5 June 2026

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sir or Madam,

PROPOSALS FOR
(1) GRANT OF GENERAL MANDATES TO ISSUE NEW SHARES AND REPURCHASE SHARES;
(2) RE-ELECTION OF DIRECTORS; AND
(3) PROPOSED ADOPTION OF NEW MEMORANDUM AND ARTICLES OF ASSOCIATION;
AND
NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

The purpose of this circular is to provide the Shareholders with information regarding the following resolutions to be proposed at the AGM relating to:

Ordinary Resolutions:

(a) the granting of the Issue Mandate to the Directors;

(b) the granting of the Repurchase Mandate to the Directors;

(c) the granting of the extension mandate to extend the Issue Mandate by an amount representing the aggregate number of any Shares purchased or repurchased under the Repurchase Mandate;

(d) the re-election of Directors; and

Special Resolution:

(e) the Proposed Amendments and the proposed adoption of the New Memorandum and Articles of Association.

A notice convening the AGM setting out the details of the ordinary resolutions and the special resolution to be proposed at the AGM is set out on pages 109 to 114 of this circular.

ISSUE MANDATE

The Directors have been granted a general and unconditional mandate to allot, issue and deal with Shares pursuant to the resolutions of the Shareholders passed on 16 June 2025. The issue mandate would expire: (a) at the end of the next annual general meeting of the Company; (b) at the end of the period within which the Group is required by any applicable laws or the Articles to hold its next annual general meeting of the Company; or (c) when varied or revoked by an ordinary resolution of Shareholders in a general meeting of the Company, whichever is the earliest.

As at the Latest Practicable Date, the existing general mandate has not been utilised and will lapse at the conclusion of the AGM. Therefore, an ordinary resolution will be proposed at the AGM that the Directors be granted a general and unconditional mandate to allot, issue and deal with (including any sale or transfer of treasury Shares) new Shares with the aggregate number not exceeding 20% of the total number of issued Shares (excluding any treasury Shares, if any) of the Company on the date of passing the relevant resolution.

REPURCHASE MANDATE

The Directors have been granted a general and unconditional mandate to exercise the power of the Company to purchase or repurchase Shares pursuant to the resolutions of the Shareholders passed on 16 June 2025. The repurchase mandate would expire: (a) at the end of the next annual general meeting of the Company; (b) at the end of the period within which the Group is required by any applicable laws or the Articles to hold its next annual general meeting of the Company; or (c) when varied or revoked by an ordinary resolution of Shareholders in general meeting, whichever is the earliest.

As at the Latest Practicable Date, the existing repurchase mandate has not been utilised and will lapse at the conclusion of the AGM. Therefore, an ordinary resolution will be proposed at the AGM that the Directors be granted a general and unconditional mandate to exercise all the powers of the Company to purchase or repurchase Shares with the aggregate number not exceeding 10% of the total number of issued Shares (excluding any treasury Shares, if any) of the Company on the date of passing the relevant resolution. An explanatory statement giving the particulars required under Rule 13.08 of the GEM Listing Rules in respect of the Repurchase Mandate to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision whether to vote for or against the resolution is set out in Appendix I to this circular.

The Company has in issue an aggregate of 345,600,000 Shares as at the Latest Practicable Date. Subject to the passing of the proposed resolutions for the approval of the Issue Mandate and the Repurchase Mandate and in accordance with the terms therein, the Company would be allowed to allot, issue (or transfer out of treasury) and deal with a maximum of 69,120,000 new Shares (representing 20% of the total number of issued Shares of the Company) and to purchase or repurchase a maximum of 34,560,000 Shares (representing 10% of the total number of issued Shares of the Company and excluding any treasury Shares) respectively, on the basis that no further Shares will be issued or transfer out of treasury or repurchased by the Company prior to the AGM.

If the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will made in accordance with the GEM Listing Rules and applicable laws and regulations of the Cayman Islands. Any resale of treasury Shares pursuant to the Issue Mandate will be made in accordance with the GEM Listing Rules and applicable laws.

To the extent that any treasury Shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote

at general meetings for the treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

EXTENSION OF ISSUE MANDATE

In addition, subject to the passing of the resolutions to grant the Issue Mandate and the Repurchase Mandate, an ordinary resolution will be proposed at the AGM to authorise the Directors to extend the Issue Mandate to allot, issue and deal with Shares (excluding any treasury Shares) by an amount of Shares representing the aggregate number of Shares of the Company purchased or repurchased by the Company pursuant to the authority granted to the Directors under the Repurchase Mandate provided that such extended amount shall not exceed 10% of the total number of issued Shares as at the date of passing the resolution for approving the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

Pursuant to Article 108(a) of the Articles, one-third of the Directors for the time being (or if their number is not three or multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation and, being eligible, offer themselves for re-election as Directors at the annual general meeting of the Company. Accordingly, Mr. LI Xiaodong and Mr. CHEN Huichun will retire from office as Directors by rotation at the AGM and, being eligible, will offer themselves for re-election at the AGM.

Pursuant to Article 112 of the Articles, any Director appointed by the Board to fill a casual vacancy shall hold office only until the first general meeting of the Company after his appointment and be subject to re-election at such meeting. Accordingly, Mr. WU Guoyong will hold office only until the AGM and being eligible, will offer himself for re-election at the AGM.

In assessing suitable candidates for the Director, the Nomination Committee shall consider certain factors including (i) reputation for integrity; (ii) accomplishment, experience and reputation in the business and industry of the Company; (iii) commitment in respect of sufficient time, interest and attention to the businesses of the Group; (iv) diversity in all aspects, including but not limited to gender, age, cultural/educational and professional backgrounds, skills, knowledge and experience; (v) compliance with the criterial of independence as prescribed under Rule 5.09 of the GEM Listing Rules; and (vi) any other relevant factors as may be determined by the Nomination Committee or the Board from time to time as appropriate. The Nomination Committee also took into account the diversity aspects in respect of the re-election of Mr. LI Xiaodong, Mr. CHEN Huichun and Mr. WU Guoyong (the "**Retiring Directors**"), with due regard for the benefits of diversity on the Board.

In particular, Mr. LI Xiaodong has more than 20 years of extensive experiences covering marketing analysis, agricultural and car industry, and is familiar with building and planning comprehensive industrial chain business models. Mr. CHEN Huichun has extensive management

experience in the real estate field and is currently involved in the field of new energy vehicles, and Mr. WU Guoyong is a seasoned entrepreneur with extensive professional experience in the healthcare and electronic information industries, which enable them to provide valuable contribution and guidance to the Group's business. In addition, neither Mr. LI Xiaodong, Mr. CHEN Huichun and Mr. WU Guoyong has any financial or family relationships with any other Directors, senior management, substantial shareholders or controlling shareholders of the Company, which could give rise to a conflict of interests situation or otherwise affect their exercise of independent judgement. Furthermore, each of Mr. CHEN Huichun and Mr. WU Guoyong has made a confirmation of independence pursuant to the independence guidelines set out in Rule 5.09 of the GEM Listing Rules.

Taking into consideration the above, the Board is of the view that all the Retiring INEDs are independent. The Board also accepted the nomination by the Nomination Committee and recommended the Retiring INEDs to stand for re-election by the Shareholders at the AGM.

Biographical details of the Directors who are standing for re-election at the AGM are set out in Appendix II to this circular.

RE-APPOINTMENT OF AUDITORS

An ordinary resolution will be proposed at the Annual General Meeting to approve the re-appointment of Rongcheng (Hong Kong) CPA Limited as the auditors of the Company and to authorize the Board to fix the auditor's remuneration.

The estimated annual audit fee payable to Rongcheng (Hong Kong) CPA Limited for the year 2026 is expected to be in the range of approximately S$135,000 to S$155,000 (exclusive of out-of-pocket expenses), which is determined after due consideration and arm's length negotiations between the Company and Rongcheng (Hong Kong) CPA Limited, taking into account, among other things, the size and complexity of the Group's business operations, the expected scope of the audit, the audit timetable, the level and mix of professional staff to be deployed, the anticipated audit workload, and prevailing market rates for comparable services.

The estimated audit fee also assumes that there will be no material change in the Group's operations, accounting policies or regulatory environment during the financial year, and that the Company will provide timely and adequate assistance and information as reasonably required for the purposes of the audit.

Unless there is a material change in the basis or assumptions set out above, the final audit fee should not deviate materially from the estimated amount initially disclosed. In the event of any material change, the Company will make further disclosure as appropriate.

PROPOSED ADOPTION OF NEW MEMORANDUM AND ARTICLES OF ASSOCIATION

Reference is made to the announcement of the Company dated 29 May 2026. The Board proposes to seek approval from the Shareholders at the AGM for amendments to the Memorandum and the Articles of Association by way of adoption of the New Memorandum and Articles of Association, in order to (i) reflect and align the Memorandum and Articles of Association with the latest regulatory requirements, including the latest requirements of the GEM Listing Rules, in connection with the expanded paperless listing regime, the electronic dissemination of corporate communications by listed issuers, the new treasury shares regime under the GEM Listing Rules; (ii) provide flexibility to the Company to convene and hold general meetings as physical meetings, electronic meetings or hybrid meetings, and provide for the related meeting proceedings; (iii) provide for the payment of corporate action proceeds by electronic means and the acceptance of electronic instructions; and (iv) making certain other consequential and/or housekeeping changes (collectively, the "**Proposed Amendments**").

Details of the Proposed Amendments are set out in Appendix III to this circular. Save for the Proposed Amendments, all other provisions of the Memorandum and Articles of Association shall remain unchanged.

The Proposed Amendments and the proposed adoption of the New Memorandum and Articles of Association are subject to the approval of the Shareholders by way of a special resolution at the Annual General Meeting, and will become effective upon the approval by the Shareholders at the Annual General Meeting.

The legal advisers to the Company as to Hong Kong laws have confirmed that the Proposed Amendments conform with the requirements of the GEM Listing Rules and the legal advisers to the Company as to the laws of the Cayman Islands have confirmed that the Proposed Amendments do not violate the applicable laws of the Cayman Islands. The Company confirms that there is nothing unusual about the Proposed Amendments for a company listed on the Stock Exchange. In addition, the Company confirms that there is nothing unusual about the Proposed Amendments to the Memorandum and Articles of Association for a company listed in Hong Kong.

The Proposed Amendments and the New Memorandum and Articles of Association are prepared in the English language. The Chinese translation thereof is for reference only and in case there are any inconsistencies between the English version and the Chinese version, the English version shall prevail.

Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM or any adjourned meeting thereof (as the case may be) should you so wish. If the Shareholder attends and votes at the AGM, the authority of the proxy will be revoked.

VOTING AT THE AGM

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of the Shareholders at a general meeting of the Company must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of a poll by the Shareholders. An announcement on the poll results of the AGM will be published after the AGM, in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors believe that the proposed resolutions as set out in the notice of AGM, including, among other things, the proposed grant of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of Directors and the Proposed Amendments and the proposed adoption of the New Memorandum and Articles of Association are in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

GENERAL INFORMATION

Your attention is also drawn to the appendices to this circular. The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

By Order of the Board
Zhongshi Minan Holdings Limited
WANG Lei
Chairman, Chief Executive Officer and Executive Director

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide the Shareholders with the requisite information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, a total of 345,600,000 Shares were in issue. As at the Latest Practicable Date, the Company did not have any outstanding options, warrants and convertible securities to subscribe for the Shares.

Subject to the passing of the resolution approving the Repurchase Mandate and assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date until the AGM, exercise in full of the Repurchase Mandate, on the basis of 345,600,000 Shares in issue as at the date of the AGM, could result in up to a maximum of 34,560,000 Shares representing 10% of the issued share capital of the Company (excluding any treasury Shares, if any) being repurchased by the Company.

If the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will made in accordance with the GEM Listing Rules and applicable laws and regulations of the Cayman Islands. Any resale of treasury Shares pursuant to the Issue Mandate will be made in accordance with the GEM Listing Rules and applicable laws.

To the extent that any treasury Shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or the earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole. The number of Shares to be repurchased on any occasion and the price and other terms on which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

3. SOURCE OF FUNDS

The Company is empowered by the Articles to repurchase its Shares. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles, the Cayman Companies Act, the GEM Listing Rules and/or other applicable laws, rules and regulations, as the case may be.

Any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or, if authorised by the Articles and subject to the Cayman Companies Act and/or other applicable laws, rules and regulations, out of capital. The premium, if any, payable on repurchase must be provided for out of the profits of the Company or out of the Company's share premium account before or at the time the Shares are repurchased or, if authorised by the Articles and subject to Cayman Companies Act and/or other applicable laws, rules and regulations, out of capital. The Shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

4. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchases of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

5. IMPACT ON WORKING CAPITAL OR GEARING POSITION

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and gearing position of the Company compared with those as at 31 December 2025, being the date of its latest published audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and all applicable laws of the Cayman Islands.

The Directors confirmed that neither the explanatory statement nor the proposed share repurchase has any unusual features.

7. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell any of their Shares to the Company or its subsidiaries pursuant to the Repurchase Mandate.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any of his/her/its Shares to the Company or has undertaken not to sell any of the Shares held by him/her/it to the Company, in the event that the Company is authorised to make repurchases of the Shares.

The Company confirms that the explanatory statement set out in this Appendix contains the information required under Rule 13.08 of the GEM Listing Rules and that neither the explanatory statement nor the Repurchase Mandate has unusual features.

The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

8. THE TAKEOVERS CODE

If, as a result of repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase may be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the

Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, none of the Shareholders had interests or short positions of 5% or more in the issued Shares which were recorded in the register maintained by the Company under Section 336 of the SFO. To the best knowledge of the Directors, Mr. WANG Lei, being an executive Director, was beneficially interested in 11,817,400 Shares representing approximately 3.42% of the issued Shares. Ms. LI Lidan is the spouse of Mr. WANG Lei. Under the SFO, Ms. LI Lidan is deemed to be interested in the same number of Shares in which Mr. WANG Lei is interested. In the event that the Directors exercise in full the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, the shareholding percentage of Mr. WANG Lei in the Company would be increased to approximately 3.80% of the issued Shares.

Such increase will not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. The Directors do not have any intention to exercise the Repurchase Mandate to the extent that would trigger a mandatory offer under the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such extent that will result in the number of Shares in hands of the public falling below the prescribed minimum percentage of 25% of the total number of issued Shares as required under the GEM Listing Rules.

9. SHARE PRICES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

When Special Resolution is required

SHARES, WARRANTS AND MODIFICATION OF RIGHTS

Issue of Shares

3 Without prejudice to any special rights or restrictions for the time being attaching to any Shares or any class of Shares including preference Shares, any Share may be issued upon such terms and conditions and with such preferred, deferred or other qualified or special rights, or such restrictions, whether in regard to Dividend, voting, return of capital or otherwise, as the Company may from time to time by Ordinary Resolution determine (or, in the absence of any such determination or so far as the same may not make specific provision, as the Board may determine) and any Share may be issued on the terms that it is liable to be redeemed upon the happening of a specified event or upon a given date and either at the option of the Company, or at the option of the holder. No Shares shall be issued to bearer.

App.3 Para 15

How rights of shares may be modified

5 (a) If at any time the share capital of the Company is divided into different classes of Shares, all or any of the special rights attached to any class (unless otherwise provided for by the terms of issue of the Shares of that class) may, subject to the provisions of the Companies Act, be varied or abrogated either with the consent in writing of the holders of not less than ¾ in nominal value of the issued Shares of that class or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that class. To every such separate general meeting the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply, but so that the necessary quorum shall be not less than two persons holding (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or representing by proxy one-third in nominal value of the issued Shares of that class (excluding treasury shares).

(b) The provisions of this Article shall apply to the variation or abrogation of the rights attached to the Shares of any class as if each group of Shares of the class differently treated formed a separate class the rights whereof are to be varied or abrogated.

(c) The special rights conferred upon the holders of any Shares or class of Shares shall not, unless otherwise expressly provided in the rights attaching to the terms of issue of such Shares be deemed to be altered by the creation or issue of further Shares ranking *pari passu* therewith.

(d) No Shares shall be issued to bearer.

6 The authorised share capital of the Company on the effective date of these Articles is HK$2~~0~~0,000,000 divided into ~~8~~1,~~6~~0~~0~~0,000,000 Shares of HK$0.~~0~~~~0~~125 each. Authorised Share Capital

7 The Company in general meeting may from time to time, whether or not all the Shares for the time being authorised shall have been issued and whether or not all the Shares for the time being issued shall have been fully paid up, by Ordinary Resolution increase its share capital by the creation of new Shares, such new capital to be of such amount and to be divided into Shares of such class or classes and of such amounts in Hong Kong dollars or such other currency as the Shareholders may think fit and as the resolution may prescribe. Power to increase capital

8 Any new Shares shall be issued upon such terms and conditions and with such rights, privileges or restrictions attached thereto as the general meeting resolving upon the creation thereof shall direct, and if no direction be given, subject to the provisions of the Companies Act and of these Articles, as the Board shall determine; and in particular such Shares may be issued with a preferential or qualified right to participate in Dividends and in the distribution of assets of the Company and with a special right or without any right of voting. On what conditions new shares may be issued

9 The Board may, before the issue of any new Shares, determine that the same, or any of them, shall be offered in the first instance, and either at par or at a premium, to all the existing holders of any class of Shares in proportion as nearly as may be to the number of Shares of such class held by them respectively, or make any other provisions as to the allotment and issue such Shares, but in default of any such determination or so far as the same shall not extend, such Shares may be dealt with as if they formed part of the capital of the Company existing prior to the issue of the same. When to be offered to existing shareholders

10 Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new Shares shall be treated as if it formed part of the original capital of the Company and such Shares shall be subject to the provisions contained in these Articles with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, cancellation, surrender, voting and otherwise. New shares to form part of original capital

Unissued Shares at the disposal of the Directors

11 (a) All unissued Shares and other securities of the Company shall be at the disposal of the Board and it may offer, allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times, for such consideration and generally on such terms (subject to Article 9) as it in its absolute discretion thinks fit, but so that no Shares shall be issued at a discount. The Board shall, as regards any offer or allotment of Shares, comply with the provisions of the Companies Act, if and so far as such provisions may be applicable thereto.

(b) Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of Shares or other securities of the Company, to make, or make available, and may resolve not to make, or make available, any such allotment, offer, option or Shares or other securities to Shareholders or others with registered addresses in any jurisdiction outside of the Relevant Territory, or in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable, or the existence or extent of the requirement for such registration statement or special formalities might be expensive (whether in absolute terms or in relation to the rights of the Shareholder(s) who may be affected) or time consuming to determine. The Board shall be entitled to make such arrangements to deal with fractional entitlements arising on an offer of any unissued Shares or other securities as it thinks fit, including the aggregation and the sale thereof for the benefit of the Company. Shareholders who may be affected as a result of any of the matters referred to in this paragraph (b) shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

Company may pay commission

12 (a) The Company may at any time pay commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) for any Shares or procuring or agreeing to procure subscriptions (whether absolute or conditional) for any Shares, but so that the conditions and requirements of the Companies Act shall be observed and complied with, and in each case the commission shall not exceed 10% of the price at which the Shares are issued.

Defraying of expenses

(b) If any Shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable within a period of one year, the Company may pay interest on so much of that share capital as is for the time being paid up for the period and, subject to any conditions and restrictions mentioned in the Companies Act, may charge the sum so paid by way of interest to capital as part of the cost of construction of the works or buildings, or the provisions of the plant.

13 The Company may from time to time by Ordinary Resolution:

Increase in capital, consolidation and division of capital and subdivision, cancellation of shares and redenomination etc.

(a) increase its share capital as provided by Article 7;

(b) consolidate or divide all or any of its share capital into Shares of larger or smaller amount than its existing Shares; and on any consolidation of fully paid Shares into Shares of larger amount, the Board may settle any difficulty which may arise as it thinks expedient and in particular (but without prejudice to the generality of the foregoing) may as between the holders of Shares to be consolidated determine which particular Shares are to be consolidated into a consolidated Share, and if it shall happen that any person shall become entitled to fractions of a consolidated Share or Shares, such fractions may be sold by some person appointed by the Board for that purpose and the person so appointed may transfer the Shares so sold to the purchaser thereof and the validity of such transfer shall not be questioned, and so that the net proceeds of such sale (after deduction of the expenses of such sale) may either be distributed among the persons who would otherwise be entitled to a fraction or fractions of a consolidated Share or Shares rateably in accordance with their rights and interest or may be paid to the Company for the Company's benefit;

(c) divide its unissued Shares into several classes and attach thereto respectively any preferential, deferred, qualified or special rights, privileges or conditions;

(d) sub-divide its Shares or any of them into Shares of smaller amount than is fixed by the Memorandum of Association, subject nevertheless to the provisions of the Companies Act, and so that the resolution whereby any Share is sub-divided may determine that, as between the holders of the Shares resulting from such sub-division, one or more of the Shares may have any such preferred or other special rights over, or may have such deferred rights or be subject to any such restrictions as compared with the others as the Company has power to attach to unissued or new Shares;

(e) cancel any Shares which at the date of the passing of the resolution have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled;

(f) make provision for the issue and allotment of Shares which do not carry any voting rights;

(g) change the currency of denomination of its share capital; and

(h) reduce its share premium account in any manner authorised, and subject to any conditions prescribed by law.

14 The Company may by Special Resolution reduce its share capital or undistributable reserve in any manner authorised, and subject to any conditions prescribed, by law.

15 (a) Subject to the Companies Act, or any other law or so far as not prohibited by any law and subject to any rights conferred on the holders of any class of Shares, the Company shall have the power to purchase or otherwise acquire all or any of its own Shares (which expression as used in this Article includes redeemable Shares) provided that the manner and terms of purchase have first been authorised by an Ordinary Resolution of the Shareholders, and to purchase or otherwise acquire warrants and other securities for the subscription or purchase of its own Shares, and shares and warrants and other securities for the subscription or purchase of any shares in any company which is its Holding Company and may make payment therefor in any manner and terms authorised or not prohibited by law, including out of capital, or to give, directly or indirectly, by means of a loan, a guarantee, an indemnity, the provision of security or otherwise howsoever, financial assistance for the purpose of or in connection with a purchase or other acquisition made or to be made by any person of any Shares or warrants or other securities in the Company or any company which is a Holding Company of the Company and should the Company purchase or otherwise acquire its own Shares or warrants or other securities neither the Company nor the Board shall be required to select the Shares or warrants or other securities to be purchased or otherwise acquired rateably or in any other manner and terms as between the holders of Shares or warrants or other securities of the same class or as between them and the holders of Shares or warrants or other securities of any other class or in accordance with the rights as to Dividends or capital conferred by any class of Shares provided always that any such purchase or other acquisition or financial assistance shall only be made in accordance with the relevant code, rules or regulations issued from time to time by the HK Stock Exchange and/or the Securities and Futures Commission of Hong Kong from time to time in force. Subject to the Companies Act, the Listing Rules and/or the rules of any competent regulatory authority, the Company is further authorised to hold any repurchased, redeemed or surrendered shares as treasury shares without the need for a separate resolution of the Board for each instance.

(c) [Intentionally deleted].

(d) The purchase or redemption of any Share shall not be deemed to give rise to the purchase or redemption of any other Share.

(e) The holder of the Shares being purchased or redeemed shall be bound to deliver up to the Company at the Head Office or such other place as the Board shall specify the certificate(s) thereof for cancellation and thereupon the Company shall pay to him the purchase or redemption monies in respect thereof.

Application of proceeds of sale

25 The net proceeds of such sale after the payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debt or liability or engagement in respect whereof the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the Shares prior to the sale) be paid to the person entitled to the Shares at the time of the sale. For the purpose of giving effect to any such sale, the Board may authorise some person to transfer the Shares sold to the purchaser thereof and may enter the purchaser's name in the Register as holder of the Shares, and the purchaser shall not be bound to see the application of the purchase money, nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

26 The Board may from time to time make such calls as it thinks fit upon the Shareholders in respect of any moneys unpaid on the Shares held by them respectively (whether on account of the nominal value of the Shares or by way of premiums) and not by the conditions of allotment thereof made payable at a fixed time. Board may extend time fixed for call

34 If the sum payable in respect of any call or instalment is not paid before or on the day appointed for payment thereof, the person or persons from whom the sum is due shall pay interest on the same at such rate not exceeding 20% per annum as the Board shall fix from the day appointed for the payment thereof to the time of the actual payment, but the Board may waive payment of such interest wholly or in part. Sums payable on allotment deemed a call

37 (a) Any sum which by the terms of allotment of a Share is made payable upon allotment or at any fixed date, whether on account of the nominal value of the Share and/or by way of premium, shall for all purposes of these Articles be deemed to be a call duly made and notified and payable on the date fixed for payment, and in case of non-payment all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture and the like, shall apply as if such sums had become payable by virtue of a call duly made and notified.

Shares may be issued subject to different conditions as to calls, etc.

(b) The Board may on the issue of Shares differentiate between the allottees or holders as to the amount of calls to be paid and the time of payment.

38 The Board may, if it thinks fit, receive from any Shareholder willing to advance the same, and either in money or money's worth, all or any part of the money uncalled and unpaid or instalments payable upon any Shares held by him, and in respect of all or any of the moneys so advanced may pay interest at such rate (if any) not exceeding 20% per annum, as the Board may decide but a payment in advance of a call shall not entitle the Shareholder to receive any Dividend subsequently declared or to exercise any other rights or privileges as a Shareholder in respect of the Share or the due portion of the Shares upon which payment has been advanced by such Shareholder before it is called up. The Board may at any time repay the amount so advanced upon giving to such Shareholder not less than one Month's notice in writing of its intention on that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the Shares in respect of which it was advanced.

The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof. Directors may refuse to register a transfer

49 Any person becoming entitled to a Share in consequence of the death or bankruptcy or winding-up of a Shareholder may, upon such evidence as to his title being produced as may from time to time be required by the Board, and subject as hereinafter provided, elect either to be registered himself as holder of the Share or to have some person nominated by him registered as the transferee thereof.

Notice of election to be registered of nominee

50 If the person becoming entitled to a Share pursuant to Article 49 shall elect to be registered himself as the holder of such Share, he shall deliver or send to the Company a notice in writing signed by him, at (unless the Board otherwise agrees) the Registration Office, stating that he so elects. If he shall elect to have his nominee registered, he shall testify his election by executing a transfer of such Share to his nominee. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of Shares shall be applicable to any such notice or transfer as aforesaid as if the death, bankruptcy or winding-up of the Shareholder had not occurred and the notice or transfer were a transfer executed by such Shareholder.

Retention of dividends, etc. until transmission of shares of a deceased or bankrupt shareholder

51 A person becoming entitled to a Share by reason of the death, bankruptcy or winding-up of the holder shall be entitled to the same Dividends and other advantages to which he would be entitled if he were the registered holder of the Share. However, the Board may, if it thinks fit, withhold the payment of any Dividend payable or other advantages in respect of such Share until such person shall become the registered holder of the Share or shall have effectually transferred such Share, but, subject to the requirements of Article 80 being met, such a person may vote at general meetings of the Company.

FORFEITURE OF SHARES

52 If a Shareholder fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, without prejudice to the provisions of Article 34, serve notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued and which may still accrue up to the date of actual payment.

If call or instalment not paid notice may be given

53 The notice shall name a further day (not earlier than the expiration of 14 days from the date of the notice) on or before which the payment required by the notice is to be made, and it shall also name the place where payment is to be made such place being the Registered Office or a Registration Office or another place within the Relevant Territory. The notice shall also state that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.

Content of notice of call

54 If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all Dividends and bonuses declared in respect of the forfeited Share and not actually paid before the forfeiture. The Board may accept the surrender of any Share liable to be forfeited hereunder and in such cases references in these Articles to forfeiture shall include surrender.

If notice not complied with shares may be forfeited

55 Any Share so forfeited shall be deemed to be the property of the Company, and may be re-allotted, sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a sale or disposition, the forfeiture may be cancelled on such terms as the Board thinks fit.

Forfeited shares to become property of Company

56 A person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, nevertheless, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the forfeited Shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until the date of actual payment (including the payment of such interest) at such rate not exceeding 20% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the Shares at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the Shares. For the purposes of this Article any sum which by the terms of issue of a Share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the Share or by way of premium, shall notwithstanding that such time has not yet arrived be deemed to be payable on the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

Arrears to be paid not withstanding forfeiture

57 A certificate in writing that the declarant is a Director or the Secretary, and that a Share has been duly forfeited or surrendered on a date stated in the certificate, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share. The Company may receive the consideration, if any, given for the Share on any re-allotment, sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is re-allotted, sold or disposed of and such person shall thereupon be registered as the holder of the Share, and shall not be bound to see to the application of the subscription or purchase money, (if any), nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or disposal of such Share.

Evidence of forfeiture and transfer of forfeited share

58 When any Share shall have been forfeited, notice of the forfeiture shall be given to the Shareholder in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

Notice after forfeiture

59 Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any Shares so forfeited shall have been re-allotted, sold or otherwise disposed of, cancel the forfeiture on such terms as it thinks fit or permit the Shares so forfeited to be bought back or redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the Shares, and upon such further terms (if any) as it thinks fit.

Power to redeem forfeited shares

60 The forfeiture of a Share shall not prejudice the right of the Company to any call already made or any instalment payment thereon.

Forfeiture not to prejudice Company's right to call or instalment

Forfeiture for non-payment of any sum due on shares

61 (a) The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

(b) In the event of a forfeiture of Shares the Shareholder shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the Shares so forfeited and in any event the certificates representing Shares so forfeited shall be void and of no further effect.

66 (a) The accidental omission to give any notice to, or the non-receipt of any notice by, any person entitled to receive notice shall not invalidate any resolution passed or any proceedings at any such meeting.

(b) In the case where forms of proxy or notice of appointment of corporate representative are to be sent out with any notice, the accidental omission to send such forms of proxy or notice of appointment of corporate representative to, or the non-receipt of such forms by, any person entitled to receive notice of the relevant meeting shall not invalidate any resolution passed or any proceeding at any such meeting.

No business shall be transacted at any general meeting unless the requisite quorum shall be present at the time when the meeting proceeds to business and continues to be present until the conclusion of the meeting.

When quorum is not present meeting to be dissolved and when to be adjourned

70 The chairman (if any) of the Company shall take the chair at every general meeting pursuant to the following arrangement:

chairman of general meeting

(a) Where the Company has only one chairman appointed, the chairman of the Company or, if he is absent or declines to take the chair at such meeting, the vice chairman (if any) of the Company shall take the chair at every general meeting, or, if there be no such chairman or vice chairman of the Company, or, if at any general meeting neither of such chairman or vice chairman is present within fifteen (15) minutes after the time appointed for holding such meeting, or both such persons decline to take the chair at such meeting, the Directors present shall choose one of their number as chairman of the meeting, and if no Director be present or if all the Directors present decline to take the chair or if the chairman chosen shall retire from the chair, then the Shareholders present shall choose one of their number to be chairman of the meeting.

(b) Where the Company has two (2) co-chairmen appointed, prior to the holding of each general meeting, the chairman of such general meeting (the "agreed General Meeting Chairman") shall be decided by agreement between the two (2) co-chairmen of the Company, and if the two (2) co-chairmen of the Company fail to reach such agreement, the vice chairman (if any) of the Company shall preside as chairman at such general meeting. Where the agreed General Meeting Chairman is absent or declines to take the chair at such general meeting, the other co-chairman of the Company (the "stand-in General Meeting Chairman") shall take the chair at such general meeting, and where the stand-in General Meeting Chairman is absent or declines to take the chair at such general meeting, the vice chairman (if any) of the Company shall preside as chairman at such general meeting. Where, in the aforesaid situations, (i) the agreed General Meeting Chairman, or the stand-in General Meeting Chairman, or the vice chairman of the Company (as the case may be) is not present within fifteen (15) minutes after the time appointed for holding such meeting, or declines to take the chair at such general meeting, or (ii) if no such vice chairman of the Company be elected or appointed, in each case (as relevant) the Directors present shall choose one of their number as chairman of the meeting, and if no Director be present or if all the Directors present decline to take the chair or if the chairman chosen shall retire from the chair, then the Shareholders present in person or (in the case of a Shareholder being corporation) by its duly authorised representative or by proxy and entitled to vote shall elect one of their number to be chairman of the meeting.

(c) Where the Company has no chairman appointed, the Directors present shall choose one of their number as chairman of the meeting, and if no Director be present or if all the Directors present decline to take the chair or if the chairman chosen shall retire from the chair, then the Shareholders present in person or (in the case of a Shareholder being corporation) by its duly authorised representative or by proxy and entitled to vote shall elect one of their number to be chairman of the meeting.

70A. If the chairman of a general meeting held in any form is participating in the general meeting using an electronic facility or facilities which is hereby permitted and becomes unable to participate in the general meeting using such electronic facility or facilities, another person (determined in accordance with Article 70 above) shall preside as chairman of the meeting unless and until the original chairman of the meeting is able to participate in the general meeting using the electronic facility or facilities.

71 Subject to Article 71C, the chairman of the meeting may (without the consent of the meeting) or shall at the direction of the meeting, adjourn any meeting from time to time (or indefinitely) and/or from place to place(s) and/or from one form to another (a physical meeting, a hybrid meeting or an electronic meeting), but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. ~~Prior to the holding of a general meeting, the Directors may postpone, and at a general meeting, the chairman of the meeting may (without the consent of the general meeting) or shall at the direction of the meeting, adjourn any meeting from time to time (or indefinitely) and from place to place, but no business shall be transacted at any adjourned or postponed meeting other than the business which might lawfully have been transacted at the meeting had the adjournment or the postponement not taken place. Notice of a postponement must be given to all Shareholders by any means as the Directors may determine.~~ Whenever a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the details set out in Article 65 ~~time and place of the adjourned meeting~~ but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting ~~and the general nature of the business to be transacted~~. Save as aforesaid, ~~it shall be unnecessary to give notice of an adjournment.~~no notice of an adjournment or of the business to be transacted at any adjourned meeting needs to be given nor shall any Shareholder be entitled to any such notice. No business shall be transacted at an adjourned meeting other than the business which might have been transacted at the meeting from which the adjournment took place.

71A (1) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting to do so by simultaneous attendance and participation by means of electronic facilities at such location or locations ("Meeting Location(s)") determined by the Board at its absolute discretion. Any Shareholder or any proxy attending and participating in such way or any Shareholder or proxy attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities is deemed to be present at and shall be counted in the quorum of the meeting.

(2) All general meetings are subject to the following and, where appropriate, all references to a "Shareholder" or "Shareholders" in this sub-paragraph (2) shall include a proxy or proxies respectively:

(a) where a Shareholder is attending a Meeting Location and/or in the case of a hybrid meeting, the meeting shall be treated as having commenced if it has commenced at the Principal Meeting Place;

(b) Shareholders present in person or by proxy at a Meeting Location and/or Shareholders attending and participating in an electronic meeting or a hybrid meeting by means of electronic facilities shall be counted in the quorum for and entitled to vote at the meeting in question, and that meeting shall be duly constituted and its proceedings valid provided that the chairman of the meeting is satisfied that adequate electronic facilities are available throughout the meeting to ensure that Shareholders at all Meeting Locations and Shareholders participating in an electronic meeting or a hybrid meeting by means of electronic facilities are able to participate in the business for which the meeting has been convened;

Power to adjourn general meeting, business of adjourned meeting

(c) where Shareholders attend a meeting by being present at one of the Meeting Locations and/or where Shareholders participating in an electronic meeting or a hybrid meeting by means of electronic facilities, a failure (for any reason) of the electronic facilities or communication equipment, or any other failure in the arrangements for enabling those in a Meeting Location other than the Principal Meeting Place to participate in the business for which the meeting has been convened or in the case of an electronic meeting or a hybrid meeting, the inability of one or more Shareholders or proxies to access, or continue to access, the electronic facilities despite adequate electronic facilities having been made available by the Company, shall not affect the validity of the meeting or the resolutions passed, or any business conducted there or any action taken pursuant to such business provided that there is a quorum present throughout the meeting; and

(d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

71B The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Shareholder who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Shareholder so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

71C If it appears to the chairman of the general meeting that:

(a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 71A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or

(b) in the case of an electronic meeting or a hybrid meeting, electronic facilities being made available by the Company have become inadequate; or

(c) it is not possible to ascertain the view of those present or to give all persons entitled to do so a reasonable opportunity to communicate and/or vote at the meeting; or

(d) there is violence or the threat of violence, unruly behaviour or other disruption occurring at the meeting or it is not possible to secure the proper and orderly conduct of the meeting;

then, without prejudice to any other power which the chairman of the meeting may have under these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, interrupt or adjourn the meeting (including adjournment for indefinite period). All business conducted at the meeting up to the time of such adjournment shall be valid.

71D The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Shareholders shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

71E If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the Shareholders. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

(a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);

(b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Shareholders of details of such change in such manner as the Board may determine;

(c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 71, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Shareholders of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and

(d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Shareholders.

71F All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 71C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

71G Without prejudice to other provisions in Article 71, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

Poll, show of hands and demand for poll

72 At any general meeting a resolution put to the vote of the meeting shall be decided by poll save that the chairman of the meeting may, pursuant to the Listing Rules, allow a resolution to be voted by a show of hands. Where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded by:

(a) at least two Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or

(b) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or

(c) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right.

A demand by a person as proxy for a Shareholder or in the case of a Shareholder being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the Shareholder.

73 Where a resolution is voted on by a show of hands, a declaration by the chairman of the meeting that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded in favour of or against such resolution.

What is to be evidence of the passing of a resolution

74 A poll shall be taken in such manner (including the use of ballot or voting papers or tickets or by electronic means) and at such time and place as the chairman of the meeting directs. No notice need be given of a poll not taken immediately. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was required or demanded. In the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, the demand for a poll may be withdrawn, with the consent of the chairman of the meeting, at any time before the close of the meeting at which the poll was demanded or the taking of the poll, whichever is the earlier.

Poll

75 Any poll on the election of a chairman of a meeting or on any question of adjournment shall be taken at the meeting and without adjournment.

76 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting shall be entitled to a second or casting vote. In case of any dispute as to the admission or rejection of any vote, the chairman of the meeting shall determine the same, and such determination shall be final and conclusive.

chairman to have casting vote

77 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which a poll has been demanded.

Business may proceed notwithstanding demand for poll

78 If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the meeting, the proceedings shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

Amendment of resolutions

VOTES OF SHAREHOLDERS

Votes of shareholders

79 Subject to any special rights, privileges or restrictions as to voting for the time being attached to any class or classes of Shares, at any general meeting on a poll every Shareholder present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy, shall have one vote for every Share of which he is the holder which is fully paid or credited as fully paid (but so that no amount paid or credited as paid on a Share in advance of calls or instalments shall be treated for the purposes of this Article as paid on the Share), and on a show of hands every Shareholder who is present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy shall (save as provided otherwise in this Article) have one (1) vote. On a poll a Shareholder entitled to more than one vote need not use all his votes or cast all his votes in the same way. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Shareholder which is a Clearing House (or its nominee(s)), each such proxy shall have one vote on a show of hands and on a poll, each such proxy is under no obligation to cast all his votes in the same way. For avoidance of doubt, votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the Chairman of the meeting may determine.

App.3 Para 14(4)

79A Where the Company has knowledge that any Shareholder is, under the Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such Shareholder in contravention of such requirement or restriction shall not be counted.

Votes in respect of deceased and bankrupt shareholders

80 Any person entitled under Article 51 to be registered as the holder of any Shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such Shares, provided that at least 48 hours before the time of the holding of the meeting or adjourned meeting (as the case may be) at which he proposes to vote, he shall satisfy the Board of his right to be registered as the holder of such Shares or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

Joint holders

81 Where there are joint registered holders of any Share, any one of such persons may vote at any meeting, either personally or by proxy, in respect of such Share as if he were solely entitled thereto; but if more than one of such joint holders be present at any meeting personally or by proxy, that one of the said persons so present whose name stands first on the Register in respect of such Share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased Shareholder, and several trustees in bankruptcy or liquidators of a Shareholder in whose name any Share stands shall for the purposes of this Article be deemed joint holders thereof.

82 A Shareholder of unsound mind or in respect of whom an order has been made by any court having jurisdiction in lunacy may vote, whether on a poll or on a show of hands, by his committee or receiver, or other person in the nature of a committee or receiver appointed by that court, and any such committee, receiver or other person may vote on a poll by proxy. Evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote shall be delivered to such place or one of such places (if any) as is specified in accordance with these Articles for the deposit of instruments of proxy or, if no place is specified, at the Registration Office, not later than the latest time at which an instrument of proxy must, if it is to be valid for the meeting, be delivered.

Votes of shareholders of unsound mind

83 Save as expressly provided in these Articles or otherwise determined by the Board, no person other than a Shareholder duly registered and who shall have paid everything for the time being due from him payable to the Company in respect of his Shares shall be entitled to be present or to vote (save as proxy or authorised representative for another Shareholder) whether personally, by proxy or by attorney or to be reckoned in the quorum, at any general meeting.

Qualification for voting

84 No objection shall be raised to the qualification of any person exercising or purporting to exercise a vote or the admissibility of any vote except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.

Objections to votes

App.3 Para 14(3)

84A. All Shareholders shall have the right to (a) speak at a general meeting; and (b) vote at a general meeting ~~expect~~except where a shareholder is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

APPOINTMENT OF PROXY AND CORPORATE REPRESENTATIVE

App.3 Para 18

85 Any Shareholder entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Shareholder who is the holder of two or more Shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Shareholder of the Company. On a poll or a show of hands votes may be given either personally (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy. A proxy shall be entitled to exercise the same powers on behalf of a Shareholder who is an individual and for whom he acts as proxy as such Shareholder could exercise. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he acts as proxy as such Shareholder could exercise if it were an individual Shareholder.

Proxies

86 No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or, in the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 72, his demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

Instrument appointing proxy to be in writing

87 The instrument appointing a proxy shall be in such form, including electronic or otherwise, as the Board may determine and in the absence of such determination, shall be in writing, which may include electronic writing, signed by the appointor or his attorney duly authorised in writing, or, if the appointor is a corporation, either under seal or signed by an officer or attorney or other person duly authorised to sign the same.

Appointment of proxy must be deposited

88 (a) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.

(b) The instrument appointing a proxy and, if requested by the Board, the power of attorney or other authority (if any) under which it is signed or a ~~notarially~~ certified copy of that power or authority shall be deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the instrument of proxy issued by the Company (or, if no place is specified, at the Registration Office), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting (as the case may be) at which the person named in such instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of 12 Months from the date of its execution, except at an adjourned meeting where the meeting was originally held within 12 Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, its duly authorised representative) at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked.

89 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in such form as the Board may from time to time approve, provided that it shall not preclude the use of the two-way form. Any form issued to a Shareholder for use by him for appointing a proxy to attend and vote at an extraordinary general meeting or at an annual general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business.

Form of proxy

90 The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

Authority under instrument appointing proxy

91 A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registration Office, or at such other place as is referred to in Article 88, at least two hours before the commencement of the meeting or adjourned meeting at which the proxy is used.

When vote by proxy valid though authority revoked

Appointment of multiple corporate representatives

92 (a) Any corporation which is a Shareholder may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Shareholders of the Company, and the person so authorised shall be entitled to exercise the same rights and powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder of the Company. References in these Articles to a Shareholder present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a Shareholder represented at the meeting by such duly authorised representative.

App.3 Para 18 and 19

(b) Where a Shareholder is a Clearing House (or its nominee(s)), it may (subject to Article 93) authorise such person or persons as it thinks fit to act as its representative or representatives at any meeting of the Company or at any meeting of any class of Shareholders provided that if more than one person is so authorised, the authorisation shall specify the number and class of Shares in respect of which each such representative is so authorised. A person so authorised pursuant to the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the Clearing House (or its nominee(s)) which he represents as that Clearing House (or its nominee(s)) could exercise as if such person were an individual Shareholder, including the right to speak and vote, and where a show of hands is allowed, the right to vote individually on a show of hands.

Conditions for appointment of corporate representatives

93 Unless the Board agrees otherwise, an appointment of a corporate representative shall not be valid as against the Company unless:

(a) in the case of such an appointment by a Shareholder which is a Clearing House (or its nominee(s)), a written notification of the appointment issued by any director, the secretary or any authorised officer(s) of such Shareholder shall have been delivered at such place or one of such places (if any) as is specified in the notice of meeting or in the form of notice issued by the Company, or handed to the chairman of the meeting at the meeting or, if no place is specified, at the principal place of business maintained by the Company in the Relevant Territory from time to time before the time of holding the meeting or adjourned meeting at which the person so authorised proposes to vote or handed to the chairman of the meeting at the meeting; and

(b) in the case of such an appointment by any other corporate Shareholder, a copy of the resolution of its directors or other governing body of the Shareholder authorising the appointment of the corporate representative or a form of notice of appointment of corporate representative issued by the Company for such purpose or a copy of the relevant power of attorney, together with an up-to-date copy of the Shareholder's constitutive documents and a list of directors or members of the governing body of the Shareholder as at the date of such resolution, or, as the case may be, power of attorney, in each case certified by a director, secretary or a member of the governing body of that Shareholder and notarised, or, in the case of a form of notice of appointment issued by the Company as aforesaid, completed and signed in accordance with the instructions thereon or in the case of a power of attorney a notarised copy of the relevant authority under which it was signed, shall have been deposited at such place or one of such places (if any) as is specified in the notice of meeting or in the form of notice issued by the Company as aforesaid (or, if no place is specified, at the Registration Office) not less than 48 hours before the time for holding the meeting or adjourned meeting (as the case may be) at which the corporate representative proposes to vote.

94 No appointment of a corporate representative shall be valid unless it names the person authorised to act as the appointor's representative and the appointor is also named. The Board may, unless it is satisfied that a person purporting to act as a corporate representative is the person named in the relevant instrument for his appointment, decline such person's admission to the relevant meeting and/or reject his vote or demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Board or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative. If his appointor is for the time being absent from the territory in which the Head Office is for the time being situate or otherwise not available or unable to act, his signature to any resolution in writing of the Directors or any such committee shall be as effective as the signature of his appointor. 99 A Director or an alternate Director shall not be required to hold any qualification Shares but shall nevertheless be entitled to attend and speak at all general meetings of the Company and all meetings of any class of Shareholders of the Company.

Such remuneration shall be in addition to his ordinary remuneration as a Director.

104 (a) Payments to any Director or past director of the Company of any sum by way of compensation for loss of office or as consideration for or in connection with his retirement from office (not being a payment to which the director of the Company or past director is contractually or statutorily entitled) must be approved by the Company in general meeting.

(b) if he dies or becomes of unsound mind as determined pursuant to an order made by any competent court or official on the grounds that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs and the Board resolves that his office be vacated; or

(c) if he absents himself from the meetings of the Board during a continuous period of six months, without special leave of absence from the Board, and his alternate Director (if any) shall not during such period have attended in his stead, and the Board pass a resolution that he has by reason of such absence vacated his office; or

(d) if he becomes prohibited by law from acting as a Director, or he ceases to be a Director by virtue of any provision of law or is removed from office pursuant to these Articles; or

(e) if he has been validly required by the stock exchange of the Relevant Territory to cease to be a Director and the relevant time period for application for review of or appeal against such requirement has lapsed and no application for review or appeal has been filed or is underway against such requirement; or

The Directors may exercise the voting powers conferred by the shares in any other company held or owned by the Company, or exercisable by them as directors of such other company in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them as directors, managing directors, joint managing directors, deputy managing director, executive directors, managers or other officers of such company) and any Director may vote in favour of the exercise of such voting rights in the manner aforesaid notwithstanding that he may be, or is about to be, appointed a director, managing director, joint managing director, deputy managing director, executive director, manager or other officer of such a company, and that as such he is or may become interested in the exercise of such voting rights in the manner aforesaid.

(c) A Director may hold any other office or place of profit with the Company (except that of Auditors) in conjunction with his office of Director for such period and upon such terms as the Board may determine, and may be paid such extra remuneration therefor (whether by way of salary, commission, participation in profit or otherwise) as the Board may determine, and such extra remuneration shall be in addition to any remuneration provided for by or pursuant to any other Articles.

(d) A Director shall not vote (nor shall he be counted in the quorum) on any resolution of the Board in respect of any contract or arrangement or proposal in which he or any of his Close Associate(s) has/have a material interest, and if he shall do so his vote shall not be counted (nor shall he be counted in the quorum for that resolution), but this prohibition shall not apply to any of the following matters namely:

(iv) any contract or arrangement in which the Director or his Close Associate(s) is/are interested in the same manner as other holders of shares or debentures or other securities of the Company by virtue only of his/their interest in shares or debentures or other securities of the Company.

(e) Where proposals are under consideration concerning the appointment (including fixing or varying the terms of or terminating the appointment) of two or more Directors to offices or employments with the Company or any company in which the Company is interested, such proposals shall be divided and considered in relation to each Director separately and in such case each of the Directors concerned (if not prohibited from voting under paragraph (d)) shall be entitled to vote (and be counted in the quorum) in respect of each resolution except that concerning his own appointment.

(f) If any question shall arise at any meeting of the Board as to the materiality of the interest of a Director (other than the chairman of the meeting) or his Close Associates or as to the entitlement of any Director (other than the chairman of the meeting) to vote or be counted in the quorum and such question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, such question shall be referred to the chairman of the meeting and his ruling in relation to such other Director shall be final and conclusive except in a case where the nature or extent of the interest of the Director or his Close Associates concerned as known to such Director has not been fairly disclosed to the Board. If any question as aforesaid shall arise in respect of the chairman of the meeting or his Close Associates such question shall be decided by a resolution of the Board (for which purpose such chairman shall not be counted in the quorum and shall not vote thereon) and such resolution shall be final and conclusive except in a case where the nature or extent of the interest of such chairman or his Close Associates as known to him has not been fairly disclosed to the Board.

Power to capitalise

Effect of resolution to capitalise

(b) Subject to the Companies Act, whenever such a resolution as aforesaid shall have been passed, the Board shall make all appropriations and applications of the reserves or profits and undivided profits resolved to be capitalised thereby, and attend to all allotments and issues of fully paid Shares, debentures, or other securities and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Article, the Board may settle any difficulty which may arise in regard to a capitalisation issue as it thinks fit, and in particular may disregard fractional entitlements or round the same up or down and may determine that cash payments shall be made to any Shareholders in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and no Shareholders who are affected thereby shall be deemed to be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter on behalf of all Shareholders interested in a capitalisation issue any agreement with the Company or other(s) providing for such capitalisation and matters in connection therewith and any agreement made under such authority shall be effective and binding upon all concerned. Without limiting the generality of the foregoing, any such agreement may provide for the acceptance by such persons of the Shares, debentures or other securities to be allotted and distributed to them respectively in satisfaction of their claims in respect of the sum so capitalised.

(c) The provisions of paragraph (e) of Article 160 shall apply to the power of the Company to capitalise under this Article as it applies to the grant of election thereunder *mutatis mutandis* and no Shareholder who may be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power.

(d) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the shareholders at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the shareholders at a general meeting.

DIVIDENDS AND RESERVES

Power to declare dividends

154 Subject to the Companies Act and these Articles, the Company in general meeting may declare Dividends in any currency but no Dividends shall exceed the amount recommended by the Board.

Board's power to pay interim dividends

155 (a) The Board may subject to Article 156 from time to time pay to the Shareholders such interim Dividends as appear to the Board to be justified by the financial conditions and the profits of the Company and, in particular but without prejudice to the generality of the foregoing, if at any time the share capital of the Company is divided into different classes, the Board may pay such interim Dividends in respect of those Shares in the capital of the Company which confer to the holders thereof deferred or non-preferential rights as well as in respect of those Shares which confer on the holders thereof preferential rights with regard to Dividend and provided that the Board acts bona fide it shall not incur any responsibility to the holders of Shares conferring any preference for any damage that they may suffer by reason of the payment of an interim Dividend on any Shares having deferred or non-preferential rights.

(b) The Board may also pay half-yearly or at other suitable intervals to be settled by it any Dividend which may be payable at a fixed rate if the Board is of the opinion that the financial conditions and the profits of the Company justify the payment.

(c) The Board may in addition from time to time declare and pay special Dividends of such amounts and on such dates and out of such distributable funds of the Company as it thinks fit, and the provisions of paragraph (a) of this Article as regards the power and exemption from liability of the Board as relate to the declaration and payment of interim Dividends shall apply, *mutatis mutandis*, to the declaration and payment of any such special Dividends.

Dividends not to be paid out of capital

156 (a) No Dividend shall be declared or paid or shall be made otherwise than in accordance with the Companies Act.

(b) Subject to the provisions of the Companies Act but without prejudice to paragraph (a) of this Article, where any asset, business or property is bought by the Company as from a past date (whether such date be before or after the incorporation of the Company) the profits and losses thereof as from such date may at the discretion of the Board in whole or in part be carried to revenue account and treated for all purposes as profits or losses of the Company, and be available for Dividend accordingly. Subject as aforesaid, if any Shares or securities are purchased cum Dividend or interest, such Dividend or interest may at the discretion of the Board be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof or to apply the same towards reduction of or writing down the book cost of the asset, business or property acquired.

(c) Subject to paragraph (d) of this Article all Dividends and other distributions in respect of Shares shall be stated and discharged, in the case of Shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of Shares denominated in any other currency, in such other currency, provided that, in the case of Shares denominated in Hong Kong dollars, the Board may determine in the case of any distribution that Shareholders may elect to receive the same in any other currency selected by the Board, converted at such rate of exchange as the Board may determine.

(d) If, in the opinion of the Board, any Dividend or other distribution in respect of Shares or any other payment to be made by the Company to any Shareholder is of such a small amount as to make payment to that Shareholder in the relevant currency impracticable or unduly expensive either for the Company or the Shareholder then such Dividend or other distribution or other payment may, at the absolute discretion of the Board, be, if this be practicable, converted at such rate of exchange as the Board may determine and paid or made in the currency of the country of the relevant Shareholder (as indicated by the address of such Shareholder on the Register).

Notice of interim dividend

157 Notice of the declaration of an interim Dividend shall be given in such manner as the Board shall determine.

No interest on dividend

158 No Dividend or other moneys payable on or in respect of a Share shall bear interest as against the Company.

159 Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared, the Board may further resolve that such Dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of any other company, or in any one or more of such ways, with or without offering any rights to Shareholders to elect to receive such Dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Shareholders upon the footing of the value so fixed in order to adjust the rights of all parties and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Shareholders concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may authorise any person to sign any requisite instruments of transfer and other documents on behalf of all Shareholders interested in the Dividend and such instrument and document shall be effective. The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Board may resolve that no such assets shall be made available or made to Shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned and in any such event the only entitlement of the Shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Board of its discretion under this Article shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

Dividend in specie

160 (a) Whenever the Board or the Company in general meeting has resolved that a Dividend be paid or declared on the share capital of the Company, the Board may further resolve, either:

Scrip dividend

(i) that such Dividend be satisfied wholly or in part in the form of an allotment of Shares credited as fully paid on the basis that the Shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the Shareholders entitled thereto will be entitled to elect to receive such Dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

(A) the basis of any such allotment shall be determined by the Board;

(B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and

(D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised ("the non-elected Shares") and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;

or

(ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:

(A) the basis of any such allotment shall be determined by the Board;

(B) the Board, after determining the basis of allotment, shall give not less than 14 clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and

(D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised ("the elected Shares") and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.

(b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:

(i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or

(ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.

(c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.

(e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.

161 The Board may, before recommending any Dividend, set aside out of the profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend. Reserves

162 Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 38 shall be treated as paid on the Share. Dividends to be paid in proportion to paid up capital

163 (a) The Board may retain any Dividends or other moneys payable on or in respect of a Share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists. Retention of dividends, etc.

(b) The Board may deduct from any Dividend or other money payable to any Shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise. Deduction of debts

164 Any general meeting sanctioning a Dividend may make a call on the Shareholders of such amount as the meeting fixes, but so that the call on each Shareholder shall not exceed the Dividend payable to him, and so that the call shall be made payable at the same time as the Dividend, and the Dividend may, if so arranged between the Company and the Shareholder, be set off against the call. Dividend and call together

167 Unless otherwise directed by the Board, any Dividend or other moneys payable or bonuses, rights or other distributions in respect of any Share may be paid or satisfied by cheque or warrant or certificate or other documents or evidence of title sent through the post to the registered address of the Shareholder entitled, or, in the case of joint holders, to the registered address of that one whose name stands first in the Register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque, warrant, certificate or other document or evidence of title so sent shall be made payable to the order of the person to whom it is sent or, in the case of certificates or other documents or evidence of title as aforesaid, in favour of the Shareholder(s) entitled thereto, and the payment on any such cheque or warrant by the banker upon whom it is drawn shall operate as a good discharge to the Company in respect of the Dividend and/or other moneys represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Every such cheque, warrant, certificate or other document or evidence of title as aforesaid shall be sent at the risk of the person entitled to the Dividend, money, bonus, rights and other distributions represented thereby. For the avoidance of doubt, any dividend, interest, or other sum payable in cash may also be paid by electronic funds transfer on such terms and conditions as the Directors may determine.

and it shall conclusively be presumed in favour of the Company that every Share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:

SUBSCRIPTION RIGHT RESERVE

195 The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Companies Act:

Subscription right reserve

(a) If, so long as any of the rights attaching to any warrants issued by the Company to subscribe for Shares shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a Share, then the following provisions shall apply:

(i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional Shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub- paragraph (iii) in respect of such additional Shares as and when the same are allotted;

(ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;

(iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of Shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of Shares as is equal to the shortfall between:

(A) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

(B) the nominal amount of Shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for Shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of Shares shall be capitalised and applied in paying up in full such additional nominal amount of Shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

(iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of Shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, the share premium account) for such purpose until such additional nominal amount of Shares is paid up and allotted as aforesaid and until then no Dividend or other distribution shall be paid or made on the fully paid Shares then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of Shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one Share in the like manner as the Shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(b) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other Shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (a) of this Article, no fraction of any Share shall be allotted on exercise of the subscription rights.

(c) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.

(d) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purpose for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of Shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and Shareholders.

STOCK

196 The following provisions shall have effect at any time and from time to time provided that they are not prohibited by or inconsistent with the Companies Act:

(a) The Company may by Ordinary Resolution convert any fully paid Shares into stock, and may from time to time by like resolution reconvert any stock into fully paid Shares of any denomination.

(b) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the Shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Board may from time to time, if it thinks fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the Shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.

(c) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards Dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the Shares from which the stock arose, but no such rights, privileges or advantages (except participation in the Dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in Shares, have conferred such rights, privileges or advantages.

(d) Such of the provisions of these Articles as are applicable to fully paid Shares shall apply to stock, and the words "Share" and "Shareholder" herein shall include "stock" and "stockholder" and "member".
