors are not filled, the retiring Directors or such of them as have not had their places filled shall be deemed to have been re-elected and shall, if willing, continue in office until the next annual general meeting and so on from year to year until their places are filled, unless:

(a) it shall be determined at such meeting to reduce the number of Directors; or

(b) it is expressly resolved at such meeting not to fill such vacated offices; or

(c) in any such case the resolution for re-election of a Director is put to the meeting and lost; or

(d) such Director has given notice in writing to the Company that he is not willing to be re-elected.

110 The Company in general meeting may from time to time fix and may from time to time by Ordinary Resolution increase or reduce the maximum and minimum number of Directors but so that the number of Directors shall not be less than two (2).

111 The Company may from time to time in general meeting by Ordinary Resolution elect any person to be a Director either to fill a casual vacancy or as an additional Director. Any Director so appointed shall be subject to retirement by rotation pursuant to Article 108.

112 The Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an additional Director but so that the number of Directors so appointed shall not exceed the maximum number determined from time to time by the Shareholders in general meeting. Any Director appointed by the Board to fill a casual vacancy or as an addition to the existing Board shall hold office only until the first annual general meeting of the Company after his or her appointment, and shall then be eligible for re-election. Any Director appointed under this Article shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at an annual general meeting.

113 No person, other than a retiring Director, shall, unless recommended by the Board for election, be eligible for election to the office of Director at any general meeting, unless notice in writing of the intention to propose that person for election as a Director and notice in writing by that person of his willingness to be elected shall have been lodged at the Head Office or at the Registration Office. The period for lodgment of the notices required under this Article will commence no earlier than the day after the despatch of the notice of the general meeting appointed for such election and end no later than seven days prior to the date of such general meeting and the minimum length of the period during which such notices to the Company may be given will be at least seven days.

114 Where not otherwise provided by law, the Shareholders in general meeting may by Ordinary Resolution remove any Director (including a managing director or other executive director) before the expiration of his or her term of office notwithstanding anything in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim which such Director may have for damages for any breach of any contract between him or her and the Company) and may by Ordinary Resolution elect another person in his or her stead. Any Director so appointed shall be subject to retirement by rotation pursuant to Article 108.

Borrowing Powers

115 The Board may from time to time at its discretion exercise all the powers of the Company to raise or borrow or to secure the payment of any sum or sums of money for the purposes of the Company and to mortgage or charge its undertaking, property and uncalled capital or any part thereof.

116 The Board may raise or secure the payment or repayment of such sum or sums in such manner and upon such terms and conditions in all respects as it thinks fit and in particular but subject to the provisions of the Companies Act, by the issue of debentures, debenture stock, bonds or other securities of the Company, whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.

117 Debentures, debenture stock, bonds and other securities (other than Shares which are not fully paid) may be made assignable free from any equities between the Company and the person to whom the same may be issued.

118 Any debentures, debenture stock, bonds or other securities (other than Shares) may be issued at a discount, premium or otherwise and with any special privileges as to redemption, surrender, drawings, allotment or subscription of or conversion into Shares, attending and voting at general meetings of the Company, appointment of Directors and otherwise.

119 The Directors shall cause a proper register to be kept, in accordance with the provisions of the Companies Act, of all mortgages and charges specifically affecting the property of the Company and shall duly comply with such provisions of the Companies Act with regard to the registration of mortgages and charges as may be specified or required.

120 If the Company issues a series of debentures or debenture stock not transferable by delivery, the Board shall cause a proper register to be kept of the holders of such debentures.

121 Where any uncalled capital of the Company is charged, all persons taking any subsequent charge thereon shall take the same subject to such prior charge, and shall not be entitled, by notice to the Shareholders or otherwise, to obtain priority over such prior charge.

Managing Directors, etc.

122 The Board may from time to time appoint any one or more of them to the office of managing director, joint managing director, deputy managing director or other executive director and/or such other office in the management of the business of the Company as it may decide for such period and upon such terms as it thinks fit and upon such terms as to remuneration as it may decide in accordance with Article 103.

123 Every Director appointed to an office under Article 122 hereof shall, but without prejudice to any claim for damages for breach of any contract of service between himself and the Company, be liable to be dismissed or removed therefrom by the Board.

124 A Director appointed to an office under Article 122 shall be subject to the same provisions as to resignation and removal as the other Directors of the Company, and he shall ipso facto and immediately cease to hold such office if he shall cease to hold the office of Director for any cause.

125 The Board may from time to time entrust to and confer upon a chairman, vice chairman, managing director, joint managing director, deputy managing director or executive director all or any of the powers of the Board that it may think fit provided that the exercise of all powers by such Director shall be subject to such regulations and restrictions as the Board may from time to time make and impose, and, subject to the terms thereof, the said powers may at any time be withdrawn, revoked or varied, but no person dealing in good faith and without notice of such withdrawal, revocation or variation shall be affected thereby.

126 The Board may from time to time appoint any person to an office or employment having a designation or title including the word "director" or attach to any existing office or employment with the Company such a designation or title. The inclusion of the word "director" in the designation or title of any office or employment with the Company (other than the office of managing director or joint managing director or deputy managing director or executive director) shall not imply that the holder thereof is a Director nor shall such holder be empowered in any respect to act as a Director or be deemed to be a Director for any of the purposes of these Articles.

Management

127 The business of the Company shall be managed by the Board who, in addition to the powers and authorities by these Articles expressly conferred upon it, may exercise all such powers and do all such acts and things as may be exercised or done or approved by the Company and are not hereby or by the Companies Act expressly directed or required to be exercised or done by the Company in general meeting, but subject nevertheless to the provisions of the Companies Act and of these Articles and to any regulations from time to time made by the Company in general meeting not being inconsistent with such provisions or these Articles, provided that no regulation so made shall invalidate any prior act of the Board which would have been valid if such regulation had not been made.

128 Without prejudice to the general powers conferred by these Articles, it is hereby expressly declared that the Board shall have the following powers:

(a) to give to any person the right or option of requiring at a future date that an allotment shall be made to him of any Share at par or at such premium and on such other terms as may be agreed; and

(b) to give to any Directors, officers or employees of the Company an interest in any particular business or transaction or participation in the profits thereof or in the general profits of the Company either in addition to or in substitution for a salary or other remuneration.

Managers

129 The Board may from time to time appoint a general manager, manager or managers of the business of the Company and may fix his or their remuneration either by way of salary or commission or by conferring the right to participation in the profits of the Company or by a combination of two or more of these modes and pay the working expenses of any of the staff of the general manager, manager or managers who may be employed by him or them upon the business of the Company.

130 The appointment of such general manager, manager or managers may be for such period as the Board may decide and the Board may confer upon him or them all or any of the powers of the Board and such title or titles as it may think fit.

131 The Board may enter into such agreement or agreements with any such general manager, manager or managers upon such terms and conditions in all respects as it may in its absolute discretion think fit, including a power for such general manager, manager or managers to appoint an assistant manager or managers or other employees whatsoever under them for the purpose of carrying on the business of the Company.

Chairman and other Officers

132 The Board may from time to time elect or otherwise appoint one of them to the office of chairman of the Company and another to be the vice chairman of the Company (or two or more vice Chairmen) and determine the period for which each of them is to hold office. The chairman of the Company or, in his absence, the vice chairman of the Company shall preside as chairman at meetings of the Board, but if no such chairman or vice chairman be elected or appointed, or if at any meeting the chairman or vice chairman is not present within five minutes after the time appointed for holding the same and willing to act, the Directors present shall choose one of their number to be chairman of such meeting. All the provisions of Articles 103, 108, 123, 124 and 125 shall mutatis mutandis apply to any Directors elected or otherwise appointed to any office in accordance with the provisions of this Article.

Proceedings of the Directors

133 The Board may meet together for the despatch of business, adjourn or postpone and otherwise regulate its meetings and proceedings as it thinks fit and may determine the quorum necessary for the transaction of business. Unless otherwise determined two Directors shall be a quorum. For the purpose of this Article an alternate Director shall be counted in a quorum separately in respect of himself or herself (if a Director) and in respect of each Director for whom he or she is an alternate and his or her voting rights shall be cumulative and he need not use all his votes or cast all his or her votes in the same way. A meeting of the Board or any committee of the Board may be held by means of such telephone, electronic or other communication facilities (or by a combination of these methods) as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

134 A Director may, and on the request of a Director the Secretary shall, at any time summon a meeting of the Board. Notice thereof shall be given to each Director and alternate Director in writing or verbally (including in person or by telephone) or by electronic means to the electronic address from time to time notified to the Company by such Director or (if the recipient consents to it being made available on a website) by making it available on a website or in such other manner as the Board may from time to time determine.

135 Subject to Article 107, questions arising at any meeting of the Board shall be decided by a majority of votes, and in case of an equality of votes the chairman of the meeting shall have a second or casting vote.

136 A meeting of the Board for the time being at which a quorum is present shall be competent to exercise all or any of the authorities, powers and discretions by or under these Articles for the time being vested in or exercisable by the Board generally.

137 The Board may delegate any of its powers to committees consisting of such member(s) of them and such other person(s) as it thinks fit, and it may from time to time revoke such delegation or revoke the appointment of and discharge any such committees either wholly or in part, and either as to persons or purposes, but every committee so formed shall in the exercise of the powers so delegated conform to any regulations that may from time to time be imposed upon it by the Board.

138 All acts done by any such committee in conformity with such regulations and in fulfilment of the purposes for which it is appointed, but not otherwise, shall have the like force and effect as if done by the Board, and the Board shall have power, with the consent of the Company in general meeting, to remunerate the members of any special committee, and charge such remuneration to the current expenses of the Company.

139 The meetings and proceedings of any such committee consisting of two or more members shall be governed by the provisions herein contained for regulating the meetings and proceedings of the Board so far as the same are applicable thereto and are not replaced by any regulations imposed by the Board pursuant to Article 137.

140 All acts bona fide done by any meeting of the Board or by any such committee or by any person acting as a Director shall, notwithstanding that it shall be afterwards discovered that there was some defect in the appointment of such Director or persons acting as aforesaid or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director or member of such committee.

141 The continuing Directors may act notwithstanding any vacancy in their body, but, if and so long as their number is reduced below the number fixed by or pursuant to these Articles as the necessary quorum of the Board meeting, the continuing Director or Directors may act for the purpose of increasing the number of Directors to that number of the necessary quorum or of summoning a general meeting of the Company but for no other purpose.

142 (a) A resolution in writing signed by all the Directors (or their respective alternate Directors) shall be as valid and effectual as if it had been passed at a meeting of the Board duly convened and held. A notification of consent to such resolution given by a Director in writing to the Board by any means (including by means of electronic communication) shall be deemed to be his or her signature to such resolution in writing for the purpose of this Article. Any such resolutions in writing may consist of several documents in like form each signed by one or more of the Directors or alternate Directors and for this purpose a facsimile signature of a Director or an alternate Director shall be treated as valid.

(b) Where a Director, on the date on which a resolution in writing is last signed by a Director, cannot be contacted at his last known address or electronic address or contact telephone or facsimile number, or is temporarily unable to act through ill-health or disability and, in each case, his alternate (if any) is affected by any of these events, the signature of such Director (or his alternate) to the resolution shall not be required, and the resolution in writing, so long as such a resolution shall have been signed by at least two Directors or their respective alternates who are entitled to vote thereon or such number of Directors as shall form a quorum, shall be deemed to have been passed at a meeting of the Board duly convened and held, provided that a copy of such resolution has been given or the contents thereof communicated to all the Directors (or their respective alternates) for the time being entitled to receive notices of meetings of the Board at their respective last known address, electronic address, telephone or facsimile number or, if none, at the Head Office and provided further that no Director is aware of or has received from any Director any objection to the resolution.

(c) A certificate signed by a Director (who may be one of the signatories to the relevant resolution in writing) or the Secretary as to any of the matters referred to in paragraph (a) or (b) of this Article shall in the absence of express notice to the contrary of the person relying thereon, be conclusive of the matters stated on such certificate.

Minutes and Corporate Records

143 (a) The Board shall cause minutes to be made of:

(i) all appointments of officers made by it;

(ii) the names of the Directors present at each meeting of the Board and of committees appointed pursuant to Article 137; and

(iii) all resolutions and proceedings at all meetings of the Company and of the Board and of such committees.

(b) Any such minutes shall be conclusive evidence of any such proceedings if they purport to be signed by the chairman of the meeting at which the proceedings were held or by the chairman of the next succeeding meeting.

Secretary

144 The Secretary shall be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit, and any Secretary so appointed may, without prejudice to his right under any contract with the Company, be removed by the Board. Anything by the Companies Act or these Articles required or authorised to be done by or to the Secretary, if the office is vacant or there is for any other reason no Secretary capable of acting, may be done by or to any assistant or deputy Secretary, or if there is no assistant or deputy Secretary capable of acting, by or to any officer of the Company authorised generally or specifically on behalf of the Board.

145 The Secretary shall attend all meetings of the Shareholders and shall keep correct minutes of such meetings and enter the same in the proper books provided for the purpose. He shall perform such other duties as are prescribed by the Companies Act and these Articles, together with such other duties as may from time to time be prescribed by the Board.

146 A provision of the Companies Act or of these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of the Secretary.

General Management and Use of the Seal

147 (a) Subject to the Companies Act, the Company shall have one or more Seals as the Board may determine, and may have a Seal for use outside the Cayman Islands. The Board shall provide for the safe custody of each Seal, and no Seal shall be used without the authority of the Board or a committee authorised by the Board in that behalf.

(b) Every instrument to which a Seal shall be affixed shall be signed autographically by one Director and the Secretary, or by two Directors, or by any person or persons (including a Director and/or the Secretary) appointed by the Board for the purpose, provided that as regards any certificates for Shares or Debentures or other securities of the Company, the Board may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method or system of mechanical signature other than autographic or may be printed thereon as specified in such resolution or that such certificates need not be signed by any person.

(c) The Company may have a Securities Seal for use for sealing certificates for shares or other securities issued by the Company and no signature of any Director, officer or other person and no mechanical reproduction thereof shall be required on any such certificates or other document and any such certificates or other document to which such Securities Seal is affixed shall be valid and deemed to have been sealed and executed with the authority of the Board notwithstanding the absence of any such signature or mechanical reproduction as aforesaid. The Board may by resolution determine that the affixation of Securities Seal on certificates for shares or other securities issued by the Company be dispensed with or be affixed by printing the image of the Securities Seal on such certificates.

148 All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time by resolution determine. The Company's banking accounts shall be kept with such banker or bankers as the Board shall from time to time determine.

149 (a) The Board may from time to time and at any time, by power of attorney under the Seal, appoint any company, firm or person or any fluctuating body of persons, whether nominated directly or indirectly by the Board, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board under these Articles) and for such period and subject to such conditions as it may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Board may think fit, and may also authorise any such attorney to sub- delegate all or any of the powers, authorities and discretions vested in him.

(b) The Company may, by writing under its Seal, empower any person, either generally or in respect of any specified matter, as its attorney to execute deeds and instruments on its behalf and to enter into contracts and sign the same on its behalf and every deed signed by such attorney on behalf of the Company and under his seal shall bind the Company and have the same effect as if it were under the Seal duly affixed by the Company.

150 The Board may establish any committees, regional or local boards or agencies for managing any of the affairs of the Company, either in the Relevant Territory or elsewhere, and may appoint any persons to be members of such committees, regional or local boards or agencies and may fix their remuneration, and may delegate to any committee, regional or local board or agent any of the powers, authorities and discretions vested in the Board (other than its powers to make calls and forfeit Shares), with power to sub-delegate, and may authorise the members of any regional or local board or any of them to fill any vacancies therein and to act notwithstanding vacancies, and any such appointment or delegation may be upon such terms and subject to such conditions as the Board may think fit, and the Board may remove any person so appointed and may annul or vary any such delegation, but no person dealing in good faith and without notice of any such annulment or variation shall be affected thereby.

151 The Board may establish and maintain or procure the establishment and maintenance of any contributory or non-contributory pension or superannuation funds or personal pension plans for the benefit of, or give or procure the giving of donations, gratuities, pensions, allowances or emoluments to, any persons who are or were at any time in the employment or service of the Company, or of any company which is a subsidiary of the Company, or is allied or associated with the Company or with any such subsidiary company, or who are or were at any time directors or officers of the Company or of any such other company as aforesaid, and holding or who have held any salaried employment or office in the Company or such other company, and the spouses, widows, widowers, families and dependants of any such persons. The Board may also establish and subsidise or subscribe to any institutions, associations, clubs or funds calculated to be for the benefit of or to advance the interests and well-being of the Company or of any such other company as aforesaid or of any such persons as aforesaid, and may make payments for or towards the insurance of any such persons as aforesaid, and subscribe or guarantee money for charitable or benevolent objects or for any exhibition or for any public, general or useful object. The Board may do any of the matters aforesaid, either alone or in conjunction with any such other company as aforesaid. Any Director holding any such employment or office shall be entitled to participate in and retain for his own benefit any such donation, gratuity, pension, allowance or employment.

Authentication of Documents

152 (a) Any Director or the Secretary or other authorised officer of the Company shall have power to authenticate any documents affecting the constitution of the Company and any resolutions passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies of extracts; and where any books, records, documents or accounts are elsewhere than at the Registered Office or the Head Office, the local manager or such other officer of the Company having the custody thereof shall be deemed to be the authorised officer of the Company as aforesaid.

(b) A document purporting to be a document so authenticated or a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any local board or committee, or of any books, records, documents or accounts or extracts therefrom as aforesaid, and which is certified as aforesaid, shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that the document authenticated (or, if this be authenticated as aforesaid, the matter so authenticated) is authentic or, as the case may be, that such resolution has been duly passed or, as the case may be, that any minute so extracted is a true and accurate record of proceedings at a duly constituted meeting or, as the case may be, that the copies of such books, records, documents or accounts were true copies of their originals or as the case may be, the extracts of such books, records, documents or accounts are true and accurate records of the books, records, documents or accounts from which they were extracted.

Capitalisation of Reserves

153 (a) The Company in general meeting may, upon the recommendation of the Board, resolve to capitalise any sum standing to the credit of any of the Company's reserve accounts which are available for distribution (including its share premium account and capital redemption reserve fund, subject to the Companies Act) and to appropriate such sums to the holders of Shares on the Register at the close of business on the date of the relevant resolution (or such other date as may be specified therein or determined as provided therein) in the proportions in which such sum would have been divisible amongst them had the same been a distribution of profits by way of Dividend and to apply such sum on their behalf in paying up in full unissued Shares for allotment and distribution credited as fully paid-up to and amongst them in the proportion aforesaid.

(b) Subject to the Companies Act, whenever such a resolution as aforesaid shall have been passed, the Board shall make all appropriations and applications of the reserves or profits and undivided profits resolved to be capitalised thereby, and attend to all allotments and issues of fully paid Shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Article, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may disregard fractional entitlements or round the same up or down and may determine that cash payments shall be made to any Shareholders in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and no Shareholders who are affected thereby shall be deemed to be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter on behalf of all Shareholders interested in a capitalisation issue any agreement with the Company or other(s) providing for such capitalisation and matters in connection therewith and any agreement made under such authority shall be effective and binding upon all concerned. Without limiting the generality of the foregoing, any such agreement may provide for the acceptance by such persons of the Shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

(c) The provisions of paragraph (e) of Article 160 shall apply to the power of the Company to capitalise under this Article as it applies to the grant of election thereunder mutatis mutandis and no Shareholder who may be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power.

Dividends and Reserves

154 Subject to the Companies Act and these Articles, the Company in general meeting may declare Dividends in any currency but no Dividends shall exceed the amount recommended by the Board.

155 (a) The Board may subject to Article 156 from time to time pay to the Shareholders such interim Dividends as appear to the Board to be justified by the financial conditions and the profits of the Company and, in particular but without prejudice to the generality of the foregoing, if at any time the share capital of the Company is divided into different classes, the Board may pay such interim Dividends in respect of those Shares in the capital of the Company which confer to the holders thereof deferred or non-preferential rights as well as in respect of those Shares which confer on the holders thereof preferential rights with regard to Dividend and provided that the Board acts bona fide it shall not incur any responsibility to the holders of Shares conferring any preference for any damage that they may suffer by reason of the payment of an interim Dividend on any Shares having deferred or non-preferential rights.

(b) The Board may also pay half-yearly or at other suitable intervals to be settled by it any Dividend which may be payable at a fixed rate if the Board is of the opinion that the financial conditions and the profits of the Company justify the payment.

(c) The Board may in addition from time to time declare and pay special Dividends of such amounts and on such dates and out of such distributable funds of the Company as it thinks fit, and the provisions of paragraph (a) of this Article as regards the power and exemption from liability of the Board as relate to the declaration and payment of interim Dividends shall apply, mutatis mutandis, to the declaration and payment of any such special Dividends.

156 (a) No Dividend shall be declared or paid or shall be made otherwise than in accordance with the Companies Act.

(b) Subject to the provisions of the Companies Act but without prejudice to paragraph (a) of this Article, where any asset, business or property is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) the profits and losses thereof as from such date may at the discretion of the Board in whole or in part be carried to revenue account and treated for all purposes as profits or losses of the Company, and be available for Dividend accordingly. Subject as aforesaid, if any Shares or securities are purchased cum Dividend or interest, such Dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof or to apply the same towards reduction of or writing down the book cost of the asset, business or property acquired.

(c) Subject to paragraph (d) of this Article all Dividends and other distributions in respect of Shares shall be stated and discharged, in the case of Shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of Shares denominated in any other currency, in such other currency, provided that, in the case of Shares denominated in Hong Kong dollars, the Board may determine in the case of any distribution that Shareholders may elect to receive the same in any other currency selected by the Board, converted at such rate of exchange as the Board may determine.

(d) If, in the opinion of the Board, any Dividend or other distribution in respect of Shares or any other payment to be made by the Company to any Shareholder is of such a small amount as to make payment to that Shareholder in the relevant currency impracticable or unduly expensive either for the Company or the Shareholder then such Dividend or other distribution or other payment may, at the absolute discretion of the Board, be, if this be practicable, converted at such rate of exchange as the Board may determine and paid or made in the currency of the country of the relevant Shareholder (as indicated by the address of such Shareholder on the Register).

157 Notice of the declaration of an interim Dividend shall be given in such manner as the Board shall determine.

158 No Dividend or other moneys payable on or in respect of a Share shall bear interest as against the Company.

159 Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared, the Board may further resolve that such Dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of such ways, with or without offering any rights to Shareholders to elect to receive such Dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may authorise any person to sign any requisite instruments of transfer and other documents on behalf of all Shareholders interested in the Dividend and such instrument and document shall be effective. The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Board may resolve that no such assets shall be made available or made to Shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned and in any such event the only entitlement of the Shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Board of its discretion under this Article shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

160 (a) Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared on the share capital of the Company, the Board may further resolve, either:

(i) that such Dividend be satisfied wholly or in part in the form of an allotment of Shares credited as fully paid on the basis that the Shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the Shareholders entitled thereto will be entitled to elect to receive such Dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

(A) the basis of any such allotment shall be determined by the Board;

(B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and

(D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised ("the non-elected Shares") and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;

or

(ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:

(A) the basis of any such allotment shall be determined by the Board;

(B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and

(D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised ("the elected Shares") and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.

(b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:

(i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or

(ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.

(c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.

(e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

161 The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend.

162 Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 38 shall be treated as paid on the Share.

163 (a) The Board may retain any Dividends or other moneys payable on or in respect of a Share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

(b) The Board may deduct from any Dividend or other money payable to any Shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise.

164 Any general meeting sanctioning a Dividend may make a call on the Shareholders of such amount as the meeting fixes, but so that the call on each Shareholder shall not exceed the Dividend payable to him, and so that the call shall be made payable at the same time as the Dividend, and the Dividend may, if so arranged between the Company and the Shareholder, be set off against the call.

165 A transfer of Shares shall not, as against the Company but without prejudice to the rights of the transferor and transferee inter se, pass the right to any Dividend or bonus declared thereon before the registration of the transfer.

166 If two or more persons are registered as joint holders of any Share, any one of such persons may give effectual receipts for any Dividends and other moneys payable and bonuses, rights and other distributions in respect of such Shares.

167 Unless otherwise directed by the Board, any Dividend or other moneys payable or bonuses, rights or other distributions in respect of any Share may be paid or satisfied by cheque or warrant or certificate or other documents or evidence of title sent through the post to the registered address of the Shareholder entitled, or, in the case of joint holders, to the registered address of that one whose name stands first in the Register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque, warrant, certificate or other document or evidence of title so sent shall be made payable to the order of the person to whom it is sent or, in the case of certificates or other documents or evidence of title as aforesaid, in favour of the Shareholder(s) entitled thereto, and the payment on any such cheque or warrant by the banker upon whom it is drawn shall operate as a good discharge to the Company in respect of the Dividend and/or other moneys represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Every such cheque, warrant, certificate or other document or evidence of title as aforesaid shall be sent at the risk of the person entitled to the Dividend, money, bonus, rights and other distributions represented thereby. <u>For the avoidance of doubt, any dividend, interest, or other sum payable in cash may also be paid by electronic funds transfer on such terms and conditions as the Directors may determine.</u>

168 All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for one year after having been declared by the Company until claimed and, notwithstanding any entry in any books of the Company may be invested or otherwise made use of by the Board for the benefit of the Company or otherwise howsoever, and the Company shall not be constituted a trustee in respect thereof. All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for six years after having been declared may be forfeited by the Board and, upon such forfeiture, shall revert to the Company and, in the case where any of the same are securities of the Company, may be re-allotted or re-issued for such consideration as the Board thinks fit and the proceeds thereof shall accrue to the benefit of the Company absolutely.

Record Date

169 Subject to the Listing Rules, any resolution declaring a Dividend or other distribution on Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or made to the persons registered as the holder of such Shares at the close of business on a particular date or at a particular time on a particular date, and thereupon the Dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend or other distribution between the transferors and transferees of any such Shares. Information

Winding Up

188 In accordance with the Companies Act, a Special Resolution is required to approve a voluntary winding up of the Company or that the Company be wound up by the Court.

189 If the Company shall be wound up, the surplus assets remaining after payment to all creditors shall be divided among the Shareholders in proportion to the capital paid up on the Shares held by them respectively, and if such surplus assets shall be insufficient to repay the whole of the paid up capital, they shall be distributed, subject to the rights of any Shares which may be issued on special terms and conditions, so that, as nearly as may be, the losses shall be borne by the Shareholders in proportion to the capital paid on the Shares held by them respectively.

190 If the Company shall be wound up (in whatever manner) the liquidator may, with the sanction of a Special Resolution and any other sanction required by the Companies Act, divide among the Shareholders in specie or kind the whole or any part of the assets of the Company whether the assets shall consist of property of one kind or shall consist of properties of different kinds and the liquidator may, for such purpose, set such value as he deems fair upon any one or more class or classes of property to be divided as aforesaid and may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders and the Shareholders within each class. The liquidator may, with the like sanction, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like sanction, shall think fit, but so that no Shareholder shall be compelled to accept any Shares or other assets upon which there is a liability.

Indemnity

191 The Directors, managing directors, alternate Directors, Auditors, Secretary and other officers for the time being of the Company and the trustees (if any) for the time being acting in relation to any of the affairs of the Company, and their respective executors or administrators, shall be indemnified and secured harmless out of the assets of the Company from and against all actions, costs, charges, losses, damages and expenses which they or any of them, their or any of their executors or administrators, shall or may incur or sustain by reason of any act done, concurred in or omitted in or about the execution of their duty or supposed duty in their respective offices or trusts, except such (if any) as they shall incur or sustain through their own fraud or dishonesty, and none of them shall be answerable for the acts, receipts, neglects or defaults of any other of them, or for joining in any receipt for the sake of conformity, or for any bankers or other persons with whom any moneys or effects of the Company shall be lodged or deposited for safe custody, or for the insufficiency or deficiency of any security upon which any moneys of the Company shall be placed out or invested, or for any other loss, misfortune or damage which may arise in the execution of their respective offices or trusts, or in relation thereto, except as the same shall happen by or through their own fraud, dishonest, or recklessness. The Company may take out and pay the premium and other moneys for the maintenance of insurance, bonds and other instruments for the benefit either of the Company or the Directors (and/or other officers) or any of them to indemnify the Company and/or Directors (and/or other officers) named therein for this purpose against any loss, damage, liability and claim which they may suffer or sustain in connection with any breach by the Directors (and/or other officers) or any of them of their duties to the Company.

Untraceable Shareholders

192 The Company may exercise the power to cease sending cheques for Dividend entitlements or Dividend warrants by post if such cheques or warrants remain uncashed on two consecutive occasions or after the first occasion on which such a cheque or warrant is returned undelivered.

193 (a) The Company shall have the power to sell, in such manner as the Board thinks fit, any Shares of a Shareholder who is untraceable, but no such sale shall be made unless:

(i) during the period of 12 years prior to the date of the advertisements referred to in sub-paragraph (ii) below (or, if published more than once, the first thereof) at least three Dividends or other distributions in respect of the Shares in question have become payable or been made and no Dividend or other distribution in respect of the Shares during that period has been claimed;

(ii) the Company has caused an advertisement to be inserted in the Newspapers of its intention to sell such Shares and a period of three months has elapsed since the date of such advertisement (or, if published more than once, the first thereof);

(iii) the Company has not at any time during the said periods of 12 years and three months received any indication of the existence of the holder of such Shares or of a person entitled to such Shares by death, bankruptcy or operation of law; and

(iv) the Company has notified the HK Stock Exchange of its intention of such sale.

(b) To give effect to any such sale the Board may authorise any person to transfer the said Shares and the instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such Shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such proceeds it shall become indebted to the former Shareholder for an amount equal to such net proceeds. Notwithstanding any entries made by the Company in any of its books or otherwise howsoever, no trusts shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Shareholder holding the Shares sold is dead, bankrupt, wound up or otherwise under any legal disability or incapacity.

Destruction of Documents

194 The Company may destroy:

(a) any share certificate which has been cancelled at any time after the expiry of one year from the date of such cancellation;

(b) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date on which such mandate, variation, cancellation or notification was recorded by the Company;

(c) any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration;

(d) any other document, on the basis of which any entry in the Register is made, at any time after the expiry of six years from the date on which an entry in the Register was first made in respect of it;

and it shall conclusively be presumed in favour of the Company that every Share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:

(i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;

(ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and

(iii) references in this Article to the destruction of any document include reference to its disposal in any manner.

Subscription Right Reserve

195 The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Companies Act:

(a) If, so long as any of the rights attaching to any warrants issued by the Company to subscribe for Shares shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a Share, then the following provisions shall apply:

(i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional Shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub-paragraph (iii) in respect of such additional Shares as and when the same are allotted;

(ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;

(iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:

(A) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

(B) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

(iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(b) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.

(c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.

(d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.

Stock

196 The following provisions shall have effect at any time and from time to time provided that they are not prohibited by or inconsistent with the Companies Act:

(a) The Company may by Ordinary Resolution convert any fully paid Shares into stock, and may from time to time by like resolution reconvert any stock into fully paid Shares of any denomination.

(b) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the Shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Board may from time to time, if it thinks fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the Shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
